FROM THE CHAIRPERSON

Dr. J. Sri Nisha Chairperson

It gives me great satisfaction to witness the continued growth of Sree Balaji Dental College and Hospital in academic excellence, compassionate care, and social responsibility.

Each academic year presents new challenges and opportunities, and I am proud of how our leadership, faculty, and students rise to meet them with dedication and purpose. Their commitment—both inside and outside the classroom—truly reflects the values of our institution.

As Chairperson, I believe education must not only impart knowledge but also build character and inspire service. These ideals are clearly visible in the everyday life and culture of SBDCH.

I extend my sincere appreciation to the Dean, faculty, students, and the entire SBDCH community. May this Annual Report serve as a reflection of our shared efforts and a guidepost for the future.

MANAGING DIRECTOR'S MESSAGE

Er. N. Elamaran Managing Director

The academic year 2024-2025 has been a period of meaningful progress for Sree Balaji Dental College and Hospital—defined by academic excellence, technological advancement, and institutional growth.

In today's fast-changing healthcare landscape, we aim not just to meet standards but to set them. This year, we've invested in modern clinical infrastructure, advanced learning tools, and strengthened our research capabilities—all aimed at shaping professionals who are both skilled and compassionate.

Our achievements are driven by visionary leadership, academic planning, and a culture that encourages discipline and innovation. It is heartening to see our students excel at national and international levels, supported by a faculty deeply committed to excellence.

As Managing Director, I remain focused on ensuring that SBDCH continues to be a benchmark institution—empowered and future-ready. I sincerely thank the Dean, faculty, students, and staff for their dedication.

This Annual Report reflects both our progress and our aspirations.

MESSAGE FROM THE REGISTRAR

Prof. Dr. S. Bhuminathan Registrar

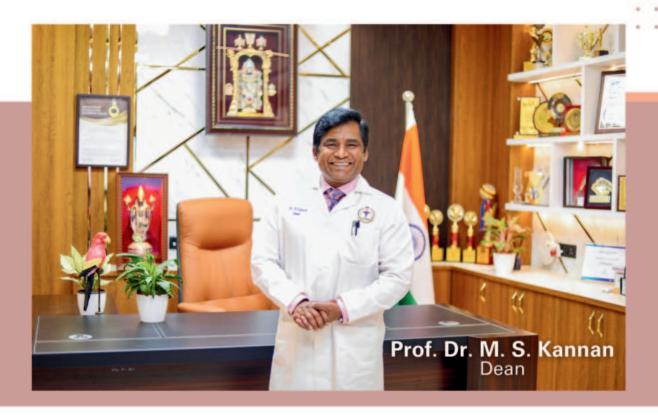

The past year has seen remarkable progress across academics, clinical training, research, and community outreach at Sree Balaji Dental College and Hospital. This report reflects the vibrant spirit of an institution deeply committed to excellence and societal impact.

Highlights include national-level events like the 3rd National Symposium on Invisible Orthodontics, and student-focused platforms such as Moksha 2024, showcasing our dedication to holistic development. Initiatives like PAAVAI 2024 and the World No Tobacco Day rally reinforce our emphasis on social responsibility alongside academic rigor.

Our continued focus on innovation, values-based education, and compassionate care has positioned us among the country's leading dental institutions. I thank the Dean, faculty, students, and staff for their united efforts in making this academic year a success.

I also appreciate the team behind this Annual Report for compiling a clear and impactful record of our achievements.

FROM THE DESK OF THE DEAN

It gives me great pride and gratitude to present the Annual Report of Sree Balaji Dental College and Hospital for the academic year April 2024 to March 2025. This year has been marked by our continued pursuit of excellence in education, innovation in research, and compassionate healthcare. Through various academic programs and knowledge-sharing platforms, our students and faculty have actively contributed to scientific growth and creative expression. Public health awareness initiatives further strengthened our commitment to social responsibility, extending learning beyond classrooms into the community.

