## Course Highlights

The course aims to enlighten the growing number of practitioners and surgeons on the importance of facial trauma, the mainstay of maxillofacial surgery. The program comprises a lecture series where various esteemed faculty will impart their knowledge and wisdom on the various approaches, techniques, and fixation methodologies of maxillo-facial trauma, following which the participants will be allowed to execute the former on mounted models. Throughout the session, the participants will be under the supervision and mentorship of the faculty.

- Course Fee** : Rs. 2000(Inclusive of GST)  
**No. of participants** : 20 [Limited Attendance]  
**Organised by** : Department of Oral & Maxillofacial Surgery,
