MESSAGE FROM THE DEAN

Dear Students & Faculties
Greetings to all!

I extend my warmest greetings to you through the pages of our college newsletter. As Dean, it is both an honour and a privilege to address our diverse and talented community in this forum dedicated to celebrating our achievements, sharing knowledge, and fostering a sense of unity. As I step into this new role as Dean of our esteemed institution, I am filled with a sense of optimism and possibility. I am eager to collaborate with each of you as we embark on a journey of growth, learning, and achievement. Together, we will continue to uphold the values that define our institution and strive to reach new heights of excellence.

Our college newsletter serves as a reflection of the incredible talent, diversity, and accomplishments within our community. It is a platform for celebrating our achievements, sharing knowledge, and inspiring one another, faculty and students to reach our full potential.

In the upcoming editions, I look forward to showcasing the outstanding work of our students, faculty, and staff, as well as highlighting the impactful initiatives and programs that make our college unique. I encourage each of you to contribute your ideas, insights, and stories to help shape the future of our institution.

I am excited about the journey ahead and the opportunities that await us. Thank you for your warm welcome and continued support. Here's to a future filled with success, growth, and endless possibilities.

Dr. M. S. Kannan

Dean

EDITORIAL TEAM

Welcome to the June edition of our college newsletter! As the editor, I am excited to present another enriching issue, packed with valuable updates and the latest developments from our college.

This edition brings you a closer look at the initiatives that continue to shape our college's environment. We are excited to share the latest advancements that contribute to an enhanced learning experience and the continued success of our community.

We encourage you to engage with the content, share your feedback, and continue being an active member of our vibrant community. Your contributions are vital as we work together to shape the future of dental education and guide our students toward success.

Thank you for your continued support and readership.

Let's make this edition one to remember!

EVENTS

MOKSHA SCIENTIFIC EVENTS

The Moksha Scientific Events concluded with great success, celebrating the outstanding achievements of students in both academic and athletic domains. The event saw the presentation of nearly 50 posters and papers, each receiving well-deserved accolades for their innovation and scholarly depth. These contributions reflected the participants' commitment to research and academic excellence, adding immense value to the scientific discourse.

In addition to academic accomplishments, students showcased their athletic abilities, excelling in various sports and demonstrating remarkable team spirit and perseverance. Their performances highlighted a well-rounded culture of excellence promoted within the institution.

The valedictory ceremony marked a fitting conclusion to the event, recognizing the talent, hard work, and enthusiasm of all who participated. With its blend of intellectual vigor and sporting spirit, the Moksha Scientific Events served as a platform to inspire and celebrate holistic student development, leaving a lasting impression on everyone involved and making the event truly memorable.

WORLD EARTH DAY CELEBRATION

The World Earth Day Celebration was conducted on 22nd April 2024 at Eco Park, Pallikaranai. The event emphasized the importance of environmental conservation through activities such as tree planting, sustainability initiatives, and awareness sessions. Participants actively engaged in promoting eco-friendly practices and were inspired to contribute towards protecting and preserving nature. The celebration served as a reminder of our collective responsibility to safeguard the planet for future generations, making it a meaningful and impactful occasion.

HANDS ON WORKSHOP ON SYSTEMATIC REVIEW

A Hands-on Workshop on Systematic Review was held on the 24th and 25th of April 2024, organized by the Department of Oral Medicine and Radiology. The sessions were led by Dr. S. Sasidara, Research Scientist C at ICMR, New Delhi. Around sixty postgraduate students and faculty members actively participated and gained valuable insights into systematic review methodologies, enhancing their research skills and academic knowledge through practical training and expert guidance.