I sincerely thank our dedicated faculty, enthusiastic students, and support staff for their unwavering efforts throughout the year. I also extend my heartfelt appreciation to the management and the Registrar for their constant support and guidance. This report reflects a year of meaningful progress - rooted in learning, driven by values, and committed to shaping a better future in dental education and service.

HUMBLE BEGINNINGS

Established in 1989, our institution proudly stands as one of the first private dental colleges in India. What began as a modest initiative rooted in a vision for academic excellence has now grown into a beacon of dental education, research, and innovation in the country.

From its early days, the college has remained committed to providing quality education, nurturing ethical professionals, and contributing meaningfully to the field of oral healthcare. Over the years, this commitment has steadily translated into consistent growth and recognition on national and international platforms.

In 1998, the college took a significant leap forward by introducing postgraduate programs in dentistry, providing a platform for advanced clinical training and research. This year, we are proud to welcome the 23rd batch of MDS students, marking over two decades of postgraduate excellence.

Another major milestone was achieved in 2002 when the institution was conferred Deemed University status. This recognition not only affirmed our academic credibility but also empowered us to broaden our curriculum, invest in infrastructure, and enhance the learning environment for students and faculty alike.

This academic year also witnessed the joining of the 36th batch of BDS students, a testament to our enduring reputation and the trust we continue to earn from aspiring dental professionals and their families.

Adding to the momentous occasion, we proudly celebrate the graduation of our 31st batch of BDS students—a group that now joins our ever-growing alumni network, carrying forward the values and legacy of our institution into the world.

As we reflect on our journey, we remain inspired by our humble beginnings and driven by a collective vision for future excellence.

OUR VISION

We envision fostering an academic and research environment that nurtures professional excellence, ethical values, and social responsibility among students and faculty. Our goal is to serve society through quality education and innovation.

OUR MISSION

Our mission is to be a globally recognized institution for education, research, and innovation across disciplines including Dentistry, Medicine, Engineering, Nursing, and Allied Health Sciences. We aim to set high standards in professional practice, instill human values, encourage holistic development, and promote community engagement. By strengthening alumni relations, we empower our graduates to contribute meaningfully at national and international levels.

CONTINUING DENTAL EDUCATION

EMPOWERING CLINICAL EXCELLENCE: BASIC IMPLANTOLOGY COURSE 2024

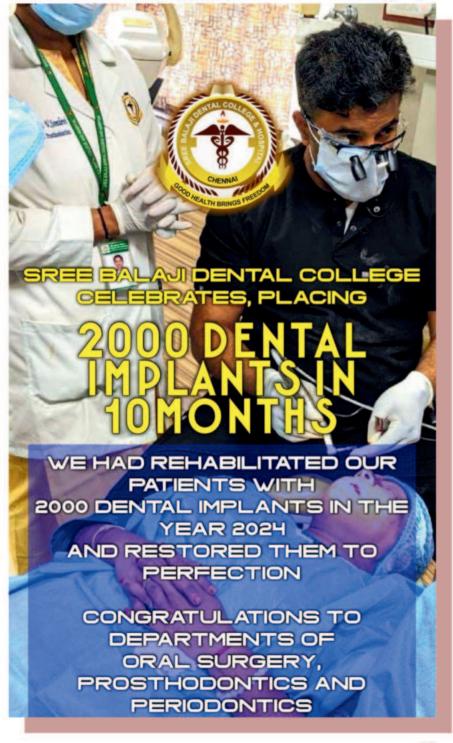

A three-module Comprehensive Implant Workshop was successfully conducted, enhancing the skills and knowledge of dental professionals in implantology. Led by Dr. Hariharan, the workshop featured in-depth training on prosthodontics, including innovative techniques and best practices in implant procedures. Attendees participated in hands-on sessions, interactive discussions, and case studies, fostering a collaborative learning environment.

