From the Editor

It is with immense pride and gratitude that I present the 2025 edition of the Sree Balaji Dental College & Hospital Newsletter. This publication reflects the dedication, achievements, and vibrant spirit of our institution over the past year.

The year 2025 has been marked by remarkable academic excellence, groundbreaking research, successful conferences, community outreach initiatives, and numerous student accomplishments. Every page of this newsletter showcases the collective efforts of our students, faculty, alumni, and staff, whose commitment continues to strengthen the legacy of our institution.

Beyond celebrating milestones, this newsletter captures the essence of learning, innovation, compassion, and teamwork that define our college. From academic pursuits and clinical excellence to cultural events and social responsibility, each contribution reflects our shared vision of nurturing competent professionals and responsible healthcare providers.

I extend my sincere appreciation to everyone who contributed articles, photographs, and updates, as well as to the editorial team whose dedication made this publication possible. Your enthusiasm and collaborative spirit have brought this edition to life.

As we look ahead, may we continue to strive for excellence, embrace new opportunities, and uphold the values that make Sree Balaji Dental College & Hospital a centre of academic distinction and compassionate patient care.

Happy reading!

DR. ANITHA BALAJI
EDITOR
HOD & PROFESSOR
DEPARTMENT OF PERIODONTICS

Registrar's Message

It gives me immense pleasure to extend my warm greetings to all readers of the 2025 Newsletter of Sree Balaji Dental College & Hospital. This publication stands as a reflection of the institution's unwavering commitment to academic excellence, innovation, research, and community service.

As a constituent institution of Bharath Institute of Higher Education and Research, Sree Balaji Dental College & Hospital has consistently upheld the highest standards in education, clinical training, and professional development. The accomplishments highlighted in this newsletter are a testament to the dedication and perseverance of our students, faculty members, researchers, and support staff.

Education extends beyond classrooms and clinics—it is about nurturing ethical values, critical thinking, leadership, and a lifelong passion for learning. I am delighted to see our students actively participating in academic, research, cultural, and outreach activities, thereby contributing meaningfully to society and the profession.

I congratulate the editorial team for compiling this wonderful edition and appreciate everyone whose efforts have made this publication possible. May this newsletter continue to inspire excellence and strengthen the bonds within our academic community.

I extend my best wishes to all students and faculty for continued success in their future endeavours.

PROF. DR. S. BHUMINATHAN
REGISTRAR

DR. MS. KANNAN
DEAN

Dean's Message

It is my privilege to present my greetings on the release of the 2025 Newsletter of Sree Balaji Dental College & Hospital. This newsletter is a celebration of our journey, our achievements, and the collective dedication that drives our institution towards excellence.

Over the past year, our college has continued to excel in academics, patient care, research, innovation, and community outreach. The enthusiasm and commitment demonstrated by our students and faculty have resulted in numerous accomplishments that reflect the values and vision of our institution.

At Sree Balaji Dental College & Hospital, we believe that quality education is built upon knowledge, compassion, integrity, and continuous learning. Alongside developing clinical competence, we strive to cultivate future dental professionals who are socially responsible, ethically grounded, and committed to lifelong learning.

I sincerely appreciate the efforts of the editorial committee in documenting the memorable events and milestones of 2025. I also congratulate our students, faculty, and staff for their unwavering dedication in making our institution a centre of excellence.

May this newsletter inspire every reader to continue pursuing knowledge, embracing innovation, and serving society with professionalism and compassion.

I wish the editorial team continued success and extend my heartfelt best wishes to the entire Sree Balaji Dental College & Hospital family.

PATENT

"From April to June, patent recognitions highlighted innovation, originality, and contributions to advancing dental science and clinical practice."

INNOVATIONS THAT IMPROVE OUTCOMES

Our patented instruments reflect our commitments to advancing patient care through innovation and integrity.

Tissue Outliner for Gingival Grafting

An innovative instrument designed to enhance precision in gum tissue grafting procedures, ensuring better outcomes and patient comfort.

Oral Epithelium Scraping Double-Ended Instrument

An innovative instrument designed to enhance precision in gum tissue grafting procedures, ensuring better outcomes and patient comfort.

ACADEMIC EXCELLENCE & PROFESSIONAL GROWTH

"From April to June, academic achievements reflected excellence in learning, professional growth, and the development of knowledge, skills, and ethical values."

