ABOUT THE SPEAKERS

Dr. ARIF SALMAN

Dr. ARIF SALMAN is an American Board of Periodontology certified Periodontist and Dental Implant Surgeon serving as Chair and Graduate Periodontics Program Director at West Virginia University School of Dentistry. Upon completion of his dental and residency training in India, Dr. Salman moved to the US to pursue an implant fellowship program, supported by a scholarship from International Team for Implantology. Later, he completed Periodontics Residency program at the University of Connecticut School of Dental Medicine.

Dr. Salman has significant patient care, teaching and research experience for more than 20 years. Dr. Salman was honored with the Leslie M. Salkin Achievement award from American Board of Periodontology for achieving top score in the oral examination. He is very active in organized dentistry and is currently representing the American Academy of Periodontology in ADA's Commission for Continuing Education Provider Recognition Program. He is a fellow of International Team for Implantology, American College of Dentists and Pierre Fauchard Academy. His research interests include computer-assisted implant surgery, implant loading protocols, hard and soft tissue augmentation around natural teeth and dental implants. Dr. Salman lectures nationally and internationally and has many peer reviewed publications to his credit.

Dr. DHANDAPANI ARUNACHALAM

Dr. DHANDAPANI ARUNACHALAM is a Periodontist & Implantologist Director of Smiles India Family Dentistry, Dental clinic and Implantology center, Adyar. He was also the Ex-Dean of Priyadharshini Dental College and hospital, affiliated to Dr. MGR Medical University. After finishing his Undergraduate in Madras Dental College in 1989, he pursued his post graduation in the field of Periodontology in the TN Government Dental College and has also secured MBA Degree from Anna University. He has 25 years of clinical teaching and research experience.

He is a fellow in both International team for Implantology as well as International congress of Oral Implantology. He was Past President of Asian Pacific Society of Periodontology. He is an executive committee member, Organizing secretary and editor in Indian Society of Periodontology. Owns numerous international and national publications. Updated in the field of Implantology and well known for his orations in international and national platform.