BREAKING BOUNDARIES: 2,000 IMPLANT MILESTONE

In 2024, Sree Balaji Dental College & Hospital achieved a remarkable milestone by successfully placing 2,000 dental implants within just 10 months. This incredible feat underscored the expertise, precision, and teamwork of the departments of Oral Surgery,

Prosthodontics. and Periodontics. Their collaborative effort played a pivotal role in transforming patients' lives by restoring smiles and confidence. The achievement reflects the institution's unwavering commitment to clinical excellence and patient care. It also sets a new benchmark in implantology, inspiring continued innovation and dedication dental in healthcare.

FACIO-MAXILLARY SURGERIES AT ACOMS 2024

The 16th Asian Congress of Oral and Maxillofacial Surgery (ACOMS), held on July 25. 2024. featured full-day demonstration of five advanced facio-maxillary surgeries. The procedures, corrective conducted between 8:00 AM and 4:00 PM. were broadcast live to the Chennai Trade Centre, Nandambakkam. This unique setup allowed attendees to witness complex surgical techniques in real-time, enhancing their clinical understanding and exposure. The event served as an invaluable learning platform for professionals and students, highlighting cutting-edge innovations and the evolving scope of oral and maxillofacial surgery in modern practice.

Under the visionary leadership of our Chancellor, Prof. Dr. Mohammed Rela, Sree Balaji Dental College and Hospital proudly hosted a landmark MOrth RCPS examination from December 2–4, 2024, at the Rela Institute and Medical Centre. For the first time, 18 esteemed international examiners from the UK, Ireland, and Malaysia assessed 46 candidates from across the globe—including China, Oman, Egypt, Sri Lanka, Saudi Arabia, and the UK—marking a significant milestone in the program's global expansion. This examination, conducted to UK standards, positions RIMC as the only centre outside the UK offering this opportunity, thereby enabling Indian candidates to access world-class certification domestically. The event was supported by senior faculty and leadership from BIHER and Sree Balaji Dental College, in collaboration with the Royal College of Physicians and Surgeons of Glasgow.

WHITE COAT CEREMONY

On October 21, 2024, the White Coat Ceremony for the 36th batch of 1st year BDS students was held, marking a significant milestone in their journey toward becoming dental professionals. The ceremony, which commenced at 8:30 am, was a moment of pride for the students and an emotional experience for their parents.

The event symbolized the students' official entry into the world of healthcare, as they donned the iconic white coat, pledging to uphold the principles of ethics and compassionate care. It was a day of celebration, reflection, and commitment, highlighting the beginning of their dedication to the field of dentistry.

BOOK RELEASE

The Department of Oral and Maxillofacial Pathology was proud to share its latest creation with everyone during its grand release. The event was made even more special by the esteemed presence of our Chairperson, Dr. J. Sri Nisha, who graciously officiated the book release ceremony. We express our heartfelt gratitude to Dr. S. Jagathratchagan, Chairman,

and Dr. J. Sri Nisha, M.D.S., Chairperson of Sree Balaji Dental College and Hospital, Chennai, as well as to the management, for their constant encouragement and unwavering support. This milestone was celebrated with immense pride by Dr. N. Aravindh Babu (Professor and HOD), Dr. K.M.K. Masthan (Professor), along with other respected staff and PGs of SBDCH.

PTA MEETING

Parent-Teacher Association (PTA) meeting is being conducted every year, fostering transparent communication between faculty and parents. It continuously facilitating discussions on students' academic progress, clinical training, and overall welfare. With active participation from both parents and faculty, the meeting is helping to strengthen the support system and is playing an ongoing role in enhancing students' academic professional and development.