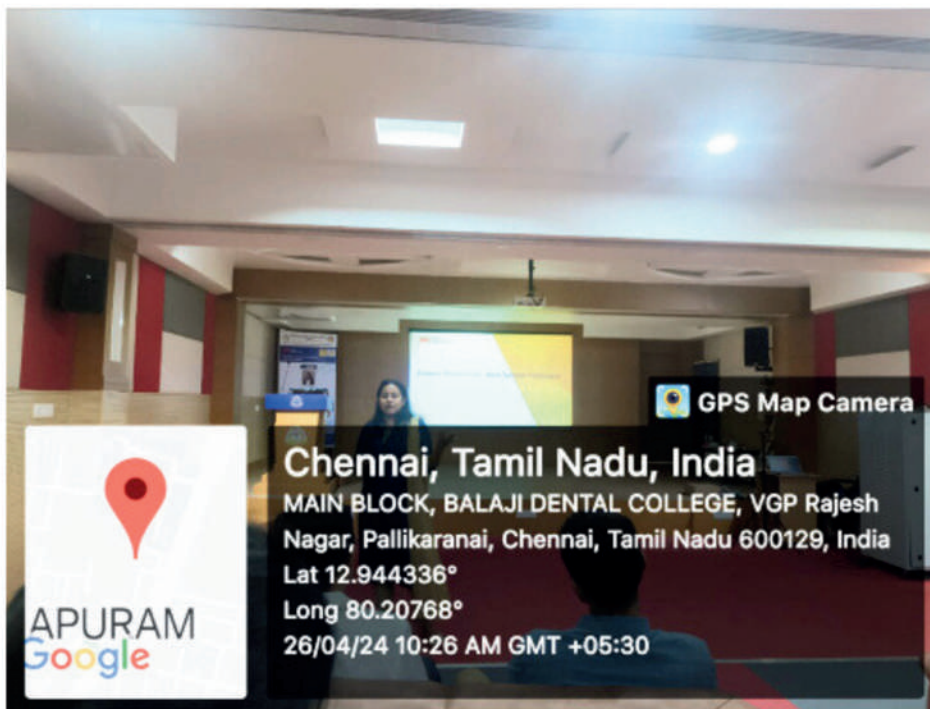

SIMPLIFIED ANTERIOR RESTORATIONS WITH STYLE ITALIANO

The Department of Conservative Dentistry and Endodontics, in association with 3M Oral Care, conducted a CDE program on "Simplified Anterior Restorations with Style Italiano." Dr. Manikya Arabolu, Clinical Specialist for 3M Oral Care in South India, served as the guest speaker. The program was attended by heads, faculty members, and students.

The event commenced with a welcome address by Dr. Revathy, Assistant Professor, followed by Tamizh Thaa Vazhthu and the lighting of the Kuthu Vilakku by the dignitaries. Dr. M.S. Kannan, Dean, addressed the gathering, and the chief guest was introduced by Dr. Kalaiarasi and Dr. Nandhini, PG Residents.

Dr. Manikya Arabolu delivered an insightful lecture, sharing her clinical experiences on anterior esthetic restorations, followed by a live demonstration. Dr. A. Venkatesh, Professor & Head of the department, honored the guest speaker with a memento. The program concluded with a vote of thanks by Dr. Poorani Nagalakshmi, Assistant Professor.

PALLIKARANAI LAKE CLEAN-UP

On 3rd May 2024, a lake clean-up program was organized at Pallikaranai in observance of World Malaria Day. Volunteers actively took part in removing accumulated waste, contributing to improved water quality and a cleaner environment. The initiative also aimed to raise awareness about malaria prevention and the importance of environmental conservation. Through collective effort and community engagement, the event highlighted the vital link between environmental health and disease prevention.

DAY 1 - TOBACCO-FREE DAWN, NEW LIFE BORN

The Anti-Tobacco Campaign 2024 commenced with a pledge ceremony for healthcare professionals, marking the first of the 15-day awareness initiative. The event aimed to promote a tobacco-free lifestyle and reinforce the commitment of healthcare providers to spread awareness about the harmful effects of tobacco.

Participants took a solemn pledge to advocate against tobacco use and support initiatives promoting public health. The ceremony highlighted the vital role of healthcare professionals in leading by example and educating the community on the dangers of tobacco consumption.

DAY 2 - PROS RISE, TOBACCO DIES

An education and training program was conducted for healthcare workers as part of the Anti-Tobacco Campaign 2024. The session aimed to equip participants with the knowledge and skills required to prevent tobacco consumption and effectively counsel patients on quitting tobacco habits.

The training included informative sessions on the health risks associated with tobacco use and the importance of early intervention. Healthcare workers were educated on providing appropriate tobacco cessation counseling, empowering them to support patients in overcoming tobacco addiction.