U, Me & Composites

A pre-conference course on “U, Me & Composites” by Dr. R. S. Mohan Kumar was conducted as part of the Madras ICON Conference, organized by the Department of Conservative Dentistry and Endodontics in association with IDA Madras. The program was coordinated by Dr. Poorani Nagalakshmi and Dr. Gold Pearl Mary, and was skillfully moderated by Prof. Dr. Karthick. The session provided valuable clinical insights and was well-received by participants.

Micro Esthetics in Anterior Composite Restoration

A community dental camp provided basic oral screening and awareness to residents. The program reinforced the importance of accessible preventive dental care at the grassroots level.

The collaboration aims to strengthen academia-industry partnerships and foster opportunities in research, innovation, technology development, knowledge exchange, and transformative healthcare solutions.

This initiative marks an important milestone in creating meaningful collaborations that can translate academic expertise and industry innovation into impactful healthcare outcomes.

Strengthening Academia-Industry Collaboration

A significant step towards advancing healthcare research and innovation, Sree Balaji Dental College and Hospital and Viora Innovation Pvt. Ltd. signed a Memorandum of Understanding (MoU) at TICEL Bio Park, Chennai, on 13 April 2026.

Advancing Cancer Research Through Molecular Docking

An International Conference-cum-Workshop on Molecular Docking for Cancer Target Discovery was organized at Saveetha Dental College and Hospital, providing participants with insights into molecular docking, cancer target identification, and computational approaches in drug discovery.

 DEPARTMENT OF PROSTHODONTICS, CROWN AND BRIDGE
 &
 KING'S ACADEMY**
Parents' Performance course (PCC-1)

**IMMEDIATE IMPLANT PLACEMENT &
 IMMEDIATE CUSTOMIZED HEALING CAP PLACEMENT**

ABOUT THE PROGRAM:
 This comprehensive half-day program is specifically structured to provide dental professionals with in-depth knowledge and practical expertise in immediate implant placement following tooth extractions, as well as in the fabrication and placement of a customized healing cap. The course will cover the underlying scientific principles, criteria for appropriate case selection, and detailed clinical protocols. Hands-on training sessions, simulating real-life clinical situations, will follow the theoretical component to reinforce the concepts and techniques discussed.

DATE : 27th June 2025 TIME : 9:30 ONWARDS
VENUE : OMIS DEPT & AUDITORIUM SRDCH

PROGRAM SCHEDULE:

TIME	DESCRIPTION
08:30 - 09:00	Registration
09:00 - 09:30	Lecture 1 Rationale and Case Selection: Biological basis, indications, contraindications, and patient selection
09:30 - 10:00	Lecture 2 Clinical Protocols & Surgical Techniques: Step-by-step surgical workflow for immediate implant placement
10:00 - 10:30	Lecture 3 Fabrication of Customized Healing Caps: Introduction to chairside techniques and materials
10:30 - 10:45	Q&A + Break: Interactive discussion and short tea break
10:45 - 11:15	Live Demonstration: Extraction, implant placement, and fabrication of healing cap
11:15 - 11:30	Hands-On Workshop: Supervised practice on model simulations
11:30 - 11:45	Advanced extraction techniques
11:45 - 12:00	Immerse preparation and implant placement
12:00 - 12:15	Custom healing cap fabrication
12:15 - 12:30	Discussion & Certificate Distribution

The Department of Oral and Maxillofacial Surgery conducted a scientific program titled “Immediate Implant Placement & Immediate Customized Healing Cap Placement” on 27-06-2025 to enhance the clinical knowledge and practical skills of dental professionals in modern implantology. The program featured expert lectures covering the biological principles, case selection criteria, clinical protocols, and surgical techniques involved in immediate implant placement. Participants also gained insight into chairside fabrication and placement of customized healing caps.

The session included interactive discussions, followed by a live demonstration of atraumatic extraction, implant placement, and customized healing cap fabrication. A hands-on workshop allowed participants to practice techniques on models under expert guidance, improving their understanding of clinical workflow.

The event was highly informative and contributed significantly to improving participants' clinical competence in advanced implant procedures.

Hands-on Workshop in Systematic Review

ABOUT THE WORKSHOP

Department of Oral Medicine and Radiology conducted a Hands-on Workshop in Systematic Review to enhance research skills among students and faculty.

The session covered step-by-step methodologies for conducting systematic reviews, including protocol development, literature search strategies, data extraction, and critical appraisal.

Participants gained practical experience through guided activities, reinforcing evidence-based research practices in dentistry.