MASS SPECTROMETRY-BASED PROTEOMICS FOR BIOMARKER DISCOVERY

On September 19, 2024, a thought-provoking guest lecture on Mass Spectrometry-Based Proteomics for Biomarker Discovery was conducted at Sree Balaji Dental College and Hospital. The session was led by Dr. Adaikkalam Vellaichamy, Professor and Head, Centre for Biotechnology, Anna University, Chennai. Dr. Vellaichamy delved into the pivotal role of mass spectrometry in biomedical research, particularly its application in identifying disease-specific biomarkers. He highlighted the integration of proteomics in clinical diagnostics and personalized medicine, shedding light on emerging technologies and methodologies. The lecture provided students and faculty with valuable insights into the field of proteomic analysis and its growing significance in modern research. Attendees actively engaged in the session, gaining a comprehensive understanding of the tools and processes involved in biomarker discovery, ultimately enhancing their academic and research-oriented knowledge base.

31ST BATCH GRADUATION HIGHLIGHTS

The 31st Batch Graduation Ceremony of Sree Balaji Dental College and Hospital was held on January 24, 2025, marking a significant milestone for students and their families. The event began with the traditional lighting of the Kuttu Vilakku by the esteemed Dean, Dr. M. S. Kannan, knowledge symbolizing and enlightenment. This special occasion celebrated the accomplishments of the 2018 BDS and MDS batch, who completed their courses in 2023. With 28 postgraduates among the graduates, the ceremony highlighted the institution's commitment to excellence, as it proudly reflected on its 36 years of legacy since its inception..

The ceremony was graced by Dr. Puneet Batra, a respected member of the Dental Council of India, as the Chief Guest. His inspiring address emphasized the importance of dedication and continuous learning in the dental profession. The day was filled with joy and pride as graduates received their degrees, marking the culmination of their hard work and perseverance. It was a memorable event for all attendees, celebrating the achievements of the graduates and the enduring reputation of Sree Balaji Dental College and Hospital.

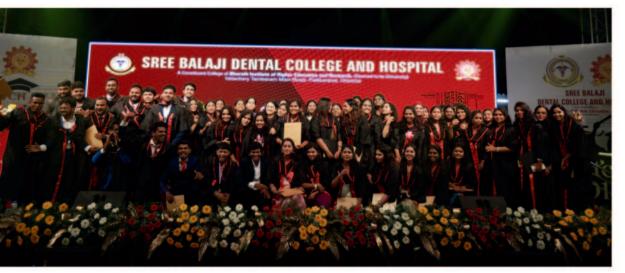

STUDENT'S DEVELOPMENT PROGRAM

NEET MDS ORIENTATION PROGRAMME

On March 21, 2024, Sree Balaji Dental College and Hospital hosted an event entitled "NEET MDS Orientation programme." The thoughts of neet candidates were enlightened by Dr. Karthikeyan, Academic Director at Ardent MDS. Students left the seminar with advice and strategies to help them ready for the NEET exam. By the time the session ended, the students felt more prepared to take the test. The batches from 2018–2023 and 2019–2024 benefited.

ACADEMIC ORIENTATION SESSION: HOW TO EXCEL IN BDS UNIVERSITY EXAMS

On July 19, 2024, an orientation session aimed at helping students excel in their BDS University exams was conducted from 10:30 AM to 11:30 AM. The session was led by Dr. Geetha Priya, Mentor Head, who shared invaluable guidance and effective strategies tailored for 1st BDS students. She emphasized time management, focused study techniques, and understanding the exam pattern. The interactive nature of the session encouraged students to clarify their doubts and gain confidence. The session significantly boosted the students' preparedness, equipping them with the tools to face their upcoming academic challenges with assurance and clarity.

POSTGRADUATE SUCCESS TALK: FROM NOVICE TO MASTER

motivational lecture titled Maximizing Postgraduate Experience: Novice to Master was delivered by Niha Naveed, offering an enriching and inspiring for all session attendees. The lecture provided practical strategies and valuable insights into personal and growth professional during studies. Niha's postgraduate engaging presentation highlighted the importance of self-discipline,

continuous learning, and embracing challenges as stepping stones toward mastery. Her words resonated deeply with the audience, motivating them to make the most of their academic journey. The session also emphasized the significance of resilience, networking, and skill enhancement in building a successful career. With her dynamic and relatable approach, Niha Naveed left a lasting impression, encouraging postgraduate students to evolve with purpose and determination. The event was widely appreciated and marked a meaningful step toward academic empowerment.