DAY 3 - CANCER RUNS, HEALTH WINS

Oral screening was done for auto drivers and they were educated about the harmful effects of tobacco consumption. Game based activities including Balloon popping and quiz programs were organized for their active participation in the program and prizes were distributed.

DAY 4 - HEALTHY SMILES, HAPPY MILES

On Day 4 of the Anti-Tobacco Campaign 2024, education and training activities were conducted for school teachers in observance of World No Tobacco Day. The session aimed to raise awareness about tobacco cessation strategies and equip teachers with the skills to educate students on the dangers of tobacco use.

The training featured interactive connection games and quiz activities, making the learning process engaging and effective. Teachers were empowered with practical knowledge to promote tobacco-free lifestyles among students and create awareness within the school community.

DAY 5 - PLEDGE TO THRIVE, TOBACCO DIES

On Day 5 of the Anti-Tobacco Campaign 2024, a pledge-taking ceremony was conducted for patients visiting Kamakoti Nagar Park, Pallikaranai, in observance of World No Tobacco Day.

Participants pledged their commitment to a tobacco-free lifestyle and vowed to spread awareness about the harmful effects of tobacco. The event aimed to encourage individuals to make healthier choices and promote a tobacco-free community.

DAY 6 - SCREEN, SURVIVE, THRIVE

On Day 6 of the Anti-Tobacco Campaign 2024, a rural outreach program was conducted for the people of Hanumanthandalam village, Uthramerur, in observance of World No Tobacco Day.

The initiative aimed to raise awareness about the dangers of tobacco consumption and promote tobacco cessation. Residents were educated on the health risks associated with tobacco use and provided with guidance on quitting strategies. The program emphasized the importance of creating a tobacco-free rural community

DAY 7 - HABITS ERASED, LIFE AMAZED

On Day 7 of the World No Tobacco Day Program, a dental screening camp was conducted at Peri Institute of Technology, Mannivakkam. Under the leadership of Dr. Charumathi, 20 dentists screened 660 students, raising awareness about oral health and the effects of tobacco use.

DAY 8 - SMILE SCREENED, FUTURE SECURED

On Day 8 of the World No Tobacco Day Program, students raised awareness about the harmful effects of tobacco among the public visiting Madipakkam Lake. The initiative featured interactive activities, including a spinning wheel and educational games, effectively engaging and informing the visitors.

DAY 9 - SMILE SQUAD UNITED

On Day 9 of the World No Tobacco Day Program, an oral screening camp was organized at Guru Vidyashram, Keelkatalai, for special children and their caregivers. The event emphasized the risks of second- and third-hand smoke, particularly its negative impact on the intellectual development of children with special needs. Caregivers received educational guidance on creating smoke-free environments to ensure better health outcomes and cognitive growth for the children under their care.

DAY 10 - BREATHE FREE, LIVE FREE

In observance of World No Tobacco Day (Week), a rally was organized to raise awareness about the detrimental effects of tobacco use. The event was graced by Retired DGP Sylendara Babu as the chief guest, whose presence added inspiration and impact. Participants marched with placards and slogans promoting a tobacco-free lifestyle, drawing attention from the public and local community. The rally emphasized the importance of making informed health choices and highlighted the need for collective action against tobacco addiction. It served as a powerful reminder that living tobacco-free ensures a healthier and more fulfilling life.

DAY 11 - CYCLE, REVIVE, THRIVE

World No Tobacco Day was observed in line with the WHO theme for 2024, "Protecting Children from Tobacco Industry Interference." Retd. DGP Dr. C. Sylendrababu IPS, the chief guest, delivered an inspiring oration on the significance of the day. The event featured a cycle rally flagged off by the chief guest, followed by a flash mob, street plays, interactive games, and pamphlet distribution to raise public awareness about the harmful effects of tobacco. Faculty and student committee members were honored for their contributions to the campaign.

DAY 12 - BURN TOBACCO OR LIFE?

An anti-tobacco awareness program was conducted by interns at Chennai City Center, Mylapore. The event featured interactive games and engaging activities that attracted public participation while effectively conveying the dangers of tobacco use. Participants were educated on the addictive nature and severe health consequences of both smoking and smokeless tobacco. The initiative successfully combined fun with awareness, encouraging individuals to make informed choices and adopt a tobacco-free lifestyle for a healthier future.

