From the Editor

It is with immense pride and gratitude that I present the 2025 edition of the Sree Balaji Dental College & Hospital Newsletter. This publication reflects the dedication, achievements, and vibrant spirit of our institution over the past year.

The year 2025 has been marked by remarkable academic excellence, groundbreaking research, successful conferences, community outreach initiatives, and numerous student accomplishments. Every page of this newsletter showcases the collective efforts of our students, faculty, alumni, and staff, whose commitment continues to strengthen the legacy of our institution.

Beyond celebrating milestones, this newsletter captures the essence of learning, innovation, compassion, and teamwork that define our college. From academic pursuits and clinical excellence to cultural events and social responsibility, each contribution reflects our shared vision of nurturing competent professionals and responsible healthcare providers.

I extend my sincere appreciation to everyone who contributed articles, photographs, and updates, as well as to the editorial team whose dedication made this publication possible. Your enthusiasm and collaborative spirit have brought this edition to life.

As we look ahead, may we continue to strive for excellence, embrace new opportunities, and uphold the values that make Sree Balaji Dental College & Hospital a centre of academic distinction and compassionate patient care.

Happy reading!

DR. ANITHA BALAJI
EDITOR
HOD & PROFESSOR
DEPARTMENT OF PERIODONTICS

Registrar's Message

It gives me immense pleasure to extend my warm greetings to all readers of the 2025 Newsletter of Sree Balaji Dental College & Hospital. This publication stands as a reflection of the institution's unwavering commitment to academic excellence, innovation, research, and community service.

As a constituent institution of Bharath Institute of Higher Education and Research, Sree Balaji Dental College & Hospital has consistently upheld the highest standards in education, clinical training, and professional development. The accomplishments highlighted in this newsletter are a testament to the dedication and perseverance of our students, faculty members, researchers, and support staff.

Education extends beyond classrooms and clinics—it is about nurturing ethical values, critical thinking, leadership, and a lifelong passion for learning. I am delighted to see our students actively participating in academic, research, cultural, and outreach activities, thereby contributing meaningfully to society and the profession.

I congratulate the editorial team for compiling this wonderful edition and appreciate everyone whose efforts have made this publication possible. May this newsletter continue to inspire excellence and strengthen the bonds within our academic community.

I extend my best wishes to all students and faculty for continued success in their future endeavours.

PROF. DR. S. BHUMINATHAN
REGISTRAR

Dean's Message

It is my privilege to present my greetings on the release of the 2025 Newsletter of Sree Balaji Dental College & Hospital. This newsletter is a celebration of our journey, our achievements, and the collective dedication that drives our institution towards excellence.

Over the past year, our college has continued to excel in academics, patient care, research, innovation, and community outreach. The enthusiasm and commitment demonstrated by our students and faculty have resulted in numerous accomplishments that reflect the values and vision of our institution.

At Sree Balaji Dental College & Hospital, we believe that quality education is built upon knowledge, compassion, integrity, and continuous learning. Alongside developing clinical competence, we strive to cultivate future dental professionals who are socially responsible, ethically grounded, and committed to lifelong learning.

I sincerely appreciate the efforts of the editorial committee in documenting the memorable events and milestones of 2025. I also congratulate our students, faculty, and staff for their unwavering dedication in making our institution a centre of excellence.

May this newsletter inspire every reader to continue pursuing knowledge, embracing innovation, and serving society with professionalism and compassion.

I wish the editorial team continued success and extend my heartfelt best wishes to the entire Sree Balaji Dental College & Hospital family.

DR. MS. KANNAN
DEAN

EVENTS

"Events bring together students and faculty, promoting learning, collaboration, engagement, and vibrant academic and extracurricular experiences."

MOrth RCS Glasgow Examinations

Sree Balaji Dental College & Hospital had an exceptional five days hosting the MOrth RCS Glasgow examinations. This remarkable event was made possible by the tireless efforts and unwavering dedication of the examiner team, who set an extraordinary benchmark by conducting 13 hours of continuous examining on Day Two.

We were also delighted to be treated to excellent hospitality, with the renowned master chef from the Accord team ensuring delicious meals throughout the program. The success of the examination was supported by a vast and committed team whose collective effort ensured that every minute was meticulously planned—too many contributors to name, and words hardly suffice to describe their dedication.

Our sincere thanks to Dr. Altaf and Mr. Suraj for seamlessly adjusting their clinical teams to accommodate the examination schedule. The candidates performed commendably, reflecting the high standards set by their trainers—congratulations to all involved.

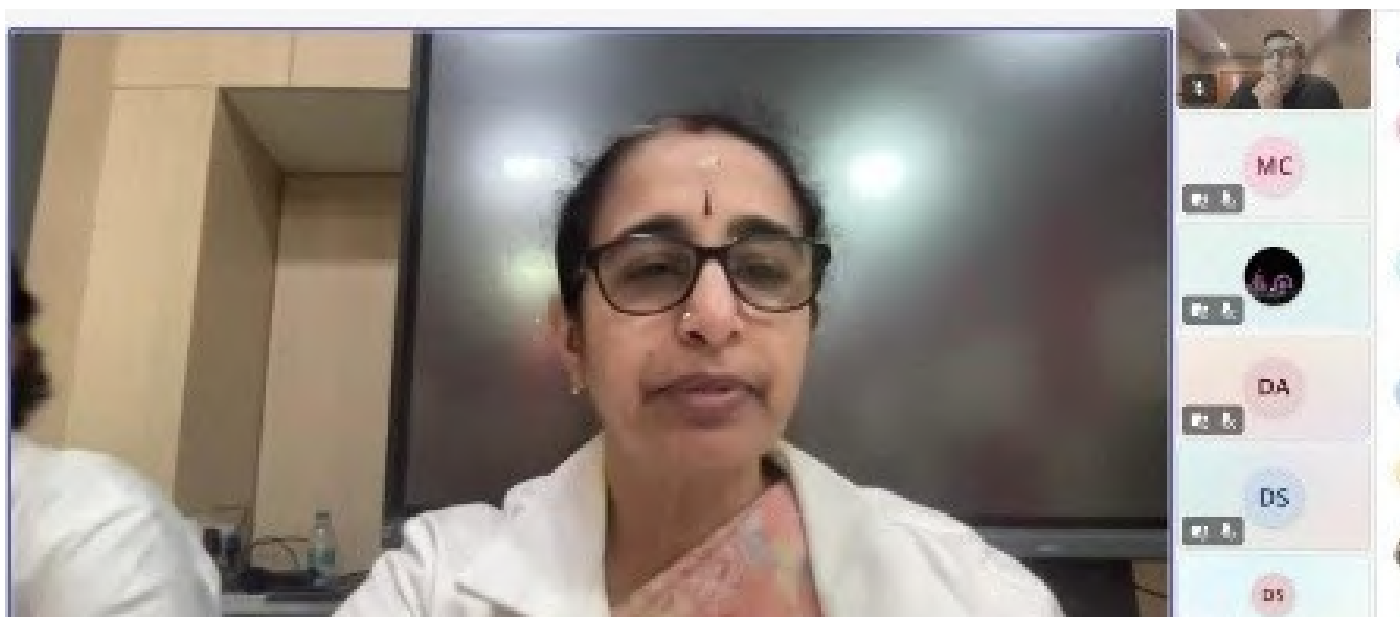

Overall, another milestone successfully completed, and we look forward to hosting the examinations again in March 2026.

International Webinar on Clinico-Pathological Correlations

The International Webinar on “Clinico-Pathological Correlations” was successfully conducted with Prof. Dr. Rajaram Gopalakrishnan, BDS, PhD, Director, Division of Oral and Maxillofacial Pathology, School of Dentistry, University of Minnesota, USA, serving as the Chief Guest. The programme was organized by the Department of Oral Medicine and Radiology under the leadership of Dr. Nalini Aswath.

The webinar was held on 01 November 2025 and provided in-depth insights into the clinical and pathological correlations of oral and maxillofacial diseases. The academic session enhanced interdisciplinary learning, facilitated global knowledge exchange, and offered valuable guidance to students, clinicians, and researchers.

In-Silico Drug Design for Dentistry - A Zero to One in Workshop

The Department of Periodontology and Implantology organized a hands-on workshop on In-Silico Drug Design for Dentists on 19 November 2025 at Sree Balaji Dental College and Hospital, Pallikaranai, under the leadership of Dr. Anitha Balaji, Professor and Head, Department of Periodontology.

The programme featured expert sessions by Dr. Vijay Solomon on the principles and applications of in-silico studies and Dr. Beutlin Malgija on molecular docking, offering participants valuable hands-on exposure to computational tools relevant to dental research.

The workshop concluded with discussion, feedback, and certificate distribution.

Oncorevolution

The webinar was held on 01 November 2025 and provided in-depth insights into the clinical and pathological correlations of oral and maxillofacial diseases. The academic session served as an important platform for enhancing interdisciplinary learning and promoting a deeper understanding of the relationship between clinical findings and pathological conditions.

The program also facilitated global knowledge exchange, bringing valuable academic perspectives and contemporary insights to the participants. It offered meaningful guidance to students, clinicians, and researchers, contributing to their continued learning and professional development.

The session was highly beneficial for both undergraduate and postgraduate students, enriching their understanding of current trends and developments in cancer diagnosis and management. Through the academic discussions, participants gained valuable knowledge that supported their understanding of important concepts and contemporary approaches in the field.

The program concluded with a formal note of appreciation, during which mementos were presented to the guest speakers in recognition of their valuable contributions to the academic session. The entire program was thoughtfully organized under the leadership of Dr. N. Aravindha Babu, Professor, whose guidance contributed to the successful conduct of the webinar and its meaningful academic outcome.

Idea to Impact 2025

Dr. Sumathi Jones, Professor and Head, Department of Pharmacology, Sree Balaji Dental College and Hospital, contributed significantly to the successful organization of Idea to Impact 2025, organized by the Innovation & Incubation Centre for Health Sciences & Research and Development Wing at Sree Balaji Medical College and Hospital, in collaboration with the Tamil Nadu State Council for Science and Technology and the Technology, Innovation, Forecasting and Assessment Council, Government of India.

Through her academic leadership and continued commitment to research and innovation, Dr. Sumathi Jones played an important role in supporting the conference's vision of translating scientific ideas into meaningful, impactful, and patent-worthy solutions. Her contribution reflected the importance of encouraging innovative thinking and promoting research that has the potential to address contemporary challenges in healthcare.

Her guidance and mentorship helped foster interdisciplinary collaboration and active student participation, creating opportunities for participants to engage with innovative concepts and explore the practical potential of their scientific ideas. The initiative also encouraged the exchange of knowledge and perspectives among individuals from different academic and research backgrounds.

By supporting the objectives of Idea to Impact 2025, Dr. Sumathi Jones contributed to strengthening the culture of research, innovation, and entrepreneurship in healthcare. Her involvement further highlighted the importance of academic mentorship in guiding students and researchers towards transforming innovative concepts into practical and meaningful outcomes.

Her contribution to the conference reflects her sustained dedication to academic excellence, research advancement, and the promotion of innovation-driven solutions. The event served as an important platform for encouraging scientific creativity, collaboration, and the development of impactful ideas with potential relevance to healthcare and society.

Auricular Prosthesis

The Department of Prosthodontics and Crown & Bridge conducted a two-day programme on Auricular Prosthesis Fabrication in collaboration with Sri Ramachandra Dental College and Hospital. The programme provided an important academic and clinical platform focused on the rehabilitation of patients with auricular defects.

The programme featured expert mentorship by Dr. Kasim Mohamed, Dr. Uma Maheshwari, and Dr. K. S. Maheshwaran, who shared their valuable expertise and clinical experiences in the field of auricular rehabilitation. Their guidance offered participants meaningful insights into the principles and approaches involved in the fabrication of auricular prostheses.

The collaborative programme contributed to enhancing academic learning and clinical understanding among the participants. It also highlighted the importance of specialized prosthodontic rehabilitation in improving patient care and restoring function and appearance. The initiative reflected the department's continued commitment to advanced clinical learning, professional development, and collaborative academic engagement.

Oral health and oral cancer screening camp – SIDCO

On 22nd December 2025, postgraduate students from the Department of Oral and Maxillofacial Pathology & Oral Microbiology, in collaboration with COCPAR – Centre for Oral Cancer Prevention, Awareness and Research and the Rotary Club, conducted an oral health and oral cancer screening camp for employees of the SIDCO Industrial Estate at Thirumazhisai.

The camp was organized with the objective of promoting oral health awareness and emphasizing the importance of the early detection and prevention of oral cancer. A total of 150 individuals were screened during the programme. Oral examinations were performed as part of general oral health screening, along with targeted screening for the identification of possible oral cancer-related conditions.

Swab samples were collected from suspicious cases for further evaluation, ensuring that individuals requiring additional assessment could be identified. The initiative provided an important opportunity to create awareness regarding regular oral examinations and the importance of recognizing suspicious oral conditions at an early stage.

The camp strongly emphasized the significance of early detection, awareness, and prevention of oral cancer. This community-based initiative reflected the commitment of the postgraduate students and collaborating organizations towards preventive healthcare, public awareness, and promoting better oral health within the community.

Rotaract Installation Ceremony

On 20 November 2025, Sree Balaji Dental College & Hospital hosted the Rotaract Installation Ceremony at its campus, marking an important milestone in student leadership and community service initiatives.

The event celebrated the formal installation of the new Rotaract office bearers for the academic year and highlighted the spirit of social responsibility among students.

Distinguished guests, faculty members, and student representatives graced the occasion and addressed the gathering, emphasizing leadership, teamwork, and service to society.

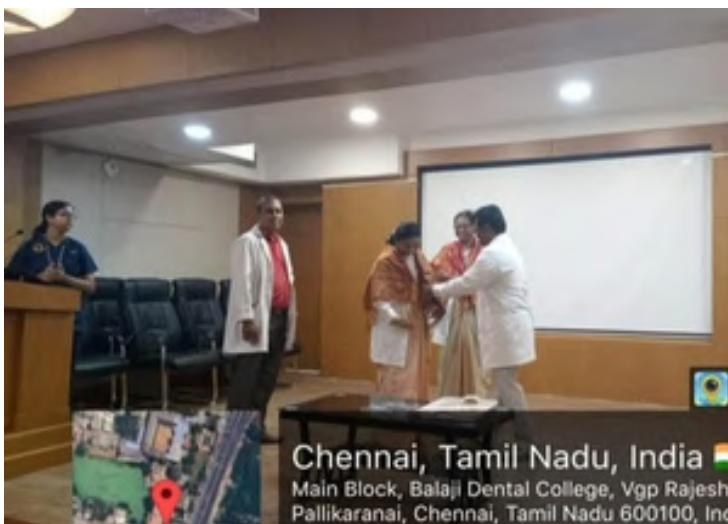

The newly elected office bearers took their oath of office and outlined their vision and plans for upcoming community outreach, healthcare awareness, and social service programmes.

The ceremony fostered a sense of unity and purpose among students while encouraging active participation in community development activities.

The event reinforced the institution's commitment to nurturing leadership qualities, ethical values, and civic engagement among future dental professionals dedicated to serving society.

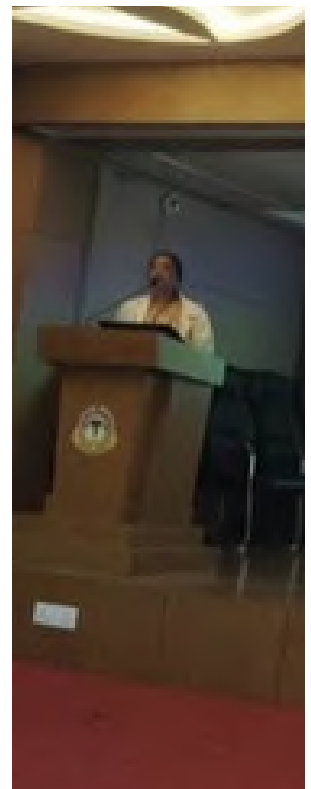

IPRIC Expert Talk Series – From Idea to Empire, IPR Essentials for the Modern Dentist & Crown Your Creation

Professor Dr. Sumathi Jones, Department of Pharmacology, Sree Balaji Dental College & Hospital (SBDCH), organized the IPRIC Expert Talk Series on 15th October 2025 to create awareness about intellectual property rights, innovation, and entrepreneurship in healthcare and dentistry. The event featured three insightful sessions: "From Idea to Empire," "IPR Essentials for the Modern Dentist," and "Crown Your Creation."

The program was coordinated by Dr. Sumathi Jones, Department of Pharmacology, SBDCH, with the esteemed presence of Dr. M. S. Kannan, Dean, SBDCH, and Dr. Mahalakshmi, Professor and Head, Department of Microbiology, SBDCH. The expert talks emphasized the importance of protecting innovative ideas, understanding intellectual property regulations, fostering research commercialization, and encouraging entrepreneurial thinking among students and faculty.

The sessions inspired participants to transform research ideas into impactful innovations while highlighting the significance of patents, copyrights, and intellectual property in advancing modern dental education, clinical practice, and healthcare research.