AWARENESS LECTURE ON GENDER HARASSMENT – 2024

Chennai, Tamil Nadu, India

MAIN BLOCK, BALAJI DENTAL COLLEGE, VGP Rajesh Nagar, Pallikaranai, Chennai, Tam
Nadu 600129, India
Lat 12.94437°

12/07/24 03:13 PM GMT +05:30

The Internal Quality Assurance Cell (IQAC) of Sree Balaji Dental College and Hospital organized an awareness lecture on Gender Harassment on 12th July 2024, held at the SBDCH Auditorium.

The session was delivered by Ms. Vaishali Pandian, a renowned legal expert, who addressed key aspects of gender sensitivity, the legal framework surrounding harassment, and the importance of creating a safe and respectful campus environment.

This initiative aimed to:

- Educate students and staff on recognizing and preventing gender-based harassment
- Raise awareness about legal rights and institutional support mechanisms
- Reinforce the institution's commitment to inclusivity, dignity, and equality

The event was well-received and reflected the college's proactive approach in upholding a safe academic and workplace culture.

INTERNATIONAL CAREER GUIDANCE PROGRAMME

On 31st July 2024, the Internal Quality Assurance Cell (IQAC) of Sree Balaji Dental College and Hospital organized the International Career Guidance Programme at the SBDCH Auditorium.

The session was led by Dr. Badri Thiruvenkatachari, Research Director and Professor of Orthodontics, SBDCH. With vast international academic and research experience, Dr. Badri provided insightful guidance to aspiring dental professionals on:

- · Opportunities for higher education and research abroad
- International licensing and practice pathways
- Building a strong academic profile for global competitiveness

The programme served as a valuable platform for students to understand the roadmaps to success beyond national borders, aligning with the institution's vision of global academic excellence.

LECTURE SERIES ON DIAGNOSTIC DENTAL RADIOLOGY – PART 1: RADIATION PHYSICS

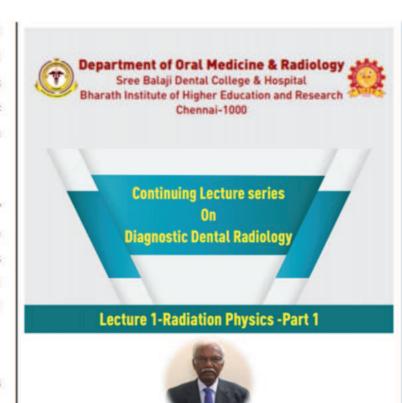

On 13th March 2024, the Department of Oral Medicine & Radiology at Sree Balaji Dental College and Hospital inaugurated its Continuing Lecture Series on Diagnostic Dental Radiology with Part 1: Radiation Physics.

The lecture was delivered by Dr. Kuppusamy Thayalan, a highly respected academician and medical physicist, who has served as Honorary Professor at Anna University and Former Professor at Madras Medical College, Chennai.

Key highlights of the session:

- Fundamentals of radiation physics relevant to dental radiology
- Safe and effective use of diagnostic radiation in clinical settings
- Importance of understanding physics principles for accurate diagnosis

The session offered foundational insights for dental students and faculty, enhancing their academic and clinical approach to diagnostic imaging. It marked the beginning of a comprehensive series aimed at strengthening radiological knowledge within the dental curriculum.