DAY 13 - KICK HABIT, TAKE CONTROL

Interns and final-year students organized an anti-tobacco awareness program at Jeyachandran Nagar, Pallikaranai. Through a powerful dance and skit performance, they educated the public on the harmful effects of tobacco. Informative pamphlets and visual aids further emphasized the message, encouraging the community to adopt a healthier, tobacco-free lifestyle.

DAY 14 - BRICK BY BRICK, TOBACCO-FREE

CRI students conducted an anti-tobacco awareness program at Virugambakkam, reaching out to migrant workers and individuals from lower socioeconomic backgrounds. They performed oral cancer screenings and educated construction workers about the harmful effects of tobacco, promoting healthier lifestyle choices.

DAY 15 - AVENGERS UNITE, TOBACCO DEFEATED

In a creative initiative to promote a tobacco-free lifestyle, a series of anti-tobacco awareness videos were developed and shared on social media platforms. These videos highlighted the harmful effects of both smoking and smokeless tobacco, aiming to educate viewers through impactful storytelling and visuals. Designed to resonate with audiences of all ages, especially youth, the campaign encouraged informed choices and healthier habits. The use of engaging content and relatable messaging significantly boosted public awareness and sparked meaningful conversations online, reinforcing the importance of collective action in the fight against tobacco use.

WORLD HYPERTENSION AWARENESS CAMPAIGN

A World Hypertension Day awareness campaign was conducted from May 15 to June 5, 2024. The initiative featured free blood pressure screenings, expert consultations, and educational sessions on hypertension prevention and management, benefiting numerous participants.

CLEAR ALIGNER ORTHODONTICS LECTURE

A marathon lecture on Clear Aligner Orthodontics was conducted by Dr. Tarek El-Bialy from Canada as part of the Invisalign University Module. The session featured an insightful series of cases, in-depth biomechanics, and a structured presentation tailored for university resident training. The event, in collaboration with Team Invisalign, was highly productive and well-received.

MAXIMIZING POSTGRADUATE EXPERIENCE: NOVICE TO MASTER

A motivational lecture titled *Maximizing Postgraduate Experience: Novice to Master* was delivered by Niha Naveed, offering an enriching and inspiring session for all attendees. The lecture provided practical strategies and valuable insights into personal and professional growth during postgraduate studies. Niha's engaging presentation highlighted the importance of self-discipline, continuous learning, and embracing challenges as stepping stones toward mastery. Her words resonated deeply with the audience, motivating them to make the most of their academic journey. The session also emphasized the significance of resilience, networking, and skill enhancement in building a successful career. With her dynamic and relatable approach, Niha Naveed left a lasting impression, encouraging postgraduate students to evolve with purpose and determination. The event was widely appreciated and marked a meaningful step toward academic empowerment.

ADVANCED DENTAL IMPLANT TRAINING

An advanced dental implant training session was successfully conducted by Dr. Ash Vasanthan, featuring an insightful lecture and a live surgical demonstration. The training focused on complex implant placement procedures, including post-immediate extractions and direct sinus lifts. Dr. Vasanthan's expertise and detailed guidance provided participants with a deeper understanding of advanced surgical protocols and clinical decision-making. The session witnessed active participation from postgraduates and faculty members, who praised the practical insights and clarity offered throughout. Overall, the program greatly contributed to enhancing the clinical skills and confidence of attendees, marking a significant step in their professional development.

WORLD HYPERTENSION MONTH AWARENESS

As part of World Hypertension Month, Sree Balaji Dental College and Hospital organized a series of impactful initiatives to promote awareness, prevention, and management of hypertension. The month-long campaign included free blood pressure screening camps, educational workshops, and interactive public awareness drives aimed at empowering individuals with the knowledge to take control of their heart health. These initiatives focused on the importance of early detection, lifestyle modifications, and consistent monitoring to prevent complications related to high blood pressure. Students and healthcare professionals actively engaged with the public, providing guidance on maintaining a balanced diet, regular physical activity, and stress management. The campaign reached a wide demographic, reinforcing the message that awareness and timely action can save lives. The collective efforts significantly contributed to fostering a more informed and health-conscious community.

