Oral Implantology

SREE BALAJI DENTAL COLLEGE

Presents

Comprehensive Clinical Training on Dental Implants

September 2022 - January 2023

in association with

Sree Balaji Dental College , Chennai in association with Nobel Biocare, is glad to offer a Structured and Comprehensive Clinical Training Program on Basics of Dental Implants.

The participants would receive a complete Academic and Clinical insight over Dental implants. They would be guided to place implants on patients under the guidance of expert mentors. Restoration of these implants via Prosthodontic module would follow the surgical module.

Final Module would cover an insight and scope of advanced Implantology with CAD CAM applications.

Postgraduates and Graduates passed from Sree Balaji Dental College are eligible to participate in the program. Maximum no of 25 participants. The program fee is an exclusive special subsidy offered for University Education Programs from BIHER, Deemed University.

Participants would be awarded a Certificate at the Completion of the Program.
