Roles and Responsibilities	
Sl.No	Details
	<p>I am a self-motivated and progress-driven Oral and Maxillofacial Surgeon with a considerable background in this field. With a long-standing record of initiative and innovation, I have developed and executed strategies that I believe will bring value to the institution. Throughout the course of my career, I have honed my abilities in assessment and effective patient care. I am an astute problem-solver capable of prioritizing and managing challenging cases with proficiency. I exercised skills in decision-making, communication and patient management and consistently contributed to team efforts and organizational improvements. I am open-minded and focused on new developments in my field. I have proven to be effective and motivational, with proficiency in management and collaborative work</p>