KEY HIGHLIGHTS

Protocol Development

Literature Search Strategies

Data Extraction

Critical Appraisal

Hands-on Learning & Guided Activities

Empowering researchers today for evidence-based dentistry tomorrow

National Oral Medicine and Radiology Day

The Department of Oral Medicine and Radiology at Sree Balaji Dental College and Hospital celebrated National Oral Medicine and Radiology Day with a focus on raising awareness about the importance of early detection of oral and maxillofacial conditions.

The event featured expert talks, radiographic demonstrations, poster presentations, and interactive sessions to highlight the integral role of radiology in modern dental diagnosis and care.

• EVENT HIGHLIGHTS •

Expert Talks
Insightful sessions by experienced faculty and professionals.

Radiographic Demonstrations
Live demonstrations showcasing advanced radiographic techniques.

Poster Presentations
Creative and informative posters by students and researchers.

Interactive Sessions
Engaging discussions and Q&A sessions with experts.

Awareness & Early Detection
Promoting the importance of early diagnosis for better patient outcomes.

Empowering future dental professionals through knowledge, technology and collaborative learning.

ABOUT NIMHANS

A globally acclaimed centre of excellence in mental health and neurosciences.

PROGRAM FOCUS

Advancing knowledge in microbiome and metabolite investigations for neuropsychiatric disorders.

Participation in this program represents a **significant academic achievement** and an exceptional opportunity to engage with **leading experts** in microbiome and neuropsychiatric research.

Heartiest Congratulations

Ms. M. Dhanalakshmi

on this outstanding accomplishment!

Pre-Conference Course on Soft Tissue Diode Lasers in Clinical Practice

As part of **Madras ICON 2025**, the department of Periodontology and Oral Implantology successfully conducted a Pre-Conference Course on **“Soft Tissue Diode Lasers in Clinical Practice”** on 27th June 2025.

The session, held at Lecture Hall 1, Department of Periodontics, began at 9:30 AM and featured an engaging lecture and demonstration by **Dr. Vidyaa Hari Lyer** (B.D.S., PODMLS, PODHHM, PODOC, AAID, DNOO, M.Sc., M.Phil., F.Laser Dentistry) - a renowned expert in laser-assisted dental procedures.

The course provided valuable insights into the principles, applications and clinical benefits of soft tissue diode lasers, highlighting their role in achieving precise and minimally invasive dental treatments.

Proform 2025 - 7th National Level Prosthodontic Forum

The Department of Prosthodontics and Crown & Bridge successfully hosted **PROFORM 2025**, the 7th National Level Prosthodontic Forum, on the **20th and 21st of June 2025**.

Inspired Minds

Encouraging undergraduate students to fuel their passion and expand their professional network.

Ignited Ideas

Thought-provoking sessions and engaging presentations that sparked innovation in prosthodontics.

Interactive Learning

Meaningful discussions and academic exchange in a collaborative environment.

Showcasing Talent

A platform for participants from across the country to share knowledge, showcase, talent, and enhance their understanding.

Event Schedule	
DAY 1 20 th JUNE 2025	
8:30am to 9:00am	- Registration
9:00am to 10:00am	- Inauguration
10:00am to 11:00 am	- Guest Lecture
	Topic : Unveiling Maxillofacial Prosthesis : A Comprehensive Introduction
	Dr. Kasim Mohamed MDS
	Prof. Dept of Prosthodontics, Sri Ramachandra Dental College and Hospital, SRMER
	- Paper Presentation
11:00am to 12:30 pm & 1:30pm to 4:00pm	
10:00am to 12:30pm	- Art from Dental Material
10:00am to 12:30pm	- T-shirt Designing
10:30am to 12:30pm	- Adzap
10:30am to 11:00am	- Refreshments
12:30pm to 1:30pm	- Crosswords
1:00pm to 1:30pm	- Lunch
1:30pm to 3:00pm	- Debate
1:30pm to 3:00pm	- Photography
DAY 2 21 st JUNE 2025	
9:00am to 12:30pm & 1:30pm to 2:30pm	- e-Poster Presentation
9:00am to 12:30pm	- Table clinic
9:00am to 12:30pm	- Soap Carving
9:30am to 12:30pm	- Quiz
10:30am to 11:00am	- Refreshments
1:00pm to 1:30pm	- Lunch
1:30pm to 2:30pm	- Reels
1:30 to 3:00pm	- Feel & Figure
3:00pm to 4:00pm	- Valedictory Function

PROFORM 2025 was a remarkable success, fostering learning, collaboration, and professional growth, and reaffirming our commitment to **excellence in prosthodontic education**.