PRESTIGIOUS ACADEMIC ORATIONS

"Prestigious academic orations feature eminent speakers sharing knowledge, inspiring innovation, and advancing excellence in dental education."

**Prof. Dr. M. S. Kannan, Head of the Institution, Professor and Head,
Department of Orthodontics was invited to deliver the prestigious
Ormco Oration at the 59th Indian Orthodontic Conference 2025, held at
Visakhapatnam (Vizag).**

This distinguished invitation reflects his significant contributions to the field of Orthodontics, academic leadership and clinical excellence. His oration was well received by the national and international delegates and highlighted his extensive experience, scholarly insight and commitment to advancing orthodontic practice.

Prof. Dr. M. S. Kannan, Head of the Institution, Professor and Head, Department of Orthodontics was invited to deliver the prestigious “Dr. Chitrambalam’s Oration” at the 38th Tamil Nadu IDA State Dental Conference held at Yelagiri. This esteemed invitation stands as a recognition of his outstanding contributions to the field of Orthodontics, academic leadership and commitment to professional excellence. His address was well received by the delegates and reflected his extensive experience and scholarly expertise.

Prof. Dr. N. Aravindha Babu, Professor & Head, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was a **special invitee at a book release event** held at the Anna Centenary Library, Kotturpuram, Chennai. The event served as a significant occasion celebrating academic achievement, knowledge sharing, and contributions to the field of education. Recognizing his outstanding contributions to academia and his continued commitment to enriching educational resources, **Prof. Dr. N. Aravindha Babu was honoured by the Tamil Nadu Health Minister, Ma. Subramanian, for contributing 64 textbooks to the library.**

This recognition highlighted his valuable contribution towards strengthening access to academic knowledge and supporting the learning needs of students, researchers, and readers. His participation in the event and the honour bestowed upon him reflect his dedication to education, scholarship, and the advancement of academic excellence. The occasion marked a proud moment, acknowledging his meaningful contribution to the academic community and his commitment to promoting knowledge for the benefit of future generations.

Prof. Dr. N. Aravindha Babu, Professor & Head, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was nominated for **“Oral Pathology and Oral Biology Experts Award”** organized by Saveetha Dental College and Hospital and was honored as **“Exceptional Writing in Oral Pathology”** highlighting his remarkable contributions to the field of Oral Pathology.

Prof. Dr. N. Aravindha Babu, Professor & Head, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was invited to serve as an **External Examiner** for the **PhD Viva Voce examinations of doctoral scholars** at **Saveetha Dental College and Hospital** as well as **Meenakshi Ammal Dental College and Hospital**, in recognition of his expertise and scholarly excellence in the field.

His appointment as an External Examiner reflects the confidence placed in his academic knowledge, professional experience, and specialized expertise in Oral and Maxillofacial Pathology and Oral Microbiology. As part of the PhD Viva Voce examinations, he contributed to the comprehensive evaluation of doctoral research scholars, assessing the quality, scientific relevance, research methodology, and academic merit of their scholarly work.

His involvement in these examinations also highlights the importance of academic collaboration and the role of experienced faculty members in maintaining high standards of doctoral education and research. The opportunity to serve as an External Examiner at these reputed dental institutions stands as a recognition of his continued contributions to teaching, research, and academic excellence. Such professional engagements further strengthen scholarly exchange and reinforce the commitment towards promoting quality research, rigorous academic evaluation, and the advancement of knowledge in the field of dental sciences.

INDIAN ASSOCIATION OF ORAL &
MAXILLOFACIAL PATHOLOGISTS

Dr S. Leena Sankari

Executive Committee Member

Prof. Dr. S. Leena Sankari, Professor from the Department of Oral and Maxillofacial Pathology & Oral Microbiology, has been elected as an **Executive Committee Member of the IAOMP (Indian Association of Oral & Maxillofacial Pathologists)** for the **Second Consecutive Term (2024-2026)**.

This significant achievement reflects the confidence and recognition she has earned from the professional fraternity through her continued contributions to the field of Oral and Maxillofacial Pathology. Her re-election for a second consecutive term is a testament to her professional commitment, academic excellence, and active involvement in the advancement of the specialty.

As an Executive Committee Member, she will continue to contribute to the initiatives and activities of the association, supporting its efforts towards professional development, academic growth, and the advancement of Oral and Maxillofacial Pathology. This recognition marks a proud achievement and highlights her continued dedication to the profession and the academic community.

Prof. Dr. S. Leena Sankari, Professor, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was invited in recognition of her academic expertise to serve as an **Indian Examiner** for the **PhD viva voce at Dr. M.G.R. Educational and Research Institute**.

This prestigious academic responsibility reflects the recognition of her expertise, professional knowledge, and scholarly contributions in the field. As an Indian Examiner, she participated in the evaluation of doctoral research and contributed to the rigorous academic assessment of the PhD scholar's work. Her involvement in the viva voce examination highlights the importance of experienced academicians in maintaining high standards of research, evaluation, and doctoral education.

The invitation stands as a testament to her continued commitment to academic excellence and her contribution to the advancement of research and higher education. Such professional engagements also strengthen academic collaboration between institutions and promote the exchange of knowledge and expertise within the academic community. This recognition marks another significant professional achievement and reflects her dedicated contribution to the field of Oral and Maxillofacial Pathology.

Prof. Dr. S. Leena Sankari, Professor, Department of Oral and Maxillofacial Pathology & Oral Microbiology, has been assigned as the **National IAOMP CDE and Webinar Coordinator**, highlighting her continued dedication, professional commitment, and leadership in the field.

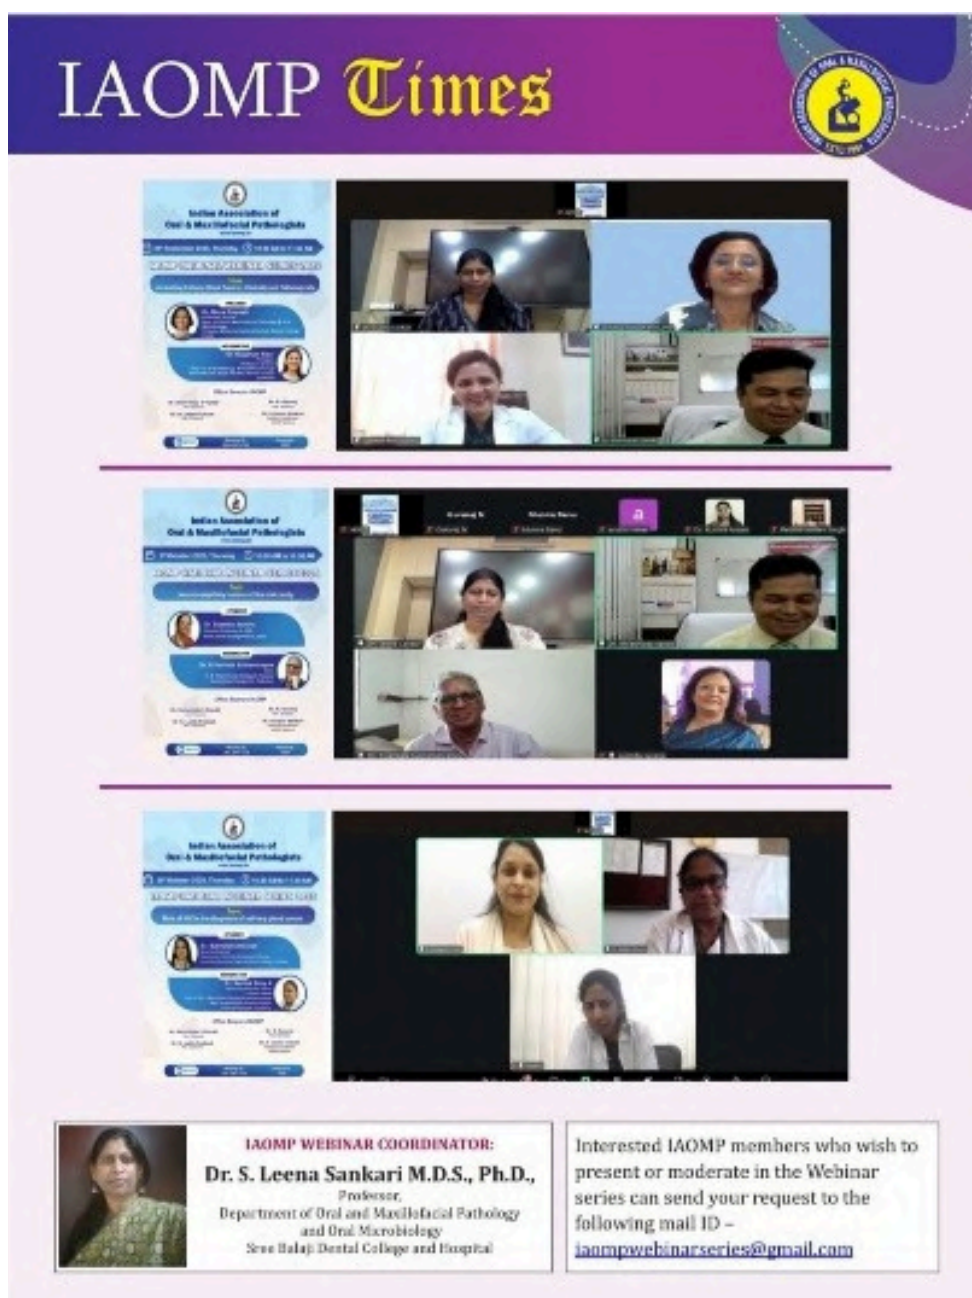

This significant responsibility reflects the confidence placed in her expertise and her active involvement in advancing academic and professional learning initiatives.

In her role as the National Coordinator, she will contribute to the planning and coordination of **Continuing Dental Education (CDE) programmes and webinar initiatives**, supporting knowledge sharing and professional development among members of the speciality.

Her efforts will further strengthen opportunities for academic interaction and the dissemination of contemporary knowledge in the field of Oral and Maxillofacial Pathology.

Prof. Dr. S. Leena Sankari was also featured in **IAOMP Times** in recognition of her exemplary contributions as the **Coordinator of the IAOMP webinar series**. This recognition acknowledges her valuable role in successfully coordinating academic sessions and facilitating meaningful learning platforms for the professional community.

These achievements reflect her sustained commitment to academic excellence, professional development, and leadership, while further highlighting her significant contributions to the advancement of the specialty and the wider academic community.

IAOMP Times

Indian Association of Oral & Maxillofacial Pathologists

IAOMP WEBINAR COORDINATOR:
Dr. S. Leena Sankari M.D.S., Ph.D.,
Professor,
Department of Oral and Maxillofacial Pathology
and Oral Microbiology
Sree Balaji Dental College and Hospital

Interested IAOMP members who wish to present or moderate in the Webinar series can send your request to the following mail ID – iaompwebinarseries@gmail.com

Prof. Dr. S. Leena Sankari, Professor, Department of Oral and Maxillofacial Pathology & Oral Microbiology, delivered **Scientific presentation at 32nd National Conference of Indian Association of Oral & Maxillofacial Pathologists (IAOMP) at Ghaziabad.**

Her participation in this prestigious national conference provided an important platform to share scientific knowledge and contribute to meaningful academic discussions within the field of Oral and Maxillofacial Pathology. The presentation reflected her continued involvement in academic and professional activities and her commitment to the advancement of scientific learning and research.

The conference brought together experts, academicians, researchers, and professionals from across the country, creating opportunities for knowledge exchange and discussion on contemporary developments in the specialty. Through her scientific presentation, Prof. Dr. S. Leena Sankari contributed to the academic deliberations and shared her expertise with the professional community.

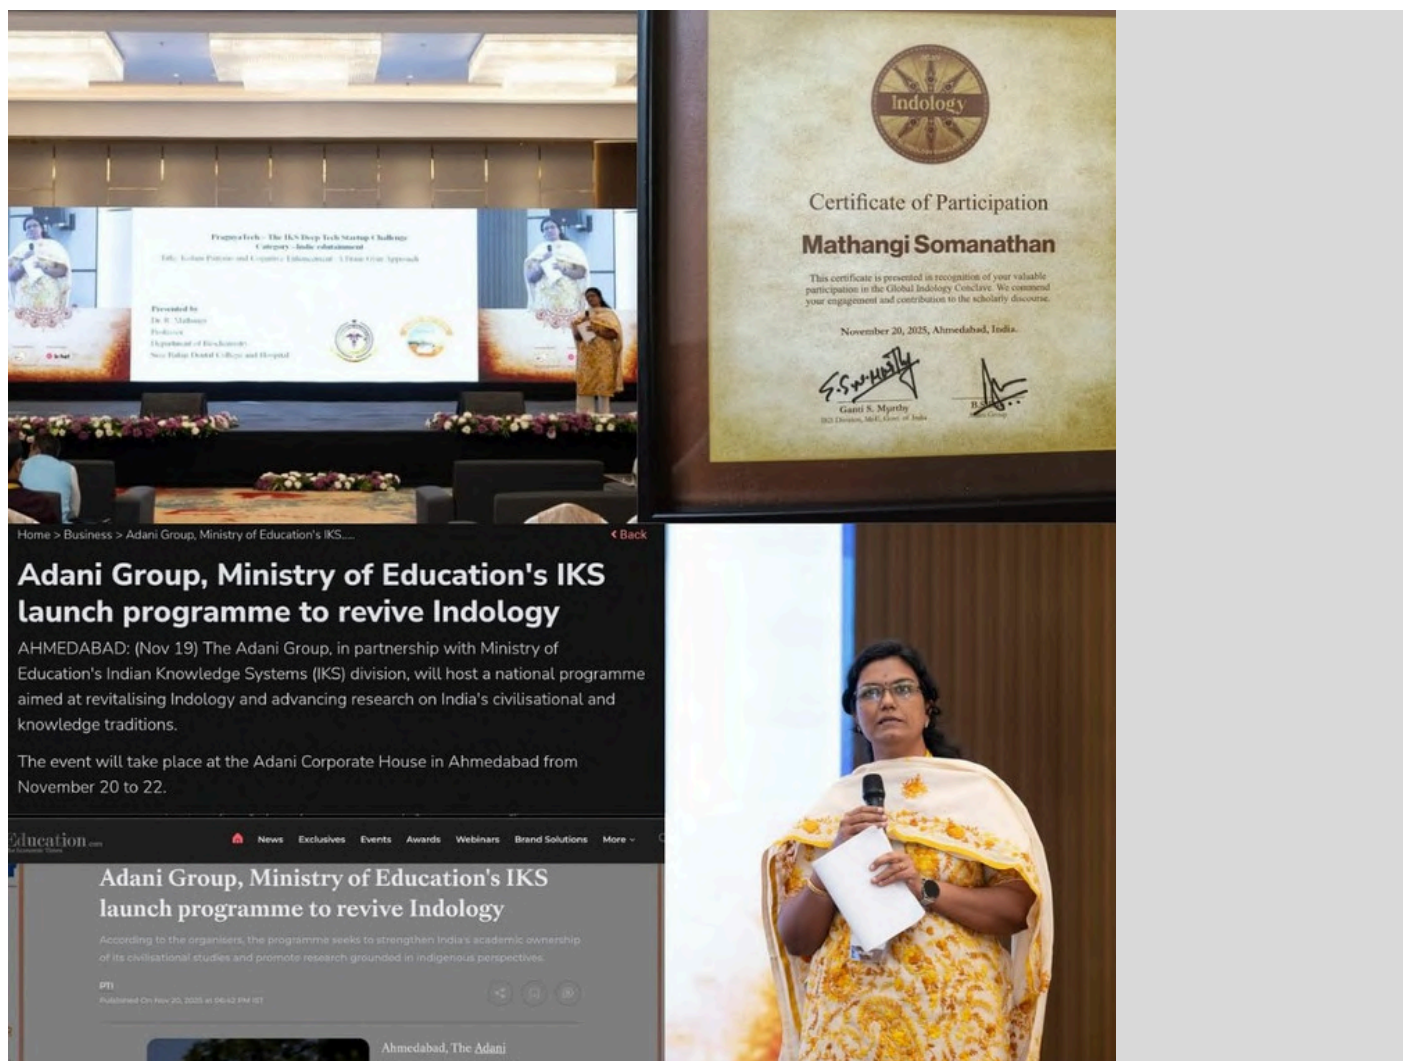

Her participation at this national-level platform highlights her dedication to academic excellence, professional development, and the continuous advancement of knowledge in the field of Oral and Maxillofacial Pathology. This achievement further reflects her active contribution to the specialty and her commitment to promoting scientific learning and scholarly engagement.

Prof. Dr. Mathangi Somanathan, Professor, Department of Biochemistry, has been shortlisted for the prestigious Pragna Tech Competition at the **Adani Indology Conclave and organized in partnership with the Indian Knowledge Systems (IKS) Division, Ministry of Education, Government of India.**

The event provided a significant platform for showcasing innovative and scholarly contributions from participants across the country, bringing together individuals with diverse academic interests and interdisciplinary perspectives. Her selection for this prestigious competition reflects the recognition of her academic contributions and her continued engagement with innovative initiatives.