222nd CLINICAL SOCIETY MEETING

The 222nd Clinical Society Meeting (CSM) was successfully conducted on June 27, 2024, at 1:15 PM, bringing together faculty, postgraduates, and students for an afternoon of academic enrichment. The session featured three engaging presentations on a variety of pertinent topics. Dr. Shivakumar delivered an informative talk on the management of panfacial fractures, highlighting complex treatment approaches in maxillofacial trauma. Ms. Srilakshmi addressed a growing public health concern with her presentation on the increasing use of flavored smokeless tobacco among youth, shedding light on its risks and sociocultural impact. Dr. Priyanka Paul offered valuable insights into dental age estimation techniques in forensic investigations. The meeting encouraged active dialogue, collaborative learning, and knowledge exchange among attendees, furthering professional development and awareness of contemporary issues in healthcare and dentistry.

STRUCTURING YOUR MANUSCRIPT

A Continuing Dental Education program on Structuring Your Manuscript was conducted on June 28, 2024, featuring a lecture and workshop aimed at enhancing manuscript preparation skills. Dr. Paavai I., MDS, PhD, delivered an insightful session covering strategies for structuring manuscripts, selecting appropriate journals, and navigating the submission process. The interactive workshop provided hands-on activities and personalized feedback, significantly improving participants' confidence and expertise in manuscript preparation.

CAMPS

CAMP FOR SPECIAL CHILDREN

On May 9th, 2024, a heartwarming and impactful camp for special children was organized at Guru Vidhyashram, Keelkatalai. The initiative was aimed at creating an inclusive and supportive environment that nurtures the unique needs of children with special abilities. The event featured a thoughtfully designed series of activities including therapy sessions, educational games, and interactive programs tailored to promote cognitive and emotional development.

Trained professionals and volunteers conducted sensory integration activities, speech and behavioral therapy, and motor skill development exercises to support the individual growth of each child. The educational sessions were infused with creativity and fun, enabling the children to explore their potential in a stress-free environment. Art and craft stations, storytelling corners, and music-based activities further enriched their experience, fostering self-expression and joy.

Parents and caregivers were also involved in the program, with expert-led discussions on strategies for at-home support and emotional bonding. The event emphasized the importance of community involvement and empathy in supporting special children, spreading awareness and encouraging a more inclusive mindset among attendees.

The camp stood out as a remarkable effort to bridge gaps in accessibility and inclusion, offering both educational and emotional enrichment. It not only benefited the participating children but also inspired everyone involved to continue advocating for the rights and well-being of individuals with special needs. The positive energy, smiles, and sense of accomplishment witnessed throughout the event made it a truly memorable and meaningful experience for all.

CAMP AND INSPIRING SESSION AT GHSS KOVILAMBAKKAM

On June 25, 2024, a vibrant and inspiring session was conducted at Government Higher Secondary School, Kovilambakkam, as part of an educational outreach initiative. The session aimed to motivate students, broaden their perspectives, and provide practical knowledge through interactive activities and meaningful dialogue.

The event commenced with a warm welcome by the school faculty, followed by an address that highlighted the importance of education, personal growth, and making informed choices about the future. The interactive session included motivational talks focusing on setting goals, overcoming challenges, and developing leadership qualities. Students were encouraged to ask questions, share their aspirations, and engage in discussions that promoted critical thinking and self-confidence.

Several fun yet educational activities were also conducted, such as quiz rounds, group tasks, and scenario-based learning exercises that helped students apply what they learned in real time. The facilitators ensured the atmosphere remained energetic and inclusive, ensuring every student felt heard and valued.

The program also focused on health awareness, career guidance, and the importance of holistic development. Teachers and school staff appreciated the initiative, noting the positive impact it had on student morale and participation. The event concluded with a vote of thanks and a distribution of educational kits and resource materials to support the students' continued learning journey.

Overall, the camp and inspiring session at GHSS Kovilambakkam served as a powerful platform to ignite curiosity, motivate students, and reinforce the importance of education and self-belief. It was a memorable day of learning, encouragement, and community connection.