ARQ SUMMIT – JUNE 2025

The ARQ Summit – June 2025 was conducted at Sri Ramachandra University.

The event was attended by the IQAC Team from Sree Balaji Dental College & Hospital, Chennai.

Participants:

- Dr. J. Bhuvaneswari
- Dr. Padmavathy B.
- Dr. Ramya
- Dr. Sumathi Jones
- Dr. Anita M.
- Dr. Gold
- Dr. Jayasri Krupa

Launch of Digital Dentistry in Conservative Dentistry & Endodontics

The Department of Conservative Dentistry and Endodontics at Sree Balaji Dental College & Hospital proudly marked a significant milestone with the introduction of Digital Dentistry into routine clinical practice.

Inaugurated by our leaders

The inauguration was graced by our respected Dean, Dr. M. Kannan, Registrar, Dr. S. Bhuminathan and Head of the department, Dr. Venkatesh. A who jointly initiated this technological advancement aimed at enhancing patient care.

Live Demonstration Highlight

The highlight of the event was a live demonstration of the intraoral scanner, showcasing its precision in digital impressions and real-time chair-side planning.

Embracing technology, Enhancing smiles.

Building a smarter, healthier tomorrow.

TOGETHER, WE LEAD THE CHANGE TOWARDS DIGITAL EXCELLENCE IN DENTISTRY.

PEDATHON - 25
ALUMNI LECTURE SERIES
Guest Lecture Webinar on
Shield for SIB:
A Case Report**

13th June 2025
9:00 - 10:00 AM

Webinar

On 13th June 2025, the Department of Pediatric and Preventive Dentistry, hosted PEDATHON-25, a guest lecture webinar.

Dr. Shijee presented a case report titled “Shield for SIB.” sharing clinical insights and practical approaches to managing self-injurious behavior in pediatric dentistry.

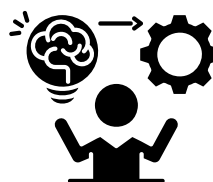

The session was highly informative and appreciated by the attendees.

KEY TAKEAWAYS

Clinical Insights

Evidence-based approaches
to managing SIB

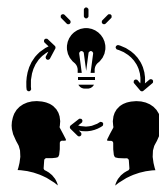

Practical Strategies

Hands-on approaches for
better patient management

Patient-Centered Care

Enhancing safety, comfort, and
treatment outcomes

Knowledge Sharing

An engaging session that
enriched learning and
discussion

**Thank you to Dr. Shijee and all participants for making
PEDATHON-25 a great success!**

Clinical Mastery of Anterior and Posterior Indirect Restorations

The Department of Conservative Dentistry and Endodontics at Sree Balaji Dental College and Hospital successfully organized a Continuing Dental Education (CDE) program and Hands-on workshop titled

“Beyond the Basics: Clinical Mastery of Anterior and Posterior Indirect Restorations” on June 13, 2025, at the SBDCH Auditorium

Speaker

Dr. Subash Sharma

Professor and Head,
Department of Aesthetics,
Saveetha Dental College,
Chennai.

The program featured renowned esthetic dentistry expert, Dr. Subash Sharma. who shared invaluable clinical insights on indirect restorations.

Event Highlights

-  Comprehensive lectures on anterior and posterior indirect restorations
-  Principles of bonding protocols for indirect restorations
-  Live demonstrations and hands-on session on veneer and overlay preparations

The workshop saw enthusiastic participation from students and faculty, offering a perfect blend of theory and practical skills, and reinforcing the department’s commitment to clinical excellence and advanced dental education.

CONTINUING DENTAL EDUCATION PROGRAMMES

"From April to June, Continuing Dental Education programmes strengthened professional knowledge, clinical skills, and awareness of the latest advancements in dental practice."

Online CDE Program on Systematic Review

A comprehensive academic session under the Department of Conservative Dentistry and Endodontics, aimed at enhancing clinical knowledge and presentation skills.

The event featured group presentations, discussions on contemporary endodontic concepts, and evidence-based treatment planning. Notably, students from other colleges also participated, adding to the diversity of ideas and enriching the academic exchange. The program was well-structured and successfully conducted, fostering collaborative learning, critical thinking, and overall academic excellence.