The shortlisting also highlights her sustained commitment to **interdisciplinary innovation and academic excellence**, demonstrating the importance of integrating diverse areas of knowledge and research. Such opportunities encourage meaningful academic engagement and provide a platform for the exchange of ideas, innovation, and scholarly perspectives.

This achievement marks an important recognition of Prof. Dr. Mathangi Somanathan's dedication to academic pursuits and innovative thinking. Her selection for the Pragna Tech Competition further reflects her commitment to contributing to scholarly initiatives and represents a proud moment for the Department of Biochemistry and the academic community.

Dr. N. P. Prabu was awarded the **International Fellowship in Facial Aesthetics** by the **Institute of Medical & Surgical Aesthetics & Trichology (IMSAT)** in recognition of his commitment to professional learning and advancement in the field of facial aesthetics.

The fellowship represents a significant professional achievement and reflects his dedication to acquiring advanced knowledge and expertise in contemporary aesthetic practices. Such specialized training and academic recognition contribute to the continuous development of clinical skills and promote the adoption of updated approaches in patient care.

The achievement also highlights the importance of lifelong learning and professional development in the rapidly evolving field of healthcare and aesthetics. By participating in advanced academic and professional initiatives, Dr. Prabu continues to strengthen his expertise and expand his knowledge in specialized areas of practice.

This recognition marks a proud milestone in his professional journey and reflects his commitment to academic excellence, skill enhancement, and the continuous pursuit of excellence in the field of facial aesthetics.

She was **shortlisted for the prestigious Pragna Tech Competition at the Adani Indology Conclave**, organized in partnership with the **Indian Knowledge Systems (IKS) Division, Ministry of Education, Government of India**. The event, held from **20th to 22nd November 2025**, brought together promising contributions and innovative ideas from participants across the country.

Her selection for this prestigious competition reflects the recognition of her commitment to **interdisciplinary innovation and academic excellence**. The platform provided an important opportunity to showcase scholarly and innovative contributions while encouraging the exchange of ideas across diverse fields of knowledge.

The Pragna Tech Competition highlighted the importance of innovation and the integration of knowledge across disciplines, creating a meaningful environment for academic engagement and intellectual exploration.

Her participation and selection stand as a testament to her continued dedication towards research, innovation, and scholarly development.

This achievement also reflects her commitment to pursuing excellence through interdisciplinary approaches and contributing meaningfully to academic and innovative initiatives.

The recognition at this national platform marks a proud milestone and further highlights her sustained focus on academic growth, innovation, and professional development.

Dr. R. Savitha Lakshmi, Assistant Professor, Department of Oral and Maxillofacial Surgery, presented her research at **Innobiodent 4.0, an International Virtual Conference**, and was awarded **First Prize** for her exceptional contribution.

This significant achievement reflects her academic excellence, research capability, and commitment to advancing knowledge in the field of Oral and Maxillofacial Surgery. Her research presentation provided an important platform to share innovative ideas and scholarly work with an international academic audience.

Receiving the **First Prize** is a recognition of the quality and relevance of her research contribution and highlights her dedication to innovative research and continuous academic development. Such achievements encourage the pursuit of scientific inquiry and contribute to the exchange of knowledge within the professional community.

This recognition marks a proud milestone in her academic journey and further reflects her commitment to excellence in research, teaching, and professional advancement. Her achievement at Innobiodent 4.0 serves as an inspiration for continued scholarly engagement and innovation in the field of Oral and Maxillofacial Surgery.

The **Department of Pharmacology, Sree Balaji Dental College & Hospital (SBDCH)**, actively participated in ZealDent 2025 on 10th October 2025.

The event served as a dynamic platform for students and faculty to showcase their academic talents, research aptitude, and innovative ideas through a variety of scientific and professional activities.

Participants engaged in paper and poster presentations, quizzes, scientific competitions, and interactive sessions that promoted evidence-based learning and interdisciplinary collaboration.

The event encouraged critical thinking, effective communication, and the exchange of knowledge among budding dental professionals and academicians.

ZealDent 2025 provided an excellent opportunity for the Department of Pharmacology to strengthen academic engagement, foster innovation, and motivate students to pursue excellence in research and professional development.

The event reflected SBDCH's commitment to nurturing future healthcare professionals through continuous learning, scientific inquiry, and collaborative academic experiences.

DISTINGUISHED ROLE IN SCIENTIFIC SESSION CHAIRMANSHIP

"Distinguished role in scientific session chairmanship highlights leadership, expertise, guidance, and contribution to academic excellence and discussions."

Prof. Dr. Anitha Balaji, Professor and Head, Department of Periodontics, served as the **Chairperson** for the Scientific Session at the **38th IDA Tamil Nadu State Dental Conference held at Yelagiri**, organized by the IDA Tamil Nadu State Branch.

She effectively presided over the session, overseeing scientific presentations and ensuring the smooth and orderly conduct of the proceedings.

Her role reflected her strong leadership, scholarly expertise, and active contribution to the academic deliberations of the conference. Through her effective guidance and professional commitment,

she contributed to maintaining high academic standards throughout the session, further exemplifying her unwavering dedication to advancing professional knowledge and academic excellence in the field of dentistry.

Prof. Dr. L. Malathi, Professor, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was presented with a **Certificate of Appreciation and a memento** in recognition of her valuable contribution as the **Chairperson of a Scientific Session** for poster and paper presentations in **“Oral Pathology” at MIDAS 2025 - Tamil Nadu State Students Conference.**

Her role involved effectively chairing the session and overseeing the academic presentations, contributing to the smooth conduct of the proceedings.

This recognition reflects her scholarly expertise, professional commitment, and continued contribution to academic excellence in the field of Oral Pathology.

Prof. Dr. R. Jayasrikrupaa, Professor, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was honored with a **Certificate of Appreciation and a memento** in recognition of her valuable contribution as the **Chairperson of a session for poster and paper presentations** under the theme **“Recent Advances in Dentistry”** at **MIDAS 2025 - Tamil Nadu State Students Conference**.

She effectively guided and oversaw the academic presentations, contributing to the smooth conduct of the scientific session.

This recognition reflects her scholarly expertise, professional commitment, and continued contribution to academic excellence, while highlighting her dedication to encouraging scientific learning and knowledge sharing among students and the wider dental academic community.

Dr. N. Anitha, Associate Professor, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was felicitated with a **Certificate of Appreciation and a memento** in recognition of her valuable contribution as the **Chairperson of a session for poster and paper presentations** in “**Oral Pathology**” at **MIDAS 2025 - Tamil Nadu State Students Conference**.

She effectively chaired and guided the academic session, contributing to the smooth conduct of the scientific presentations.

This recognition reflects her scholarly expertise, professional commitment, and continued contribution to academic excellence, while highlighting her dedication to promoting scientific learning, knowledge sharing, and academic engagement among students and the wider dental community.

DR. SAJID T. HUSSAIN

Dr. Sajid T. Hussain, Associate Professor, Department of Periodontics, was honoured by the **Indian Dental Association – Madras Branch** in recognition of his valuable contribution to the academic proceedings of **MIDAS 2025 – Tamil Nadu State Students Conference**.

He served as the **Chairperson of a Scientific Session**, effectively guiding the session and overseeing the scientific presentations.

His role contributed to the smooth and systematic conduct of the academic proceedings. This recognition reflects his professional expertise, academic commitment, and continued contribution to promoting scientific learning, knowledge sharing, and excellence among students and the wider dental academic community.

Dr. C. Ramya, Assistant Professor, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was felicitated with a **Certificate of Appreciation and a memento** in recognition of her valuable contribution as the **Chairperson of a session on “Recent Advances in Dentistry” at MIDAS 2025 – Tamil Nadu State Students Conference.**

She effectively chaired and guided the scientific session, contributing to the smooth conduct of the academic presentations and discussions.

This recognition reflects her professional expertise, academic commitment, and continued contribution to promoting scientific learning and knowledge sharing. It also highlights her dedication to encouraging academic excellence and meaningful engagement among students and the wider dental community.

Dr. U.R.K. Madhumitha has been honored by the Raaba Book of World Records on 17th October 2025 for achieving the World Record Title for the Highest Number of Autogenous Soft-Tissue Graft Harvestments and Clinical Applications as a Postgraduate Milestone in Periodontology.

This remarkable accomplishment highlights her clinical excellence, dedication to advanced periodontal surgical procedures, and commitment to enhancing soft-tissue management in contemporary practice.

The recognition stands as a proud milestone for the Department of Periodontology and the institution.

Dr. Manju Krishnan has been honored by the Raaba Book of World Records on 17th October 2025 for achieving the World Record Title for the Treatment of the Highest Number of Lingual Gingival Recession Cases – The Rarest Mucogingival Condition Successfully Managed in Postgraduate Periodontology.

This remarkable accomplishment highlights her clinical excellence, dedication to advanced periodontal therapy, and commitment to managing complex mucogingival conditions.

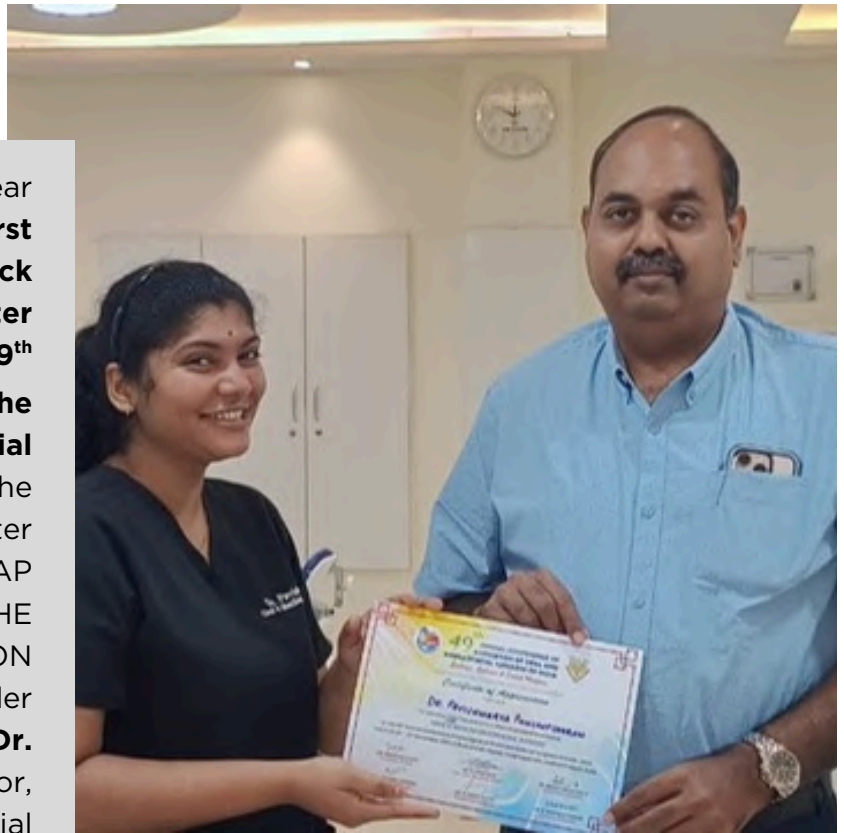

The recognition stands as a proud milestone for the Department of Periodontology and the institution.

STUDENT AWARDS

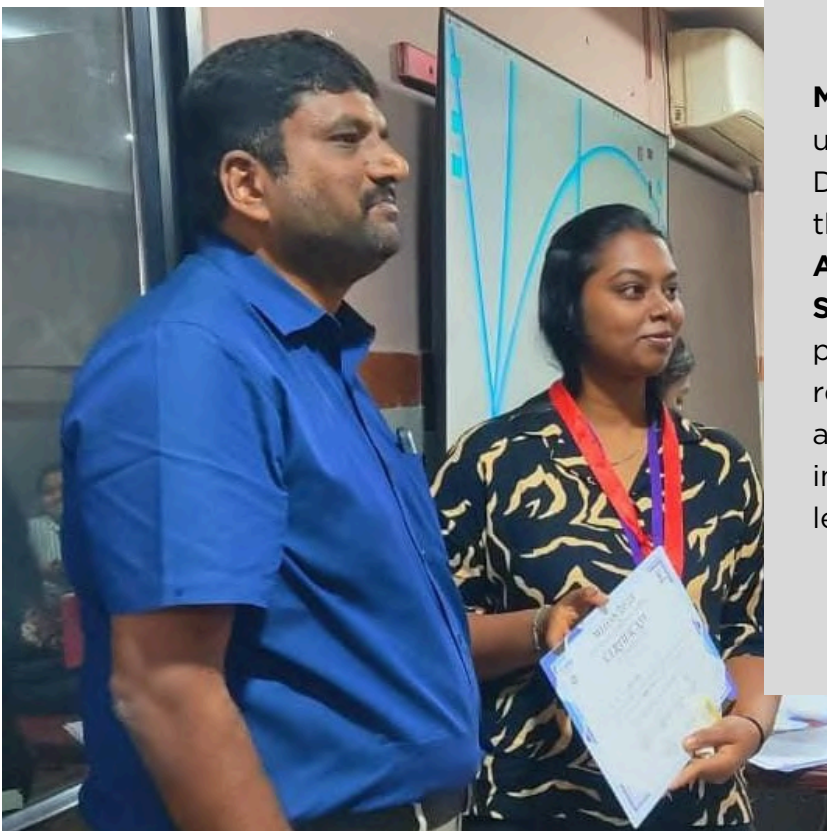

"Student awards recognize achievements, motivate excellence, and encourage dedication, leadership, and continuous improvement in academics and activities."

Dr. Pavishwarya P, a second-year postgraduate trainee, secured **First Place** in the **Head and Neck Reconstruction (Poster Presentation)** category at the **49th Annual Conference of the Association of Oral and Maxillofacial Surgeons of India (AOMSI)**. She received the award for her poster titled “**NASOLABIAL FLAP RECONSTRUCTION IN THE MANAGEMENT OF POST-RADIATION FIBROSIS-INDUCED TRISMUS**,” under the **guidance of Prof. Dr. Balakrishnan R**, Professor, Department of Oral and Maxillofacial Surgery.

Ms. Christina J, a Final Year undergraduate student from the Department of Pedodontics, received the prestigious “**Overall Best Paper Award**” at **MIDAS 2025 - Tamil Nadu State Students Conference** for her paper titled “**Tooth-Brain Axis**.” This remarkable achievement reflects her academic excellence, research interest, and dedication to scholarly learning.

Our postgraduate students from the Department of Periodontics showcased exceptional academic talent at the **38th Tamil Nadu IDA State Dental Conference 2025**, organized by the Indian Dental Association at AGS Holiday Resorts, Yelagiri-Tirupathur. The department submitted 11 paper presentations and secured an impressive **7 prizes**. Among **second-year students**, **Dr. Vasanthakumar T won First Prize**, **Dr. Mouniha Sameera secured Second Prize**, and **Dr. Mahashwetha A won Third Prize**. In the first year, **Dr. Pratheebha C won First Prize** and **Dr. Anumithra S and Dr. Aruthravarthni both achieved Second Prize**. Among third-year students, **Dr. Madhumitha U.R.K won Third Prize**.

At MIDAS 2025 - Tamil Nadu State Students Conference, undergraduate students delivered an exceptional performance in the Scientific Stream and were adjudged **Overall Runner-Up**. The students demonstrated remarkable academic excellence by securing a total of **125 awards** across various categories in the Scientific Presentation segment. In addition to this impressive achievement, **eight papers** were honoured with **the prestigious Best Overall recognition**, reflecting the high quality of research, innovation and presentation skills exhibited by the participants. This outstanding accomplishment underscores the institution's strong academic foundation, commitment to research culture and sustained excellence in undergraduate education.

Undergraduate students secured First Place in the Scientific Presentation at MIDAS 2025 – Tamil Nadu State Students Conference. Intern awardees were Ms. Prathiksha (Pedodontics), Ms. Keerthana (Orthodontics), Ms. Sharon (Endodontics), Ms. Chandini (Orthodontics), Ms. Nandini (Pedodontics) and Ms. Rupasree (Oral and Maxillofacial Surgery). Final Year students were Ms. Christina J (Pedodontics), Ms. Ponni (Oral and Maxillofacial Surgery), Mr. Aswin (Public Health Dentistry), Ms. Keerthana A (Endodontics) and Ms. Vishnupriyadharshini (Recent Trends). Third Year awardees were Ms. Supraja and Ms. Sivapriya (Recent Trends), Ms. Kavipriya (Orthodontics), Ms. Devathai (Public Health Dentistry), Ms. Ashmitha (Oral Medicine and Radiology), Ms. Sivaranjani (Prosthodontics), Ms. Samyuktha (Endodontics), Ms. Bian Sara (Public Health Dentistry), Ms. Vijaya Ragavi (Forensic Odontology) and Ms. Rizwana (Periodontology). Second Year students were Ms. Aamina (Public Health Dentistry), Mr. Subramanian (Endodontics), Ms. Yashawini (Public Health Dentistry), Ms. R. Aishwarya (Recent Trends), Mr. Daniel (Oral and Maxillofacial Surgery), Ms. Farah (Dental Materials) and Ms. Anagha Sri (Prosthodontics). The First Year awardees were Ms. Fareedha and Ms. Aswini (Forensic Odontology).

