

Dr. M. KALAIVANI

Sl. No	Topic	Journal Name	Authors	Year / Vol / Issue / Page No	Indexing
1	Comparative Evaluation of Effect of Calcium Hydroxide Intracanal Medicament and Antibiotic Paste on Dentin Microhardness: A Systematic Review	Cureus.78886 (2025)	Dr. M. KALAIVANI	2025	pubmed , wos
2	Obturation of Simulated Internal Resorption Cavities With Four Different Techniques and a Hydraulic Root Canal Sealer: A Comparative Stereomicroscopic Evaluation	Cureus.76443 (2024)	Dr. M. KALAIVANI	2024	pubmed , wos
3	Analyzing the Bioactivity of a Novel Bone Cement: An Invitro Study	Cureus.68422 (2024)	Dr. M. KALAIVANI	2024	pubmed , wos
4	Ergonomics in Dentistry to enhance work efficiency	Advances in Bioresearch. Special issue: Multidisciplinary approach in dentistry (2012)	Dr. M. KALAIVANI	2012	II
5	Influence of homebleaching regimen on microhardness and flexural strength of two contemporary composite resins an invitro evaluation	Eur Oral Res. 2023;57(2):90-95	Dr. M. KALAIVANI	2023	pubmed , scopus
6	Influence of In-Office and Home Bleaching Regimen on Flexural Strength of Nano-Hybrid Composite Resins: An In-Vitro Evaluation.	IOSR Journal of Dental and Medical Sciences (IOSR JDMS), 19(1), 2020, pp 72-76.	Dr. M. KALAIVANI	2020	copernicus
7	Unconventional Endodontics for the Aesthetic Rehabilitation of Fractured, Discolored and Rotated Maxillary Central Incisor	International Journal of Medical Science and Diagnosis Research (IJMSDR), 2021;5(12):8-12.	Dr. M. KALAIVANI	2021	copernicus