Beyond the White Coat – Leadership Skills for Future Doctors

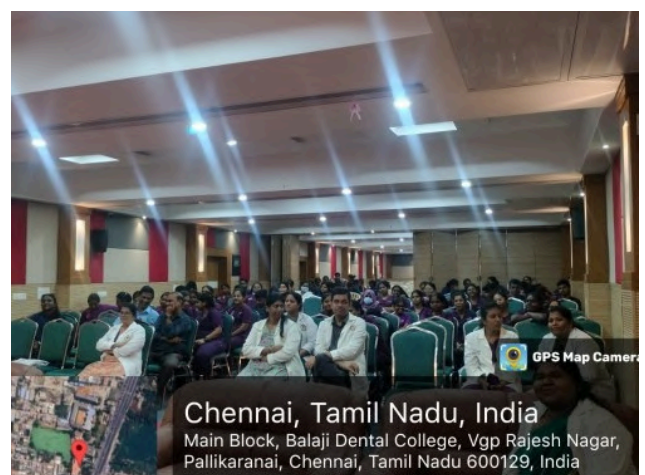

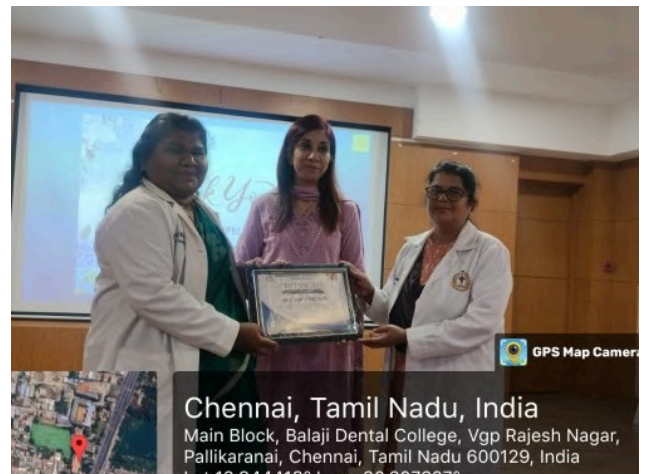

Sree Balaji Dental College and Hospital, under the aegis of the Internal Quality Assurance Cell (IQAC), organized an enriching session titled "Beyond the White Coat – Leadership Skills for Future Doctors." This special program was designed to inspire and empower budding dental professionals by equipping them with essential leadership qualities that transcend clinical expertise.

The session was conducted by Mrs. Vani Pradeep (BA., MBA), a renowned Strategic Author and Transformational Coach, who has been instrumental in nurturing leadership potential among young professionals across various domains. Her insights into strategic leadership and personal development provided valuable guidance to future doctors in shaping their professional journeys with confidence and vision.

The program was held on 11th April, 2025 from 1.30 PM to 2.30 PM at the SBDCH Auditorium. This initiative aligned with IQAC's commitment to holistic student development, ensuring that students were well-prepared to take on leadership roles in their professional and personal lives.

The event was graced by esteemed dignitaries including Dr. J. Srinisha (Chairperson), Er. N. Elamaram (Managing Director), Dr. S. Bhuminathan (Registrar), and Dr. M. S. Kannan (Dean).

All faculty members and students actively participated and benefited from this unique opportunity to enhance their leadership capabilities and broaden their professional outlook.

232nd CSM

The Clinical Society Meeting held on 24th April 2025 at 1:15 PM featured three insightful presentations that captivated the audience with their clinical relevance and research depth.

Dr. Deepika Katyal, Senior Lecturer in the Department of Orthodontics and Dentofacial Orthopedics, presented an in vivo study titled “The effect of topical melatonin gel on oral health and salivary nickel and chromium content of orthodontic patients,” which shed light on the therapeutic potential of melatonin in orthodontic care.

Dr. Deepika Katyal, Senior Lecturer in the Department of Orthodontics and Dentofacial Orthopedics, presented an in vivo study titled “The effect of topical melatonin gel on oral health and salivary nickel and chromium content of orthodontic patients,” which shed light on the therapeutic potential of melatonin in orthodontic care.

Dr. Madhuri DG presented a compelling case report titled “Prosthetic management of palatal defect,” showcasing a practical approach to maxillofacial prosthetic rehabilitation.

The session was marked by academic enthusiasm and active participation, making it a valuable learning experience for all attendees.