Undergraduate students secured Second Prize in the Scientific Presentation at MIDAS 2025 – Tamil Nadu State Students Conference. Intern awardees were Ms. Akshaya (Pedodontics), Ms. Thusara (Recent Trends), Ms. Shrivarsha (Orthodontics), Ms. Priyadarshini (Oral Medicine and Radiology), Ms. Mahalakshmi B. (Periodontology), Ms. Rathika (Endodontics) and Ms. Sivadharini (Prosthodontics). Final Year awardees were Ms. Sakshi (Oral Medicine and Radiology), Ms. Gnanamathy (Orthodontics), Ms. Madhumitha (Prosthodontics), Ms. Dhakshinya Sree (Oral and Maxillofacial Surgery), Ms. Rishivarshini (Pedodontics), Ms. Vinisha (Oral and Maxillofacial Surgery), Ms. Hemadevi (Orthodontics), Ms. Ummu Saabira (Oral and Maxillofacial Surgery), Ms. Nivedhitha (Prosthodontics), Ms. Prabavathi (Oral and Maxillofacial Surgery), Ms. Bhavishna (Oral and Maxillofacial Surgery), Ms. Janya (Periodontology) and Ms. Shivani (Pedodontics). Third Year awardees were Ms. Pooja Tejeswi (Endodontics), Ms. Prithika E (Endodontics), Ms. Dharsene (Recent Trends), Ms. Afrah (Oral Medicine and Radiology), Ms. Sara Sulthana (Oral and Maxillofacial Surgery), Ms. Samyuktha B (Forensic Odontology), Ms. Yashika and Ms. Karunya (Orthodontics) and Mr. Athul Nambiyar (Pedodontics). Second Year awardees were Ms. Srinidhi (Endodontics), Ms. Aishwarya Ponalagappan (Public Health Dentistry), Ms. Tharini Senthil (Endodontics), Ms. Janani Sri (Dental Materials), Ms. Sunantha (Endodontics), Ms. Reena M (Recent Trends), Mr. Rahul Ram (Dental Materials), Ms. Briendal Monica (Endodontics), Ms. Helen Jency (Dental Materials), Ms. Aarya (Public Health Dentistry), Ms. Kanishka (Dental Materials), Ms. Alvina (Public Health Dentistry), Ms. Mahalakshmi G. (Prosthodontics), Ms. Shivani (Recent Trends). First Year awardees were Ms. Manju (Endodontics), Ms. Sivaani (Public Health Dentistry), Ms. Deepta Shri (Recent Trends), Mr. Sahidul and Ms. Nadasree (Endodontics), Mr. Jothi Priyan and Ms. Harini Caarthick (Recent Trends) and Ms. Ridhi and Mr. Akshat (Recent Trends).

Undergraduate students secured Third Prize in the Scientific Presentation at MIDAS 2025 – Tamil Nadu State Students Conference. Intern awardees included Ms. Riyana (Endodontics), Ms. Swetha A (Public Health Dentistry), Ms. Jeyasowndharya (Recent Trends), Ms. Snehaa G. (Endodontics), Ms. Sujitha (Oral Medicine and Radiology), Ms. Angel (Pedodontics), Ms. Abhinaya (Oral Medicine and Radiology) and Ms. Heera (Oral and Maxillofacial Surgery). Final Year awardees were Ms. Sruthi T (Endodontics), Mr. Balamurugan (Periodontology), Ms. Samyuktha C.N (Public Health Dentistry), Ms. Harini A (Orthodontics), Ms. Rithika (Public Health Dentistry), Ms. Harshitha (Orthodontics), Ms. Kadheeja (Endodontics), Ms. Samyuktha M.V.K (Pedodontics), Ms. Maniratnam (Prosthodontics), Ms. Dinisha Kavishri (Pedodontics) and Mr. Arunodaya Selvam (Oral Medicine and Radiology). Third Year awardees were Ms. Ujwala (Endodontics), Mr. Jaden (Oral Medicine and Radiology), Ms. Adhira (Orthodontics), Mr. Ganesa Kumar (Endodontics), Ms. Harshitha V.N (Recent Trends), Ms. Madhusree (Orthodontics) and Ms. Shagalya (Recent Trends). Second Year awardees were Ms. Mehek (Dental Materials), Ms. Sivapriya (Endodontics), Ms. Shwetha (Prosthodontics), Ms. Tulasi (Endodontics), Ms. Aishwarya S (Prosthodontics), Ms. Chelsia Johain (Endodontics), Ms. Mrinalini Y (Dental Materials), Ms. Harshavardhini V.S (Endodontics) and Ms. Ruchithra (Recent Trends). First Year awardees included Ms. Varshini and Ms. Atharsa (Recent Trends), Ms. Avanthika (Recent Trends), Mr. Chosulu, Mr. Rohit and Mr. Shashant (Recent Trends), Ms. Hemapujitha and Ms. Kowshika (Recent Trends), Ms. Varnika and Ms. Sushmathi (Recent Trends), Ms. Lakshana (Oral Pathology) and Ms. Shafeeka and Ms. Mahalakshmi R (Recent Trends).

Undergraduate students secured Third Place in the Quiz Competition at MIDAS 2025 – Tamil Nadu State Students Conference, showcasing their knowledge, academic aptitude, and strong understanding of various aspects of dental science. Their commendable performance reflected a solid foundation in core dental concepts and their ability to apply academic knowledge effectively in a competitive environment.

The Quiz Competition provided an intellectually stimulating platform for students to test their knowledge, enhance their analytical thinking, and engage with a wide range of topics related to dentistry. Through effective teamwork, active participation, and a collaborative approach, the students demonstrated their ability to work together and respond confidently to challenging questions.

Securing Third Place at this prestigious state-level conference is a significant achievement and reflects the students' dedication to academic learning and continuous improvement. Their performance also highlights the importance of academic engagement beyond the classroom and encourages students to participate in scholarly and professional activities.

The achievement is a proud moment for the students and the institution, reinforcing the commitment towards nurturing knowledgeable, confident, and academically competent future dental professionals. Their success at MIDAS 2025 stands as a testament to their enthusiasm, teamwork, and pursuit of excellence in the field of dentistry.

Mr. Daniel, a second-year undergraduate student, achieved First Place in the Tooth Carving Competition at MIDAS 2025 - Tamil Nadu State Students Conference. His exceptional precision, artistic skill and thorough understanding of dental anatomy impressed the judges and reflected a high level of manual dexterity and academic competence.

Ms. Asmita R, a first-year undergraduate student, was awarded a Silver Medal and Certificate for securing the highest marks in Anatomy at the 46th Annual Conference of the Association of Anatomists. The conference was held at Velammal Medical College Hospital and Research Institute, Madurai.

Ms. Aishwarya Rani, Intern from the Department of Conservative Dentistry and Endodontics, received the prestigious **“Overall Best Paper Award”** in the **Recent Advances in Endodontics** category at **MIDAS 2025 - Tamil Nadu State Students Conference**.

This outstanding achievement reflects her academic excellence, keen interest in the field of Endodontics, and dedication to staying updated with recent developments and advancements in dental science. Receiving the Overall Best Paper Award is a significant recognition of her scholarly effort and her ability to present relevant academic knowledge effectively at a competitive state-level platform.

Her participation in the conference provided an important opportunity to engage with

contemporary topics in Endodontics and share academic perspectives with fellow students, faculty members, and professionals. The recognition also highlights the importance of scientific presentations in encouraging students to strengthen their knowledge, communication skills, and professional confidence.

This achievement marks a proud milestone in Ms. Aishwarya Rani’s academic and professional journey. It further reflects her commitment to continuous learning and academic growth in the field of Conservative Dentistry and Endodontics. Her success at MIDAS 2025 is an inspiring accomplishment and brings recognition to the Department of Conservative Dentistry and Endodontics, while encouraging fellow students to actively participate in academic and scientific forums.

Ms. Vijayaragavi K, a Third Year undergraduate student, was awarded the prestigious **“Overall Best Paper”** award for her poster titled **“When Teeth Speaks in Code: AI-Driven Bite Mark Justice”** at **MIDAS 2025 – Tamil Nadu State Students Conference**. This remarkable achievement was accomplished under the valuable guidance of **Dr. K. R. Don**, Associate Professor, Department of Oral and Maxillofacial Pathology and Oral Microbiology.

The award recognizes the academic effort and effective presentation of a contemporary topic exploring the application of **Artificial Intelligence in bite mark analysis and forensic investigation**. The poster highlighted an innovative area of academic interest and reflected the growing importance of technology in supporting scientific approaches within the field of forensic dentistry.

The achievement showcases Ms. Vijayaragavi K's dedication to academic learning, scientific presentation, and exploring emerging developments in dentistry. Her success also reflects the importance of student participation in academic conferences, which provide valuable opportunities to share knowledge, develop presentation skills, and engage with contemporary topics in the field.

The guidance and support provided by **Dr. K. R. Don** played an important role in encouraging scholarly engagement and supporting the student throughout the academic presentation. This recognition also reflects the commitment of the Department of Oral and Maxillofacial Pathology and Oral Microbiology towards promoting research-oriented learning and academic excellence among students.

Receiving the **“Overall Best Paper”** award at the state-level **MIDAS 2025 – Tamil Nadu State Students Conference** marks a proud milestone for Ms. Vijayaragavi K and the department. The achievement serves as an inspiration to fellow students and encourages continued participation in scientific, academic, and innovative learning platforms.

Ms. Roshan Sabeeka M and Ms. Yuga S, First Year undergraduate students, were awarded the prestigious **“Overall Best Poster”** award for their poster titled **“Bite Mark Analysis”** at **MIDAS 2025 - Tamil Nadu State Students Conference**. This notable achievement was accomplished under the valuable guidance of **Prof. Dr. L. Malathi, Professor, Department of Oral and Maxillofacial Pathology and Oral Microbiology**.

The award recognizes the students’ academic effort, dedication, and effective presentation of an important topic in the field of forensic dentistry and oral pathology. Their poster on **“Bite Mark Analysis”** demonstrated their interest in exploring scientific concepts and presenting academic information in a clear and engaging manner.

Participation in a state-level academic conference such as **MIDAS 2025** provided the students with a valuable opportunity to showcase their knowledge, develop presentation skills, and engage with fellow students and faculty members. Receiving the **“Overall Best Poster”** award is a significant recognition of their scholarly effort and commitment to academic excellence.

The guidance and encouragement provided by **Prof. Dr. L. Malathi** played an important role in supporting the students throughout the preparation and presentation of the poster. Her mentorship reflects the department’s continued commitment to encouraging students to participate actively in scientific and academic activities.

This achievement marks a proud milestone for **Ms. Roshan Sabeeka M and Ms. Yuga S**, bringing recognition to the Department of Oral and Maxillofacial Pathology and Oral Microbiology. Their success serves as an inspiration to fellow students and highlights the importance of research-oriented learning, scientific curiosity, and active participation in academic forums.

Four undergraduate students secured notable awards at **PEDOPULSE 2025**, organized by **SRM Dental College, Kattankulathur, Chennai**. **Ms. Abinaya and Ms. Ishwarya won First Place**, while **Ms. Karishma and Ms. Keerthana secured Third Place in the Best Poster category**.

This achievement reflects the students' academic interest, creativity, and dedication to presenting scientific knowledge in an effective and engaging manner.

Their participation in **PEDOPULSE 2025** provided them with a valuable platform to showcase their academic work and interact with fellow students and professionals in a competitive learning environment.

Securing **First and Third Place** in the Best Poster category is a significant recognition of their efforts and commitment to academic excellence.

The achievement highlights the importance of encouraging undergraduate students to actively participate in scientific conferences, academic competitions, and knowledge-sharing platforms beyond the classroom.

Such opportunities help students strengthen their presentation skills, broaden their academic perspectives, and gain confidence in sharing their knowledge with a wider professional audience.

The students' success also reflects their enthusiasm for continuous learning and active involvement in academic activities.

This accomplishment marks a proud moment for the awardees and serves as an encouragement to fellow students to participate in similar scientific and academic forums.

The institution congratulates Ms. Abinaya, Ms. Ishwarya, Ms. Karishma, and Ms. Keerthana on their commendable achievements at PEDOPULSE 2025 and wishes them continued success in their future academic and professional endeavours.

Ms. Keerthana A

Ms. Ananthika

Ms. Sharon Hepsiba K

Mr. Leslie Thomas

Ms. Amritha

Ms. Ummu Saabira

Ms. Pooja

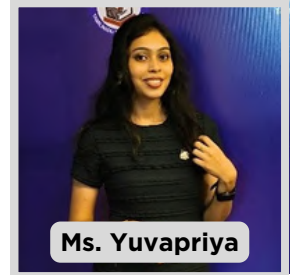

A total of **45 students** from the college participated in the **38th IDA Tamil Nadu State Dental Conference 2025**, organized by the **Indian Dental Association** and held at **AGS Holiday Resorts, Yelagiri-Tirupathur**. Of the participating students, an impressive **14 students emerged as winners** in the scientific presentations, reflecting their academic knowledge, presentation skills, and commitment to excellence.

Undergraduate students Ms. Keerthana A, Ms. Sharon Hepsiba K, Ms. Ananthika, Ms. Amritha, Ms. Pooja, Mr. Leslie Thomas and Ms. Ummu Saabira secured First Place in the Scientific Presentation. Their outstanding performance demonstrated their dedication to academic learning and their ability to present scientific concepts effectively.

Ms. Yuvapriya, Mr. Giriraj, Ms. Swetha D.K, Ms. Sujitha Agnes and Ms. Madhusree secured Second Place, while Ms. Kartheeka and Ms. Sudha Lalitha secured Third Place in the scientific event.

The remarkable success of the students highlights their commendable academic performance, effective teamwork, and enthusiasm for scientific learning. Their participation in this prestigious state-level conference provided a valuable opportunity to showcase their knowledge and engage with a wider dental academic community.

These achievements mark a proud moment for the students and the institution, reflecting a strong commitment towards nurturing academic excellence, scientific curiosity, and professional development. The institution congratulates all the winners and participants for their commendable efforts and wishes them continued success in their future academic and professional endeavours.

Ms. Yuvapriya

Mr. Giriraj

Ms. Swetha D.K

Ms. Sujitha Agnes

Ms. Sudha Lalitha

Ms. Madhusree

Ms. Kartheeka

Ms. Swetha D.K, Final year undergraduate has secured **Second Place in Paper Presentation** titled “Chaos to Clarity - Voices of the unnamed” at **38th IDA Tamil Nadu State Dental Conference 2025** at AGS Holiday Resorts, Yelagiri Hills, Tirupathur District under the **guidance of Prof. Dr. N. Aravindh Babu**, Professor, Head of Oral and Maxillofacial Pathology and Oral Microbiology

Ms. Yuvapriya, Final-year undergraduate, Department of Pedodontics, secured **Second Prize** in the **paper presentation category** at the **38th IDA Tamil Nadu State Dental Conference 2025**, organized by the Indian Dental Association at AGS Holiday Resorts, Yelagiri-Tirupathur. The paper titled “**PAWSITIVE DENTISTRY**” highlighted innovative perspectives in pediatric dental care.

Ms. Pooja Tejaswi, Third year undergraduate student from the Department of Biochemistry, participated in the **38th Tamil Nadu IDA State Dental Conference 2025**, organized by the Indian Dental Association at AGS Holiday Resorts, Yelagiri-Tirupathur and won **First Prize in the Paper Presentation category** for her paper titled “CRISPR-CAS9 IN DENTISTRY”

Mr. Leslie Thomas, Intern, secured the **First Prize in the paper presentation at the 38th Tamil Nadu IDA State Dental Conference 2025**, organized by the Indian Dental Association at AGS Holiday Resorts, Yelagiri-Tirupathur, under the **guidance of Dr. Swarna Priya R**, Associate Professor, Department of Oral and Maxillofacial Surgery, for his paper titled “SENTINEL LYMPH NODE MAPPING IN THE EARLY DETECTION OF SQUAMOUS CELL CARCINOMA.”

Ms. Kartheeka, Third year undergraduate student, secured the **Third Prize in the paper presentation** at the **38th Tamil Nadu IDA State Dental Conference 2025**, organized by the Indian Dental Association at AGS Holiday Resorts, Yelagiri-Tirupathur, under the **guidance of Dr. Akilan R**, Assistant Professor, Department of Oral and Maxillofacial Surgery, for her paper titled **“PATIENT-SPECIFIC IMPLANT.”**

Mr. Benhur Don, Final year undergraduate student, secured the **First Prize in the paper presentation** at the **13th Annual Live Surgical Workshop UG & PG Convention**, organized by Tagore Dental College and Hospital in association with the Association of Oral and Maxillofacial Surgeons of India, under the **guidance of Dr. Akilan R**, Assistant Professor, Department of Oral and Maxillofacial Surgery, for his paper titled **“DIGITAL TRANSFORMATION IN ORAL AND MAXILLOFACIAL SURGERY: FROM MANUAL TO MACHINE LEARNING.”**

Ms. Rupa Sree, Intern, secured the **First Prize in the paper presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Prof. Dr. Vijay Ebenezer**, Professor and Head, Department of Oral and Maxillofacial Surgery, for her paper titled “EVALUATION OF AN INNOVATIVE INTRAORAL DRESSING IN POSTOPERATIVE WOUND MANAGEMENT.”

