## SPEAKERS

### **DR. RAVI KIRAN ONGOLE**

Dr Ravikiran Ongole is the Professor and Head of Oral Medicine and Radiology at Manipal College of Dental Sciences, Mangalore. He is a dedicated educator and researcher contributing to various institutional committees and publications. He received the Good Teacher Award in 2012. He has authored two books in his field and serves on the advisory board for the South Asia Edition of the Text Book of Oral Radiology. Dr. Ongole is a much sought-after speaker at CME's and international conferences, including IADR/AADR and the Royal College of Surgeons. He is actively involved in funded international collaborative research projects related to oral precancer. Holds four patents, and has received multiple innovation awards.

### **DR. ARVIND KRISHNAMURTHY**

Dr. Arvind Krishnamurthy is the Professor and Head of Surgical Oncology at the Cancer Institute, Chennai. He also holds the position of Honorary Secretary at the Indian Society of Oncology. Dr. Krishnamurthy specializes in Head and Neck, Thoracic, and Breast Oncology. He has received numerous accolades, including the Dr KS Sanjivi Award for his dedication to non-commercial healthcare. With over 210 publications in indexed and peer-reviewed journals, he actively engages in ongoing research projects, especially in the genetic susceptibility of oral cancer. Dr. Krishnamurthy is a Principal Investigator in various research endeavors and plays a key role in academic training.

### **DR. VIJAYALAKSHMI RAMSHANKAR**

Dr. R. Vijayalakshmi, MSC, PhD in Molecular Oncology, is a distinguished Professor and Head at the Department of Preventive Oncology Research, Cancer Institute WIA, Chennai. She has received numerous accolades, including being a university topper in biochemistry, gold medalist for research and paper presentations, and awards from DBT-PDF and Lady Tata Memorial Trust. Her primary focus is on molecular oncological studies, molecular prevention, and molecular diagnostics, with an impressive publication record of 50 articles in National and International journals, accumulating an impact factor of 130.