Ms. Rupa Sree, Intern, secured the **First Prize in the paper presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Dr. R. Savitha Lakshmi**, Assistant Professor, Department of Oral and Maxillofacial Surgery, for her paper titled “ASSESSMENT OF AN INNOVATIVE WOUND DRESSING FOR POSTOPERATIVE MANAGEMENT OF INTRAORAL SURGICAL SITE - A RANDOMIZED CONTROLLED CLINICAL TRIAL.”

Ms.Heera C.R, Intern, secured the **Third Prize in the paper presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Prof. Dr. Saravana Kumar B**, Professor, Department of Oral and Maxillofacial Surgery for her paper titled **“SILENT SINUS SYNDROME AFTER POST-DENTAL SURGERY”**.

Ms. Vishnu Priyadarshini M, Final year undergraduate student, secured the **First Prize in the paper presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Prof. Dr. Senthil Nathan R**, Professor, Department of Oral and Maxillofacial Surgery, for her paper titled **“NO MORE SNORE: THE SURGICAL ROLE IN TREATING OBSTRUCTIVE SLEEP APNEA.”**

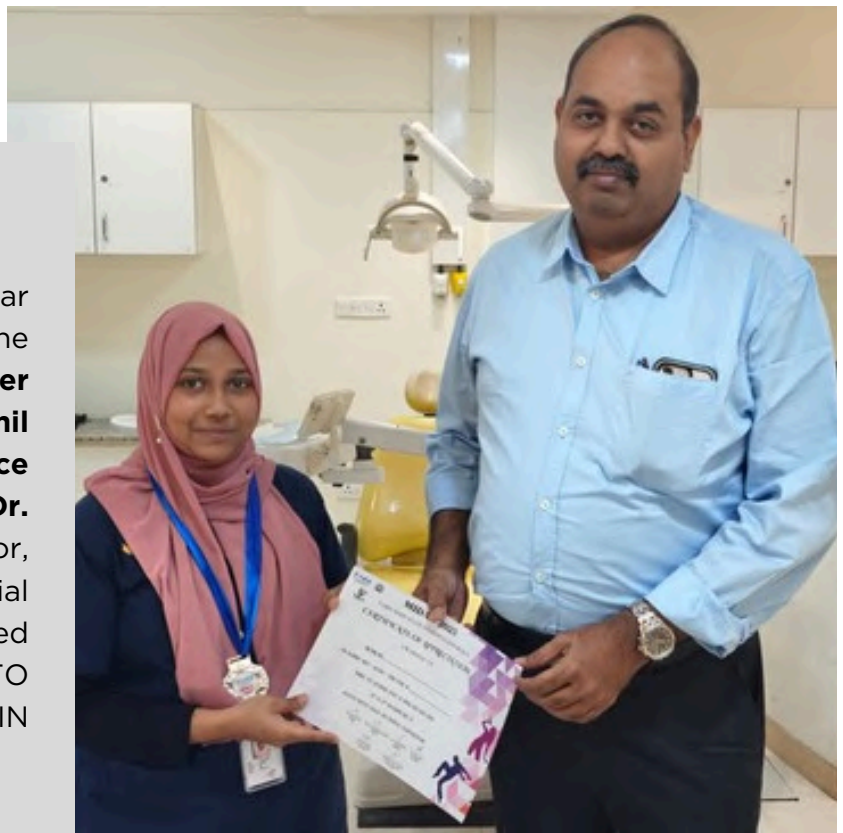

Ms. Ponni, Final year undergraduate student, secured the **First Prize in the paper presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Dr. Akilan R**, Assistant Professor, Department of Oral and Maxillofacial Surgery, for her paper titled **"PIEZOSURGERY - A MODERN BONE CUTTING TOOL."**

Ms. Prabhavathi, Final year undergraduate student, secured the **Second Prize in the paper presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Prof. Dr. Balakrishnan R**, Professor, Department of Oral and Maxillofacial Surgery, for her paper titled **"3D PRINTING APPLICATIONS IN ORAL AND MAXILLOFACIAL SURGERY."**

Ms. Ummu Saabira, Final year undergraduate student, secured the **Second Prize** in the **E-Poster presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Prof. Dr. Balakrishnan R**, Professor, Department of Oral and Maxillofacial Surgery, for her paper titled **"TURNING PAIN SIGNALS INTO SMART DECISIONS: AI-BASED PAIN DETECTION."**

Ms. Dhakshinya Shri P, Final year undergraduate student, secured the **Second Prize** in the **paper presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Prof. Dr. Saravana Kumar B**, Professor, Department of Oral and Maxillofacial Surgery for her paper titled **"NANOTECHNOLOGY IN THE TREATMENT OF ORAL CANCER"**

Ms. Vinisha, Final year undergraduate student, secured the **Second Prize in the E-Poster presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Prof. Dr. Prakash D**, Professor, Department of Oral and Maxillofacial Surgery, for her paper titled **"PIEZOSURGERY IN MAXILLARY SINUS ELEVATION AND BONE GRAFTING."**

Ms. Shamyuktha, Final year undergraduate won **Third place** for poster titled **"FIELD CANCERIZATION - SILENT SEEDBED OF MALIGNANCY"** at **MIDAS 2025 - Tamil Nadu State Students Conference** by the guidance of **Dr. N. Anitha**, Associate Professor, Oral and Maxillofacial Pathology and Oral Microbiology.

Ms. Sara Sultana, Third year undergraduate student, secured the **Second Prize in the E-Poster presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Dr. Shivraj Manickam and Dr. R. Savitha Lakshmi**, Assistant Professor, Department of Oral and Maxillofacial Surgery, for her paper titled "PROTECTION OF INTRAORAL SURGICAL SITE WITH A NOVEL INTRAORAL DRESSING MATERIAL - A RANDOMIZED CONTROLLED CLINICAL TRIAL."

Mr. Daniel Arokia Selvaraj, Second year undergraduate student, secured the **First Prize in the paper presentation at MIDAS 2025 - Tamil Nadu State Students Conference** under the **guidance of Dr. Swarna Priya R**, Associate Professor, Department of Oral and Maxillofacial Surgery, for his paper titled "PHOTOBIOMODULATION IN NERVE REGENERATION."

Mr. Giriraj Kishore M.A, Intern, and Ms. Sujitha Agnes V., Intern, secured Second Prize in the Paper Presentation at the 38th IDA - Tamil Nadu State Students Conference. This commendable achievement was accomplished under the valuable guidance of **Dr. Priya Dharshini and Dr. Maria Priscilla, Assistant Professors, Department of Oral Medicine and Radiology.**

Their success reflects their academic knowledge, dedication, and ability to effectively present scientific concepts at a competitive academic platform. The paper presentation provided the interns with an important opportunity to showcase their scholarly work, enhance their presentation skills, and engage with fellow students and professionals from the dental community.

Securing **Second Prize** at a prestigious state-level conference is a significant recognition of their efforts and commitment to academic excellence. Their performance highlights the importance of active participation in scientific forums, which encourage continuous learning, knowledge sharing, and professional development among young dental professionals.

The guidance and support provided by **Dr. Priya Dharshini and Dr. Maria Priscilla** played an

important role in encouraging and mentoring the interns throughout their academic preparation and presentation. Their mentorship reflects the continued commitment of the Department of Oral Medicine and Radiology towards nurturing student potential and promoting active participation in academic activities.

This achievement marks a proud milestone for **Mr. Giriraj Kishore M.A and Ms. Sujitha Agnes V.**, while also bringing recognition to the Department of Oral Medicine and Radiology. Their success serves as an inspiration to fellow students and interns, encouraging them to pursue academic excellence and actively participate in scientific and professional forums.

Ms. Yashawini K, Second year undergraduate secured **First place** for poster titled “REACHING THE UNREACHED: TELEDENTISTRY FOR UNDERSERVED COMMUNITIES” at **MIDAS 2025 - Tamil Nadu State Students Conference** by the **guidance of Dr. S. Munira Banu**, Assistant Professor, Oral and Maxillofacial Pathology and Oral Microbiology.

Ms. Samyuktaa B, Second year undergraduate has secured **Second Place in Paper Presentation** titled “BEYOND NUCLEUS CLUES: THE FORENSIC STRENGTH OF MITOCHONDRIAL DNA” at **MIDAS 2025 - Tamil Nadu State Students Conference** under the **mentorship of Prof. Dr. S. Leena Sankari**, Professor, Oral and Maxillofacial Pathology and Oral Microbiology.

Ms. Fareeda and Ms. Ashwini, First year undergraduate secured **First place** for poster titled “TEETH AS GENOMIC TIMEKEEPERS: FORENSIC EXPLORATION” at **MIDAS 2025 - Tamil Nadu State Students Conference**, under the **guidance of Dr. C. Ramya**, Assistant Professor, Oral and Maxillofacial Pathology and Oral Microbiology.

Ms. Lakshana P.A, First year undergraduate won **Third place** for poster titled “SPOTTING CANCER WITHOUT A SCALPEL: WHAT’S NEW?” at **MIDAS 2025 - Tamil Nadu State Students Conference**, by the **guidance of Dr. S. Munira Banu**, Assistant Professor, Oral and Maxillofacial Pathology and Oral Microbiology.

Mr. Jothi Priyan and Ms. Harini Caarthick, First year undergraduate students from the Department of Physiology secured **Second Place in the Poster Presentation category**. **Ms. Varnika K and Ms. Sushmathi C. S**, First year undergraduate students from the same department won **Third Place in the Paper Presentation category** at **MIDAS 2025 – Tamil Nadu State Students Conference**.

Sree Balaji Dental College and Hospital achieved a remarkable academic milestone at **MIDAS'25**, with the Department of **Public Health Dentistry** delivering an outstanding performance. The department secured an impressive **12 Best Paper/Poster Awards**, reflecting the quality, originality, and scientific rigor of the research presented by its faculty and students.

This notable achievement highlights the department's continued commitment to academic excellence, research-oriented learning, and active participation in scientific forums. The presentations showcased meaningful academic work and reflected the dedication of the faculty and students towards exploring relevant areas of public health dentistry. Their success also demonstrates strong scientific knowledge, effective presentation skills, and a commitment to addressing contemporary issues in the field.

In addition to these individual accolades, the department was honoured with the **Overall First Place in Paper Presentation**, further underscoring its excellence in research planning, scientific presentation, and the relevance of its work to contemporary public health dentistry concerns.

The remarkable performance at **MIDAS'25** stands as a proud achievement for the Department of Public Health Dentistry and Sree Balaji Dental College and Hospital. It reflects the collective efforts, academic dedication, and enthusiasm of the faculty and students in pursuing high standards of research and scientific engagement.

These achievements further strengthen the department's commitment to promoting innovation, knowledge sharing, and evidence-based approaches in public health dentistry. The institution congratulates the Department of Public Health Dentistry, its faculty, and students for their outstanding accomplishments and wishes them continued success in their future academic and professional endeavours.

The students from the **Department of Pharmacology, Sree Balaji Dental College & Hospital (SBDCH)**, participated in **MIDAS 2025 from 21st to 23rd October 2025**, reaffirming the department's commitment to **academic excellence, professional development, and research-oriented learning**.

The event brought together distinguished academicians, clinicians, researchers, and healthcare professionals, creating an enriching platform to discuss the latest advancements and innovations in dental education and clinical practice. The programme enabled students to gain valuable exposure to contemporary developments and emerging perspectives in the fields of dental and medical sciences.

MIDAS 2025 also provided an important opportunity for participants to interact and network with experts, exchange ideas, and engage in meaningful academic discussions.

Such interactions encouraged knowledge sharing and helped broaden the students' understanding of current trends and innovations in healthcare and scientific research.

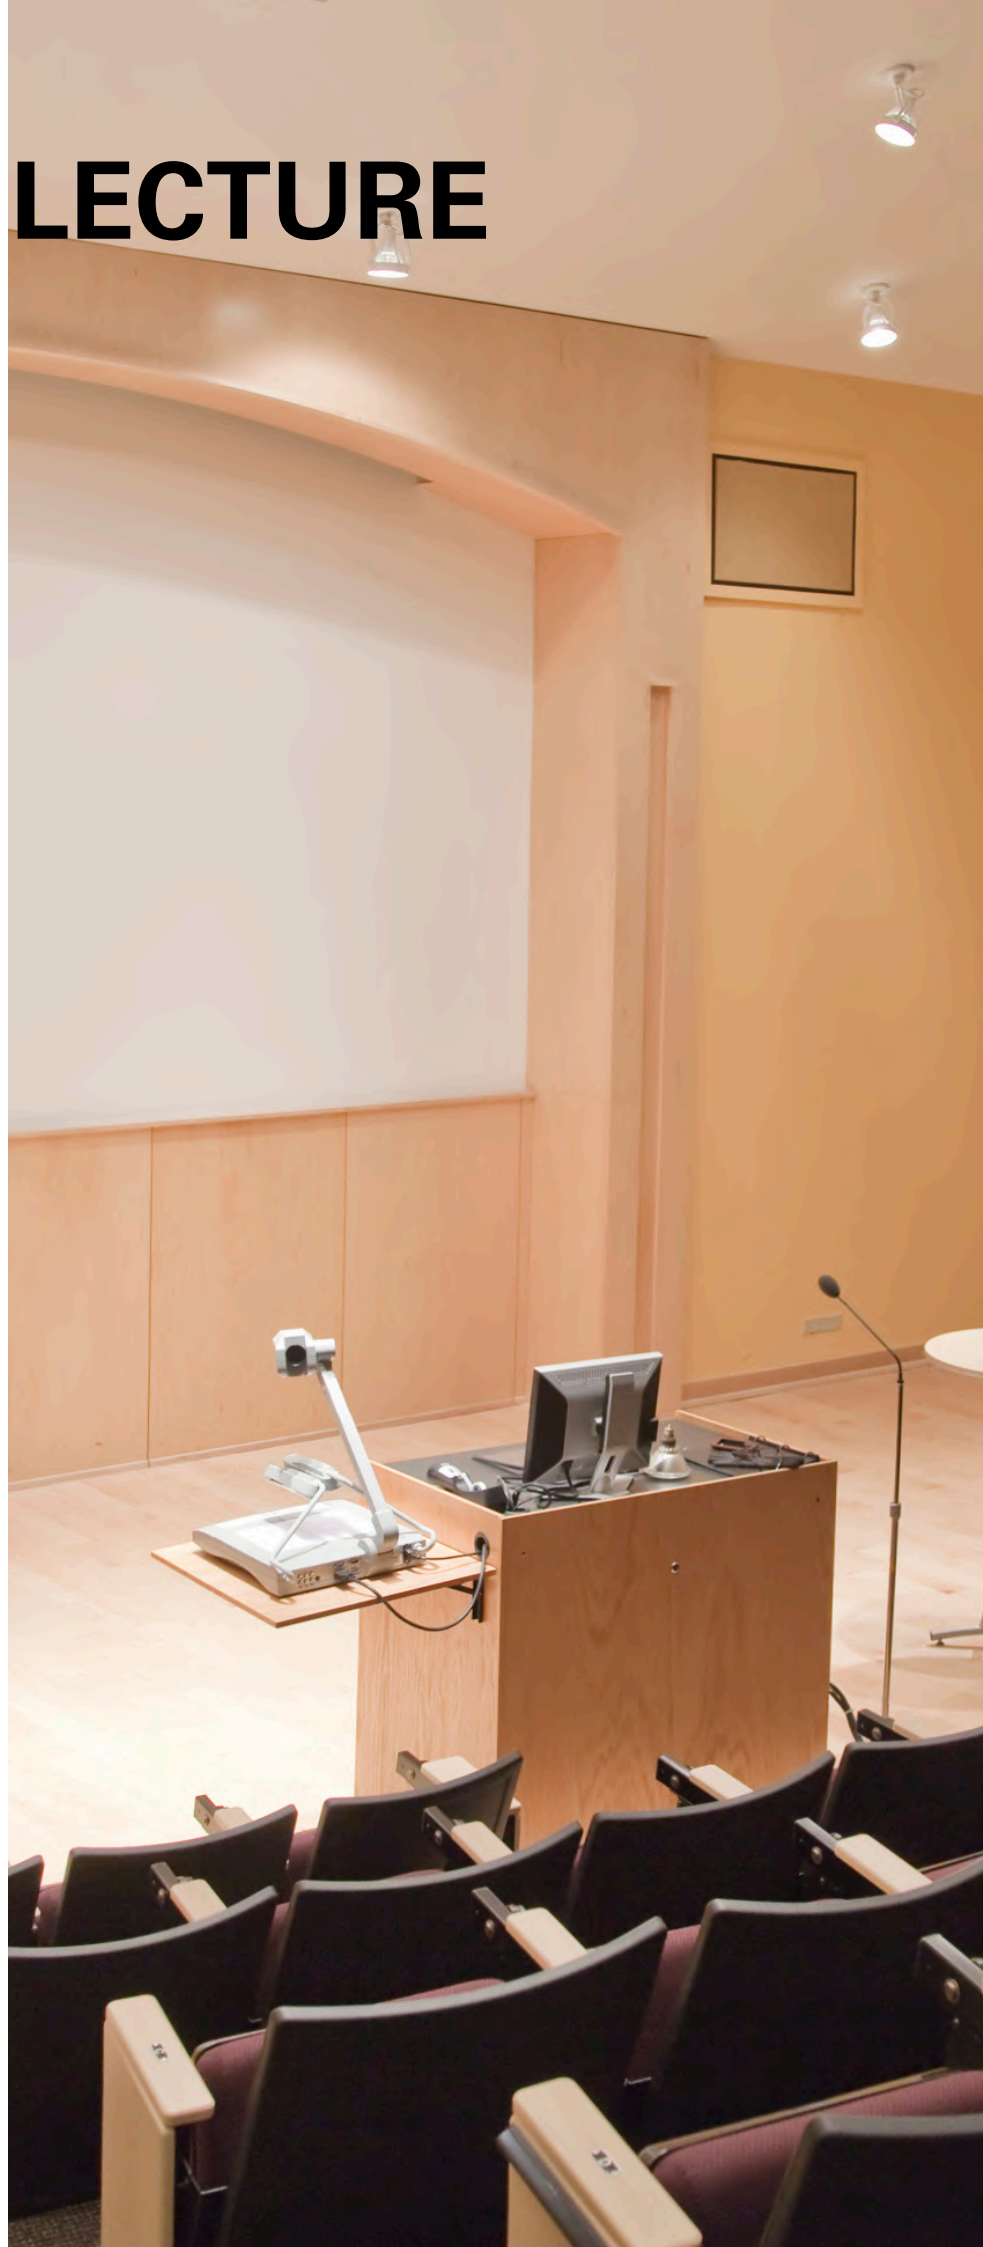

Participation in the event enhanced the department's **academic exposure**, strengthened opportunities for collaboration, and encouraged the adoption of innovative approaches in **research and patient care**.

The experience also supported the professional growth of the participating students by promoting continuous learning and academic engagement.

The participation of the Department of Pharmacology in **MIDAS 2025** reflects **SBDCH's continued dedication to fostering lifelong learning, academic excellence, research-oriented education, and professional development**, while preparing students to contribute effectively to the evolving field of healthcare.

INVITED LECTURE

"Invited lectures provide expert insights, advanced knowledge, and inspiration, enriching academic learning and professional perspectives."

Prof. Dr. Mahalakshmi K, Professor & Head, Department of Microbiology, participated in the **“Stakeholder Meeting on Diagnostics in AMR: Strengthening Tamil Nadu’s Response,”** a crucial state-specific roundtable meeting organized by C-CAMP and the Department of Biotechnology (DBT), held at GRT Grand, T. Nagar. During the meeting, she emphasized the importance of including a **dentist as a panel discussion member.**

Prof. Dr. Mahalakshmi K, Professor & Head, Department of Microbiology, delivered an insightful guest lecture titled **“Crown Your Creation – Intellectual Property Rights in Dental Science”** at **Sree Balaji Dental College and Hospital**.

The session highlighted the significance of **Intellectual Property Rights (IPR)** in dental research and innovation, emphasizing the importance of protecting original ideas, research outcomes, and innovative contributions in the field of dental science. The lecture offered valuable perspectives to both students and faculty, encouraging greater awareness and understanding of intellectual property in academic and research activities.

The session also served as an important platform for knowledge sharing and discussion, reinforcing the relevance of innovation and research in the advancement of dental science. The programme reflected the importance of promoting awareness about intellectual property rights and encouraging a culture of creativity, research, and innovation among the academic community.

Prof. Dr. N. Aravindha Babu, Professor and Head and Dr. K.R. Don, Associate Professor from the Department of Oral and Maxillofacial Pathology & Oral Microbiology, invited as Guest Speaker for HANDS ON WORKSHOP FOR INTERNS ON FORENSIC ODONTOLOGY, “LIP PRINTS AND BITE MARKS: DIAGNOSTIC AND INVESTIGATIVE PERSPECTIVES”,

Adhiparasakthi Dental College and Hospital, Chennai.

Dr. N. Aravindha Babu gave a Guest Lecture on Chaos to Clarity – Voices of the unnamed followed by Dr. K.R. Don Guest Lecture on Bite Mark Analysis & Cheiloscopy continued by Workshop – “FINDING THE SUSPECT” – BITE MARK ANALYSIS & LIP PRINT ANALYSIS

Prof. Dr. N. Aravindha Babu, Professor and Head, Department of Oral and Maxillofacial Pathology & Oral Microbiology, was invited to deliver a **Guest Lecture at Glenangles Onco-Center, Glencon 2025 - General Oncology National Conference.**

This invitation reflects the recognition of his academic expertise, professional experience, and scholarly contributions in the field. His participation at this national-level conference provided an important platform for sharing knowledge and contributing to meaningful academic discussions among professionals and experts.

The Guest Lecture offered valuable insights to the participants and contributed to the exchange of knowledge and contemporary perspectives in the field of oncology. Such academic engagements play an important role in promoting professional learning, interdisciplinary interaction, and the advancement of scientific knowledge.

His participation in Glencon 2025 highlights his continued commitment to academic excellence and professional development. The invitation also reflects his active contribution to scholarly activities and his dedication to sharing expertise with the wider healthcare and academic community.

Prof. Dr. Anitha Balaji, Professor and Head, Department of Periodontics and Implantology, was invited as a **faculty speaker for PERIODARSHAN 2025 - Perio Rapid Revision** for Undergraduates, organized by the Department of Periodontics, **Tagore Dental College & Hospital**, Chennai.

She delivered an offline invited lecture on **“Trauma from Occlusion.”**

The session was well received by undergraduate students and offered valuable academic insights, significantly enhancing their understanding of core periodontal concepts.

Prof. Dr. Gnanshanmugam K, Professor from the Department of Orthodontics, took centre stage as the **Keynote Speaker at the 38th Tamil Nadu IDA State Dental Conference held at Yelagiri**. His insightful lecture captivated the audience and received appreciation from delegates for its academic relevance and engaging presentation.

His participation at this prestigious state-level conference highlighted his expertise, thought leadership, and valuable contributions to the field of dentistry. The session provided an important platform for knowledge sharing and professional learning, further reflecting his commitment to academic excellence and the advancement of dental education.

Prof. Dr. Mathangi Somanathan, Professor, Department of Biochemistry, served as an **invited resource contributor** at the Capacity Building Workshop on **“Advancing Research Through Digital Tools”**, organized by the **Department of Community Medicine, Meenakshi Academy of Higher Education & Research, Medical College Hospital and Research Institute, Kancheepuram**.

Her participation in the workshop reflected the recognition of her academic expertise and professional contribution to research and education. The session provided an important platform for sharing knowledge and perspectives on the effective use of digital tools in advancing research activities and strengthening academic practices.

As an invited resource contributor, she contributed to the academic objectives of the programme and supported meaningful learning and knowledge exchange among the participants. Her involvement highlighted the importance of integrating contemporary digital resources into research and academic development.

This professional engagement further reflects her continued commitment to academic excellence, research advancement, and knowledge sharing, while contributing to capacity building and the promotion of effective research practices among the academic community.

Dr. Balavenkata Bharathi CH, Associate Professor, Department of Orthodontics, was invited as a **Guest/Rising Star Speaker at the 59th Indian Orthodontic Conference**, organized by the **Indian Orthodontic Society and held at Radisson Blu, Visakhapatnam**.

Her lecture focused on an important contemporary aspect of the Indian orthodontic market—**bridging the gap between available scientific evidence and the marketing strategies adopted by various brands**. The session provided valuable perspectives on the need to critically evaluate scientific evidence while understanding the influence of marketing in clinical decision-making.

Her participation as a Guest/Rising Star Speaker reflects the recognition of her academic expertise and contribution to the field of Orthodontics, while highlighting her commitment to scientific learning and evidence-based dental practice.

ACADEMIC RESEARCH PRESENTATIONS AND RECOGNITION

“Academic research presentations showcase student innovations, while recognition encourages excellence, confidence, and continuous scientific contribution.”

conference.

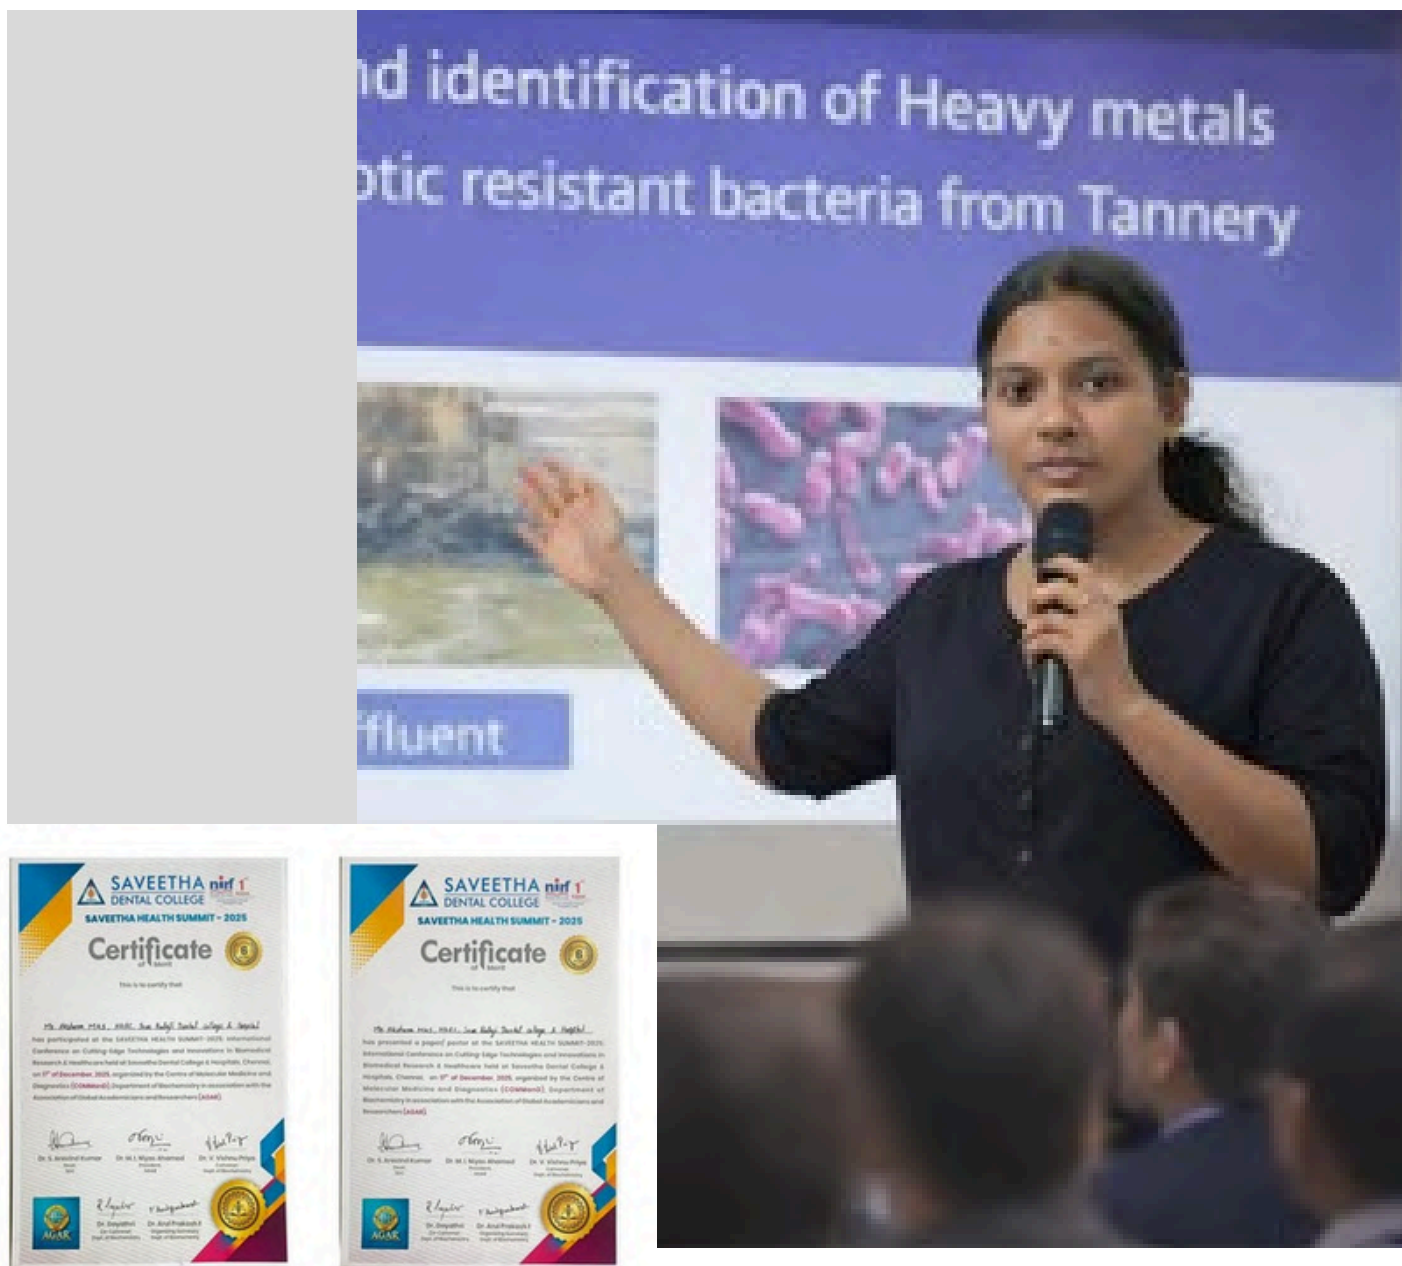

Mr. Naveen J, from the Human Genetics Research Centre, **presented a research paper** titled "Phytochemical Profiling of Methanolic Leaf Extract of Ormo carpum cochinchinense and In Silico Docking Analysis for Wound Healing" at **the SAVEETHA HEALTH SUMMIT-2025, an international conference on Cutting-Edge Technologies and Innovations in Biomedical Research and Healthcare.**

The conference was held at Saveetha Dental College and Hospitals, Chennai.

The event was organized by the **Centre of Molecular Medicine and Diagnostics (COMManD)**, Department of Biochemistry, in association with the Association of Global Academicians and Researchers (AGAR).

The presentation focused on phytochemical characterization and computational docking approaches to evaluate the wound-healing potential of bioactive compounds, highlighting the integration of experimental and in silico methods in biomedical research. The research contribution was well received and recognized with a **Certificate of Merit** during the conference.

Ms. Akshara M.K.S., from the Human Genetics Research Centre, **presented a research paper** titled “Isolation and Identification of Heavy Metal and Antibiotic-Resistant Bacteria from Tannery Effluent” at **the SAVEETHA HEALTH SUMMIT-2025, an international conference on Cutting-Edge Technologies and Innovations in Biomedical Research and Healthcare**. The conference was held at Saveetha Dental College and Hospitals, Chennai. The event was organized by the Centre of **Molecular Medicine and Diagnostics (COMManD)**, Department of Biochemistry, in association with the **Association of Global Academicians and Researchers (AGAR)**.

The presentation highlighted the isolation and characterization of bacteria exhibiting resistance to heavy metals and antibiotics from tannery effluent, emphasizing environmental pollution, microbial adaptation and public health relevance.

The study contributed valuable insights into microbial resistance patterns in industrial waste environments. The research presentation was well received and was recognized with a **Certificate of Merit** during the conference.

INNOVATIVE LEARNING THROUGH SKITS

"Innovative learning through skits enhances understanding, creativity, teamwork, and communication skills in an engaging manner."

Dr. Deepika Katyal and Dr. Hariprashanna, Assistant Professors, Department of Orthodontics, conducted a **creative lab session for Third Year undergraduate students**. As a refreshing change from the usual wire-bending exercises, the session introduced an innovative and engaging approach to learning.

Students were divided into **four groups** and asked to perform a **five-minute skit on the history of Orthodontics**. Each group was guided by a postgraduate student, who supported the participants throughout the preparation and presentation of their skit. The performances were evaluated based on **content, confidence, clarity, humour, and adherence to the prescribed time limit**.

The activity was met with great enthusiasm and active participation from the students. It provided them with an opportunity to explore and understand the history of Orthodontics in a fun, interactive, and innovative manner.

Beyond academic learning, the session also encouraged **teamwork, creativity, confidence, effective communication, and presentation skills**.

The creative lab session demonstrated how innovative teaching methods can make learning more engaging and enjoyable while helping students actively participate in the academic process.

ACADEMIC EXCELLENCE & PROFESSIONAL GROWTH

"Academic excellence and professional growth empower students with knowledge, skills, ethics, and lifelong learning for success."

“PIX-E” Masterclass on Dental Photography

The **Department of Conservative Dentistry and Endodontics** organized “PIX-E,” a **one-day Masterclass on Dental Photography**, providing participants with valuable academic and practical insights into the importance of photography in modern dental practice.

The event featured **Prof. Dr. M. S. Kannan, Head of the Institution and Head of the Department of Orthodontics**, who delivered a session on “**Basics in Dental Photography.**” The programme also included an informative session by **Prof. Dr. Karthick, Professor, Department of Conservative Dentistry and Endodontics**, on “**The Art of Camera Settings, Lighting and Documentation.**”

The sessions highlighted essential concepts and techniques involved in achieving effective and professional dental photographs. Participants gained valuable insights into the fundamentals of photography, appropriate camera settings, the importance of lighting, and systematic documentation in clinical dental practice.

The masterclass concluded with a **demonstration and hands-on session**, offering participants an opportunity to gain practical experience and improve their understanding of professional dental photography techniques. The programme provided an engaging learning platform and reflected the department’s commitment to enhancing clinical knowledge, practical skills, and professional development among participants.

Intercollegiate Digital Initiative in Paediatric Dentistry

The **Department of Paediatric and Preventive Dentistry** organized an intercollegiate reels competition titled **“Roll Camera... Reels... Action!”** with the objective of creating **awareness among the general public about paediatric and preventive dental care**. The initiative provided an innovative platform for students to communicate important oral health messages through engaging and creative digital content.

The event received an enthusiastic response, with **more than 20 reel entries** submitted by participants from colleges across the state. The competition encouraged students to combine creativity with awareness-based communication, highlighting the importance of paediatric and preventive dental care in an accessible and engaging format.

SREE BALAJI DENTAL COLLEGE AND HOSPITAL
BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH
Velachary Road, Narayanapuram, Palikarai, Chennai - 100

DEPARTMENT OF PAEDIATRIC & PREVENTIVE DENTISTRY
Roll Camera... Action... Reels...

WINNERS

ONLINE PROGRAM
5TH NOVEMBER 2025

FIRST PLACE
SHRUTHIKA, SRMC
MOUNISH, SRM RAMAPURAM
NAVEEN KUMAR, ASAN DENTAL COLLEGE

The submitted reels were evaluated through an **online judging process**, based on the prescribed criteria. The winners were subsequently announced during an **online session**, which brought the competition to a successful conclusion. **Certificates were awarded to the participants** in recognition of their enthusiastic participation and contribution.

The event reflected the department's commitment to promoting oral health awareness through innovative educational initiatives while encouraging creativity, active participation, and effective communication among students.

World Endodontic Day 2025

World Endodontic Day serves as an important reminder that **“Root Canal = Tooth Survival!”** The occasion highlighted the significance of timely endodontic treatment in preserving natural teeth and maintaining healthy, confident smiles.

Under the **guidance of Prof. Dr. Venkatesh, Professor & Head of the Department**, the department organized various initiatives to raise awareness and promote the importance of endodontic care. The activities focused on educating and engaging participants while emphasizing the role of appropriate treatment in preserving natural dentition.

A special highlight of the celebrations was the enthusiastic participation of the department's **postgraduate students in the Awareness Walkathon**. The students demonstrated their creativity, knowledge, and commitment by emerging as **winners of the Slogan and Poster Competition** conducted as part of the awareness programme.

Their outstanding achievement reflected their active involvement and enthusiasm in promoting oral health awareness. The successful initiatives and the students' achievements made the occasion a memorable celebration of learning, teamwork, and professional commitment.

Congratulations to the entire team for their outstanding achievements and enthusiastic participation in making every smile shine bright!

Out Reach Activities

Shaping Young Minds for a Healthier Tomorrow

Date: 5-6 Nov 2025

Venue: Church Park School, Gopalapuram

An interactive oral health awareness program was conducted for school children, focusing on proper oral hygiene practices and disease prevention. The sessions encouraged early adoption of healthy habits through engaging discussions and demonstrations.

Integrating Tradition with Oral Health Awareness

Date: 14 Nov 2025

**Venue: Sri Sai Ram Ayurveda Medical College and
Research Institute, Poonthandalam**

The programme emphasized the **significance of oral health as an essential component of holistic and preventive healthcare practices**. It highlighted the importance of maintaining good oral hygiene as part of overall health and wellbeing, while encouraging a broader understanding of preventive healthcare.

Students were sensitized to **lifestyle-related oral diseases** and the factors that can influence oral health. The session created awareness about the importance of adopting healthy practices and maintaining appropriate oral hygiene to support long-term wellbeing and prevent oral health concerns.

A key focus of the programme was the importance of **integrating oral hygiene awareness into traditional systems of medicine**. The discussion emphasized how greater awareness of oral health can complement holistic healthcare approaches and contribute to overall wellbeing.

The programme provided an important platform for students to understand the connection between oral health, lifestyle, and preventive healthcare. It reinforced the need for continued awareness and education, encouraging students to recognize oral hygiene as an important part of comprehensive healthcare and healthy living.

Building Healthy Smiles at the School Level

Date: 18 Nov 2025

**Venue: Jai Gopal Garodaya Matric.
Hr. Sec. School, Nanganallur**

A school-based oral health program was organized to educate students on dental hygiene and nutrition. The initiative aimed to instill preventive oral care practices during formative years.

Service, Leadership and Smiles

Date: 20 Nov 2025

Venue: Rotaract Installation Ceremony, SBDCH

The **Rotaract Installation Ceremony** emphasized the importance of **community service and leadership**, with a strong focus on promoting meaningful social responsibility among students and participants. The occasion highlighted the role of young individuals in contributing positively to the community through service-oriented initiatives and responsible leadership.

Creating dental awareness was showcased as a vital component of social responsibility, emphasizing the importance of educating the public about oral health and encouraging preventive dental care. The programme reflected the significance of combining professional knowledge with community outreach to promote better health awareness.

The ceremony served as an important platform to reinforce the values of **leadership, service, teamwork, and community engagement**. By highlighting dental awareness as an essential aspect of social responsibility, the event encouraged participants to contribute meaningfully towards improving oral health awareness within the community.

Collaborating for Youth-Centered Cancer Prevention

Date: 17 Dec 2025

Venue: Adyar Cancer Institute

A strategic meeting was held at the **Adyar Cancer Institute** to plan the **Youth Health Mela**, with a strong focus on promoting **cancer prevention and early detection**.

The discussion brought attention to the importance of developing meaningful health awareness initiatives that can effectively engage young people and encourage preventive healthcare practices.

Oral cancer awareness formed a key part of the agenda, highlighting the need to educate young individuals about the importance of recognizing risk factors, maintaining regular oral health practices, and seeking timely screening and professional care when required. The meeting also emphasized the value of early detection in supporting better health outcomes.

Youth engagement was another important focus of the discussion, with plans centered on encouraging active participation and creating awareness through appropriate health education initiatives.

The strategic meeting served as an important step towards planning a meaningful Youth Health Mela that would promote awareness, prevention, and early detection while strengthening the role of young people in building a healthier and more informed community.

Community Care at the Doorstep

Date: 20 Dec 2025
Venue: Mylai Balaji Nagar – Rotary Club of Madras Temple City

A **community dental camp** was conducted at **Mylai Balaji Nagar – Rotary Club of Madras Temple City**, providing residents with **basic oral screening and dental health awareness**.

The programme focused on reaching the community and promoting the importance of maintaining good oral health through timely care and preventive practices.

The camp provided an opportunity to create awareness among residents regarding the significance of regular dental check-ups and the early identification of oral health concerns. Participants were encouraged to understand the importance of maintaining proper oral hygiene and seeking professional dental care whenever required.

The programme reinforced the value of **accessible preventive dental care at the grassroots level**, highlighting the importance of community-based healthcare initiatives in promoting better oral health awareness. By bringing basic screening and awareness activities closer to the community, the initiative contributed to strengthening preventive healthcare practices among residents.

The successful conduct of the dental camp reflected a continued commitment towards **community service, oral health promotion, and preventive dental care**, while emphasizing the importance of making essential health awareness and screening initiatives accessible to people at the grassroots level.

Reaching Commuters, Saving Smiles

Date: 21 Dec 2025
Venue: 41 Metro Stations

A large-scale dental outreach program was conducted across metro stations to reach the working population. **Quick screenings and oral health awareness messages** promoted early detection and encouraged better oral health consciousness among **CMRL employees**, highlighting the importance of preventive dental care and regular oral health check-ups.

Early Detection for a Cancer-Free Community

Date: 22 Dec 2025
Venue: Thirumazhisai

An **oral cancer screening camp** was organized with the objective of identifying **high-risk individuals at an early stage** and promoting greater awareness about the importance of oral cancer prevention. The initiative focused on providing timely screening and encouraging individuals to recognize the need for early evaluation of suspicious oral conditions.

A key emphasis of the programme was placed on **timely referral**, ensuring that individuals requiring further assessment could be appropriately guided for additional evaluation and care. The camp also highlighted the importance of preventive measures and the role of regular oral health screening in supporting the early identification of potential concerns.

Community education formed an important part of the initiative, creating awareness about **oral cancer risk factors** and the significance of adopting preventive health practices. Participants were encouraged to understand the importance of early detection and timely professional consultation.

The screening camp reflected a continued commitment towards **oral cancer prevention, community education, and early detection**, while promoting greater awareness and encouraging proactive approaches to maintaining oral health within the community.

Master Stroke – “Pal Thalanghal” Mega Dental Camp

The camp was inaugurated by Thiru. Ma. Subramanian, Honourable Minister for Health and Family Welfare, Government of Tamil Nadu.

Oral Pathology postgraduate students were deployed at Chennai Central, Alandur, Airport, and Koyambedu Metro stations, where they conducted oral screening, identified potentially malignant disorders and educated participants on early diagnosis and oral cancer prevention.

The program was conducted in association with COCPAR – Centre for Oral Cancer Prevention, Awareness and Research, emphasizing community-based oral cancer screening and preventive oncology.

The initiative enhanced postgraduate students' clinical exposure while contributing to community oral health promotion.

Department of Oral and Maxillofacial Pathology & Oral Microbiology participated in the “Master Stroke – Pal Thalanghal” Mega Dental Camp for CMRL employees, organized by Rotary District 3234 in collaboration with the Rotary Club of Centennial Madras and Sree Balaji Dental College and Hospital.

SPORTS & CULTURALS

"Sports and culturals foster teamwork, creativity, leadership, and holistic development beyond academics among dental students."

Our **undergraduate Football Boys team** achieved a remarkable victory by securing **First Place at MIDAS 2025 - Tamil Nadu State Students Conference**.

The team demonstrated exceptional skill, discipline, and teamwork throughout the tournament, reflecting their dedication and strong competitive spirit.

Their consistent effort and coordinated performance contributed significantly to this proud achievement.

The victory stands as a testament to their determination, sportsmanship, and commitment to excellence, bringing recognition and pride to the institution.

Our **undergraduate students** secured **Second Place in the 4 × 100 Metre Relay (Girls) event at MIDAS 2025 - Tamil Nadu State Students Conference**, showcasing excellent teamwork, coordination, and athletic spirit.

The team demonstrated determination and strong collective effort throughout the event.

Their achievement reflects their dedication to sports and their ability to perform effectively as a team, bringing pride and recognition to the institution.

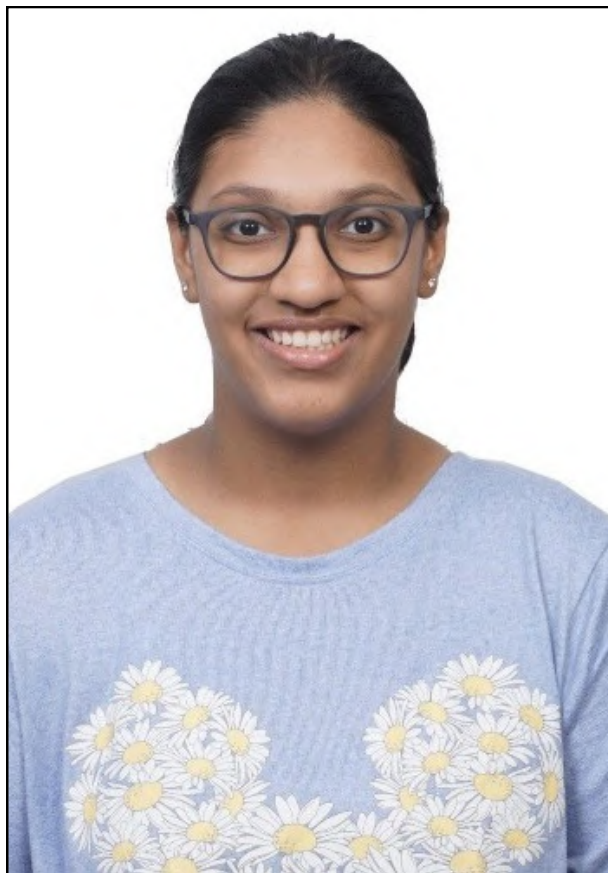

Mr. Koushik, a third-year undergraduate student, **secured Third Place in the 100-metre event at MIDAS 2025 - Tamil Nadu State Students Conference.**

His commendable performance reflected dedication, skill, determination, and a strong competitive spirit throughout the event.

His achievement stands as a testament to his consistent effort and enthusiasm for sports.

By competing with confidence and perseverance, he earned a well-deserved place among the winners. His success brought recognition not only to himself but also to the institution.

This proud sporting achievement highlights his commitment to excellence and reflects the importance of encouraging students to actively participate in sports and competitive activities.

Riddhi Tulsian, a first-year undergraduate student, **secured Third Place in the Shot Put (Girls) event at MIDAS 2025 - Tamil Nadu State Students Conference,** showcasing her strength, technique, and commendable athletic ability.

Her performance reflected dedication, determination, and a strong competitive spirit throughout the event.

By securing a place among the winners, she demonstrated her enthusiasm and commitment to sporting excellence.

This achievement brought recognition to both Riddhi Tulsian and the institution, making it a proud sporting accomplishment and highlighting the importance of encouraging students to actively participate in sports and develop their talents beyond academics.

Our **undergraduate students** achieved the prestigious **Overall Runners-Up position at MIDAS 2025 - Tamil Nadu State Students Conference**, marking a proud and memorable achievement for the institution. Their success reflected consistent excellence and enthusiastic participation across a wide range of **academic, sports, and cultural events** conducted during the conference.

The students demonstrated remarkable dedication, teamwork, discipline, and competitive spirit while representing the institution in various events. Their collective efforts and consistent performances across multiple categories contributed significantly to securing the Overall Runners-Up position.

This achievement highlights not only the students' individual talents and abilities but also their capacity to work together as a team and strive towards a common goal.

Their accomplishments reflect the importance of encouraging students to pursue excellence beyond academics and actively participate in sports, cultural activities, and other co-curricular platforms.

The Overall Runners-Up position stands as a testament to the dedication and commitment of the undergraduate students.

Their success brings pride and recognition to the institution while reflecting the values of teamwork, holistic development, and all-round excellence promoted by the institution.

Our **undergraduate Volleyball Boys team** secured **First Place at MIDAS 2025 - Tamil Nadu State Students Conference**, marking a proud sporting achievement for the institution. The team demonstrated excellent skill, teamwork, determination, and competitive spirit throughout the tournament.

Rohith was honoured with the prestigious **Player of the Tournament award** for his exceptional performance and leadership. His valuable contribution played a significant role in the team's success.

This remarkable achievement reflects the players' dedication and collective effort, bringing recognition and pride to both the team and the institution.

Our **undergraduate students** secured **Second Place in the March Past at MIDAS 2025 - Tamil Nadu State Students Conference**, showcasing discipline, coordination and unity while conveying a **strong 'No Terrorism'** message through synchronized movements and precise formations.

Our **undergraduate students** achieved **Third Place in the 4 × 100 Metre Relay (Mixed) event at MIDAS 2025 - Tamil Nadu State Students Conference**, reflecting their strong teamwork, coordination and athletic proficiency.

Mr. Karthik, an undergraduate student, secured **First Place in the 400-metre event at MIDAS 2025 - Tamil Nadu State Students Conference**. His outstanding performance demonstrated exceptional speed, endurance and determination, reflecting his dedication to athletics.

Our **undergraduate students were crowned Overall Cultural Winners at MIDAS 2025 – Tamil Nadu State Students Conference**, marking a proud and memorable achievement for the institution. Their outstanding success showcased exceptional **talent, creativity, enthusiasm, and teamwork** across a wide range of cultural events.

The students delivered impressive performances, demonstrating their artistic abilities and commitment to excellence. Their collective efforts, dedication, and active participation played an important role in securing the prestigious **Overall Cultural Winners** title. The achievement reflected not only individual talent but also the ability of the students to work together, support one another, and represent the institution with confidence and pride.

Their success highlights the importance of cultural activities in encouraging creativity, self-expression, confidence, and teamwork among students. It also reflects the institution's continued commitment to promoting **holistic development** by providing students with opportunities to excel beyond academics.

The remarkable achievement brought great pride and recognition to both the students and the institution, standing as a testament to their **artistic excellence, dedication, teamwork, and vibrant cultural spirit**.

Our **undergraduate students** secured **First Place in Group Singing at MIDAS 2025 - Tamil Nadu State Students Conference**, marking a proud and memorable cultural achievement for the institution. Their outstanding performance showcased exceptional **vocal talent, harmony, coordination, and teamwork**, creating a captivating and emotionally resonant musical experience for the audience.

The students performed with great enthusiasm, confidence, and dedication, demonstrating their ability to bring together individual voices into a well-coordinated and harmonious group presentation.

Their collective effort and musical understanding contributed significantly to the success of the performance and helped them secure the prestigious **First Place** in the competition.

The achievement reflected the students' commitment to artistic excellence and their willingness to work together towards a common goal.

Through effective coordination and teamwork, they delivered a memorable performance that highlighted their creativity, discipline, and passion for music.

This success also emphasizes the importance of cultural activities in encouraging self-expression, confidence, creativity, and collaboration among students. Such platforms provide valuable opportunities for young talents to explore their abilities and showcase their skills beyond academics.

The remarkable accomplishment brought great pride and recognition to both the students and the institution. Their **First Place in Group Singing** stands as a testament to their **musical excellence, dedication, strong team spirit, and vibrant cultural talent**.

Our **undergraduate students secured First Place in Indian Dance at MIDAS 2025 - Tamil Nadu State Students Conference**, marking a proud and memorable cultural achievement for the institution.

Their outstanding performance was a captivating **tribute to Lord Shiva**, presented with devotion, creativity, and artistic excellence.

The performance beautifully combined **graceful movements, expressive storytelling, and seamless synchronization**, creating a visually engaging and meaningful presentation. Every element of the performance reflected the students' dedication, coordination, and commitment to delivering a memorable cultural experience.

The choreography skilfully **blended classical and folk elements**, bringing together the richness of Indian artistic traditions in a vibrant and captivating manner.

The presentation reflected a deep sense of **devotion, cultural richness, and artistic expression**, while showcasing the students' talent and enthusiasm for Indian dance.

Their collective performance demonstrated excellent teamwork, discipline, and coordination, contributing significantly to their success in securing **First Place** in the competition.

The achievement highlights the students' ability to represent the institution with confidence and creativity on a prestigious platform.

This remarkable accomplishment brought great pride and recognition to both the students and the institution. Their **First Place in Indian Dance** stands as a testament to their **artistic excellence, dedication, teamwork, cultural appreciation, and passion for the performing arts**, making it a truly proud moment for the entire institution.

Our **undergraduate students** secured **First Place in the Bride and Groom event at MIDAS 2025 - Tamil Nadu State Students Conference.**

Their captivating **Forest Fantasy performance** showcased remarkable creativity, elegance, and storytelling.

With intricate costumes, graceful movements, and expressive portrayals, the students delivered an engaging presentation that impressed the audience and earned them a well-deserved top position.

Our **undergraduate students** secured **First Place in Woodstock at MIDAS 2025 - Tamil Nadu State Students Conference.**

Their high-energy performance showcased exceptional creativity, musical talent, and flawless coordination, perfectly embodying the theme **“Instrument Separates but Music Unites.”**

With remarkable enthusiasm, teamwork, and an impressive stage presence, the students delivered a captivating performance that earned them a well-deserved top position and brought pride to the institution.

Our **undergraduate students Ms. Prathiksha, Ms. Vasundara and Ms. Aishwarya secured First Place in Mehendi at MIDAS 2025 – Tamil Nadu State Students Conference.**

Their dentistry-inspired designs showcased exceptional creativity, precision, and artistic finesse.

By **blending traditional mehendi patterns with professional dental motifs**, they created distinctive and innovative designs that stood out in the competition, earning them a well-deserved and proud award-winning achievement.

Our **undergraduate students Mr. Ruthra Pranav, Ms. Rubasri and Ms. Mahalakshmi B secured First Place in Fruit Carving at MIDAS 2025 – Tamil Nadu State Students Conference.**

They transformed ordinary fruits into intricate and visually stunning creations, showcasing exceptional creativity, precision, and artistic skill.

Their impressive teamwork and coordinated efforts contributed to a remarkable presentation, earning them a well-deserved top position and bringing pride to the institution.

Our **undergraduate students** secured **Second Place in Western Dance at MIDAS 2025 - Tamil Nadu State Students Conference**, marking a proud cultural achievement for the institution.

Their energetic and powerful performance was inspired by **the valor of the Indian Army**, presenting a meaningful portrayal of patriotism, courage, unity, and dedication.

The performance combined **dynamic choreography, precise synchronization, and commanding stage presence**, creating an engaging and impactful experience for the audience.

The students demonstrated remarkable energy, coordination, and teamwork throughout the presentation, reflecting their dedication and commitment to delivering a memorable performance.

Through their expressive movements and well-coordinated choreography, the team successfully conveyed the spirit of unity and patriotism that formed the central inspiration for their performance.

Their confidence and enthusiasm on stage left a lasting impression on both the audience and the judges.

The achievement of **Second Place in Western Dance** reflects the students' creativity, discipline, teamwork, and artistic talent.

Their outstanding performance brought pride and recognition to the students and the institution, standing as a testament to their passion for cultural expression and commitment to excellence.

Our undergraduate students secured **Second Place** in the **Fashion Show at MIDAS 2025 - Tamil Nadu State Students Conference**, marking a proud cultural achievement for the institution.

Their impressive performance showcased exceptional **creativity, confidence, and thematic storytelling**, capturing the attention of both the judges and the audience.

Through **innovative designs, expressive runway walks, and confident stage presence**, the students brought the **Cosmic Couture theme** to life in a captivating and imaginative manner.

Their coordinated presentation reflected creativity and artistic expression while delivering a visually engaging performance.

The participants demonstrated enthusiasm, teamwork, and dedication throughout the event, contributing to the success of their presentation.

Their ability to combine fashion, performance, and storytelling created a memorable experience and left a lasting impression on the audience and judges.

The achievement of **Second Place in the Fashion Show** reflects the students' talent, creativity, confidence, and commitment to cultural excellence.

Their outstanding performance brought pride and recognition to both the students and the institution, highlighting the importance of providing opportunities for students to explore their artistic abilities and showcase their talents beyond academics.

Mr. Leslie Thomas, an intern, **won the Mr. MIDAS title at MIDAS 2025 – Tamil Nadu State Students Conference, securing his second consecutive crown.**

His outstanding confidence, charisma, and exceptional stage presence impressed both the judges and the audience, setting a remarkable benchmark for excellence.

His consecutive victory reflects his consistent talent, dedication, and ability to perform with confidence on a prestigious platform.

Ms. Shri Varshaa Kumar, an intern, **won the prestigious Ms. MIDAS crown at MIDAS 2025 – Tamil Nadu State Students Conference.**

She captivated the judges and audience alike with her grace, poise, confidence, and remarkable stage presence.

Showcasing elegance and charisma throughout her performance, she earned this distinguished title with great distinction.

Together, their remarkable achievements brought pride and recognition to the institution, highlighting the exceptional talent, confidence, and vibrant spirit of its students.

Our **undergraduate students** secured **Third Place in the Adzap event at MIDAS 2025 – Tamil Nadu State Students Conference**, marking a proud achievement for the institution.

The team delivered an impressive performance that showcased their **creativity, quick thinking, communication skills, and innovative ideas.**

Through a humorous and persuasive presentation, the students successfully captured the attention of the audience and created an engaging and memorable experience.

Their ability to combine creativity with effective communication played an important role in the success of their performance.

The team demonstrated excellent coordination and enthusiasm while presenting their ideas in an entertaining and impactful manner.

The event provided an opportunity for the students to showcase their talents beyond academics while encouraging creativity, teamwork, confidence, and effective presentation skills.

Their performance reflected the collective effort and commitment of the entire team.

Securing **Third Place in the Adzap event** was a well-deserved recognition of their creativity and engaging presentation.

The achievement brought pride to both the students and the institution, highlighting their ability to work together, think innovatively, and perform confidently on a competitive platform.

Our **undergraduate students secured Third Place in the Short Film event at MIDAS 2025 – Tamil Nadu State Students Conference**, marking a proud achievement for the institution.

Their powerful **anti-ragging film** effectively combined compelling storytelling, impactful visuals, and strong performances to deliver a meaningful and thought-provoking presentation.

The film conveyed a **socially relevant message of empathy and student safety**, highlighting the importance of creating a supportive, respectful, and safe environment for students. Through effective storytelling and engaging visuals, the team successfully communicated the significance of understanding, compassion, and responsible behaviour.

The students demonstrated creativity, teamwork, dedication, and excellent communication skills throughout the production. Their collective effort helped transform an important social message into a compelling short film that captured the attention of the audience and judges.

Securing **Third Place** was a well-deserved recognition of their creativity and impactful presentation.

This achievement brought pride to both the students and the institution, while highlighting their ability to use the medium of film to promote meaningful social awareness and positive values.

Team-Bonding Activities

A fun-filled “Bonding-Debonding” themed dinner and get-together was organized by the **Department of Orthodontics** for all postgraduate students, faculty members, and non-teaching staff.

The event provided a wonderful opportunity for everyone to come together in a relaxed and enjoyable atmosphere beyond their regular academic and professional responsibilities.

The gathering fostered a strong spirit of **camaraderie, enjoyment, and unity**, encouraging meaningful interaction among students, faculty, and staff members. Through shared conversations and experiences, the event strengthened interpersonal connections and promoted a sense of belonging within the department.

The occasion celebrated the importance of **teamwork and togetherness**, recognizing that strong professional relationships and mutual support contribute to a positive and harmonious working environment.

The “Bonding-Debonding” theme added a fun and memorable element to the gathering, bringing everyone together to celebrate their shared experiences.

The event was enjoyed by all participants and served as a refreshing occasion to strengthen unity and fellowship.

It reflected the department’s commitment to nurturing a positive, inclusive, and supportive environment while creating memorable moments for every member of the Orthodontics family.

Jingle Bells and Joyful Moments

The campus of **Sree Balaji Dental College and Hospital** came alive with the **warmth and joy of Christmas** as **students, staff, faculty and patients** joined together in a heartfelt celebration of the festive season.

Soulful carol singing across various departments spread cheer and comfort, filling the hospital with a calm and joyful spirit and bringing smiles to everyone present. **Fun games organized for students and staff** added laughter and strengthened the sense of togetherness within the campus.

Students organised handcraft stalls showcased their creativity and festive talent, adding colour and charm to the celebrations.

Overall, the Christmas celebration was a beautiful expression of joy, compassion and unity, leaving everyone with happy memories and the true spirit of the season.

The Department of Orthodontics proudly secured **First Prize for Best Decorated Department** during the **Christmas Celebration 2025** held at our college.

The award stands as a testament to the creativity, teamwork, and enthusiastic efforts of the students, faculty, and staff, whose collective contribution transformed the department into a vibrant reflection of the festive spirit.

Our department secured **Second Prize** for **Best Decorated Department** during the **Christmas Celebration 2025** in our college.

The **Department of Oral and Maxillofacial Surgery** celebrated **Christmas 2025** with joy and unity, bringing **faculty, postgraduates and interns together** in true festive spirit. The celebration featured festive decorations and joyful interactions, reflecting the values of sharing, goodwill and togetherness associated with Christmas—a **celebration of joy, togetherness and festive cheer** that brought the Oral and Maxillofacial Surgery family closer.

 Co-Convener

The **238th Clinical Society Meeting (CSM)** of **Sree Balaji Dental College and Hospital, BIHER**, was held on **29th October 2025** at the **SBDCH Auditorium**.

The scientific session featured a thought-provoking lecture titled "Manifesting Beneath the Palate" by **Dr. C. Ramya**, Senior Lecturer, Department of Oral Pathology and Microbiology. The postgraduate and student presentations included **Dr. Pavishwarya Panchatcharam** (II year PG, Oral and Maxillofacial Surgery), who spoke on "Principles Involved in the Development and Management of Soft Tissue Injuries," and **Ms. Shree Soundharya A** (CRRI, Public Health Dentistry), who presented "From Fear to Fun: The Impact of Virtual Reality on Pediatric Dental Care."

The meeting fostered interdisciplinary learning and enriched the academic ambience of the institution.

The **239th Clinical Society Meeting (CSM)** of **Sree Balaji Dental College and Hospital, BIHER**, was held on **26th November 2025** at the **SBDCH Auditorium**.

The meeting featured a clinician-oriented lecture by **Dr. Balavenkata Bharathi Chaturvedula** on **Forsus Fixed Functional Mechanics**, along with postgraduate scientific presentations by **Dr. Deepthika B** on periodontal regenerative surgery and **Dr. Kirthieka S** and **Dr. Selvamani E** on anterior esthetic rehabilitation.

The session was academically enriching and promoted **interdisciplinary clinical learning and scientific exchange**.

As part of the **240th Clinical Society Meeting (CSM)** held at **Sree Balaji Dental College and Hospital**, we were honoured to have **Dr. Rengalakshmi M.**, Associate Professor and Academic Head, Department of Orthodontics and Dentofacial Orthopedics, Saveetha Dental College and Hospital, Chennai, as the invited speaker.

She delivered a scholarly and scientifically enriching lecture for the Orthodontic faculty and postgraduate students in the forenoon on **“Surgery First Orthognathic Approach: Precision, Planning & Predictability in the Digital Era.”** She further captivated the audience with yet another eclectic scientific presentation on **“Incorporation of Technology to Optimise Orthodontic Treatment.”** We express our sincere gratitude to Dr. Rengalakshmi for gracing our scientific forum and enriching the faculty and students with her vast knowledge and expertise.

The **241st Clinical Society Meeting (CSM)** of **Sree Balaji Dental College and Hospital**, under **BIHER**, was held on **23rd December 2025** at the **SBDCH Auditorium**. The scientific session featured engaging postgraduate presentations across diverse specialties. **Dr. Asifa Munaf** (II year PG, Oral Medicine and Radiology) presented a systematic review titled “From Data to Diagnosis: Unveiling the Role of Artificial Intelligence in Detecting Jaw Cysts and Tumours.”

Dr. Kalaarasi M (Final year PG, Conservative Dentistry and Endodontics) delivered an insightful presentation on “Veneer Smile Makeover,” while **Dr. Medlyn Marisha** (II year PG, Pediatric and Preventive Dentistry) discussed “From Fracture to Function: Managing Crown-Root Injuries.” The session was academically enriching and reflected the institution’s commitment to multidisciplinary learning and clinical excellence.

This a review for consultation and deep cleaning treatment by Dr. Deeraj and Dr. Vasanth. Excellent treatment and fantastic care towards patients. Doctors ensured utmost convenience of patients by checking pre and post care period. Doctors were very kind and explained every questions be it small or big. Additionally they gave recommendations to have healthy oral care to avoid future issues.Highly recommended. Wishing team the best!!

Dr. Khavya is absolutely amazing! I recently got tooth braces done with them and the results are truly extraordinary. From the initial consultation to the final reveal, the entire process was smooth and painless. Dr. Khavya and their team are so professional, caring, and genuinely invested in getting my smile i have always wanted. The transformation is incredible - my confidence has soared! I highly recommend Dr. Khavya to anyone looking for top-notch orthodontic care. Five stars isn't enough - they're the best!

Recently I completed my braces treatment in Sree Balaji Dental Hospital. Thanking Dr. Neeraj from orthodontics department for his work in correcting my smile and his flexibility for setting appointment dates. He also gave me side by side finish photos of my tooth. Im happy with the final results and overall had a good experience.

Recently a week ago(26 May 2025) I have completed root canal treatment since my teeth was completely decayed and had a lot of pain which I'm unable to eat anything even had a fear of losing my original teeth although from few of the clinics which I visited i heard the same need to remove complete teeth.... This words even makes me to think a lot of losing teeth But with a small hope i went to Balaji dental hospital Dr. Thaya done the treatment for me in 3 seatings usually it would be finished in 2 seatings but due to my major decay it took me lot of time ... Ultimately his treatment was excellent, He doesn't even rush my treatment very smoothly he done it, i truly appreciate his patience and dedication....My fear got removed.

The best thing which I ever seen in anyone post our treatment no doctor will ask us how is our teeth condition... But I heard from Dr. Thaya regarding my tooth which I ever seen from anyone truly he was such a compassionate towards his patients.

VOICES OF OUR PATIENTS

INFRASTRUCTURE

DEPARTMENT OF ORAL MEDICINE AND RADIOLOGY

On October 1, 2025, the **Radiology Department** was renovated and inaugurated with the installation of an advanced Cone Beam Computed Tomography (CBCT) unit by our Chairperson, Dr. J. Sri Nisha, in the esteemed presence of our Managing Director, Mr. Elamaran, Registrar, Dr. Bhuminathan and Dean, Dr. M. S. Kannan.

A dedicated student radiography room has been established to enable undergraduate and postgraduate students to perform radiographic exercises independently under supervision, thereby enhancing hands-on learning and technical competence.

In addition, a separate Skull X-ray unit has been provided exclusively for academic and clinical purposes, facilitating proper training in extraoral radiographic techniques. The department also features a well-designed, exclusive OPG room, ensuring efficient patient flow, radiation safety, and optimal image acquisition.

The upgraded facilities further include enhanced radiation protection measures, modern digital image processing systems, a patient-friendly layout and an improved workflow design, creating a safe, efficient and academically enriching environment for students, faculty and patients