Dr. KUPPUSAMY THAYALAN

MSc (Phy), DipRP (BARC), MPhil, PhD (Bio Med Sci)

FACULTY DEVELOPMENT PROGRAM

Sree Balaji Dental College & Hospital hosted a Faculty Development Program featuring Dr. M.S. Kannan as the keynote speaker. The session, held from 2 PM to 2:45 PM in the auditorium, aimed to enhance teaching skills by focusing on effective and student-centric teaching methods. Dr. Kannan emphasized innovative teaching approaches, project-based learning, and advanced critical thinking strategies to improve educational outcomes. The program provided faculty members with valuable insights and practical techniques to foster a more engaging and impactful learning environment. This initiative reflects the institution's commitment to continuous professional development and academic excellence.

SHOWCASE OF SCHOLARLY ACTIVITIES - 2024

CLINICAL SOCIETY MEETING

HIGHLIGHTS

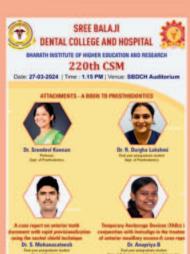

From the 218th to the 227th Clinical Society Meetings (CSM), a series of enriching academic sessions were conducted, featuring insightful presentations by faculty, postgraduates, and experts across diverse disciplines. Topics ranged from maxillofacial trauma and smokeless tobacco use to forensic age estimation, periodontal surgery, cleft rehabilitation, TMDs, and interdisciplinary innovations. Each meeting fostered active dialogue, clinical knowledge sharing, and professional growth. With dynamic discussions and high-quality presentations, the CSMs served as vital platforms for academic excellence, advancing dental education and collaborative learning throughout the year.

BASIC LIFE SUPPORT TRAINING

The Basic Life Support (BLS) program provided essential training in life-saving techniques for staff and students. Through hands-on practice. Participants learned CPR, AED use, and first aid,

equipping them to respond confidently in emergencies. The interactive sessions enhanced their skills, fostering a sense of responsibility and readiness to safeguard lives.

RESEARCH WRITING WORKSHOP: STRUCTURING YOUR MANUSCRIPT

A Continuing Dental Education program on Structuring Your Manuscript was conducted on June 28, 2024, featuring a lecture and workshop aimed at enhancing manuscript preparation skills. Dr. Paavai I., MDS, PhD, delivered an insightful session covering strategies for structuring manuscripts, selecting appropriate journals, and navigating the submission process. The interactive workshop provided hands-on activities and personalized feedback. significantly improving participants' confidence and expertise in manuscript preparation.

EXPERT WORKSHOP ON ADVANCED IMPLANTOLOGY

On 13th June 2024, Sree Balaji Dental College and Hospital had the privilege of hosting Dr. Ash Vasanthan, a distinguished Periodontist and Specialist Implantologist from California, USA. The exclusive workshop featured:

- · A live surgical demonstration on Direct Sinus Lifts,
- Implant placement and Immediate Implant placement,
- A detailed clinical lecture on Peri-Implantitis.

Dr. Vasanthan, a triple board-certified expert and President of the Sacramento District Dental Society, brought global insights and cutting-edge techniques to the academic community.

This international academic collaboration reflects the institution's commitment to promoting clinical excellence and global knowledge exchange in the field of implant dentistry.

HANDS-ON WORKSHOP ON SYSTEMATIC REVIEW ENHANCES RESEARCH SKILLS

A hands-on workshop on systematic review was organized by the Department of Oral Medicine and Radiology on April 24th and 25th, 2024. The session was led by Dr. S. Sasidaran, Research Scientist-C from the Indian Council of Medical Research (ICMR), New Delhi, who served as the guest lecturer. The two-day workshop provided valuable insights into systematic research methodologies and evidence-based practices. A total of 60 postgraduate students and faculty members actively participated and gained practical knowledge to strengthen their research capabilities.

THREE-DAY HANDS-ON WORKSHOP ON BIOINSTRUMENTATION

A three-day hands-on workshop on Bioinstrumentation was successfully conducted, witnessing enthusiastic participation from 92 individuals, including CRIs, postgraduate students from the Department of Periodontics, and BIHER students. Organized by the Human Genetics Research Centre, the event focused on enhancing practical skills and interdisciplinary knowledge.

EXTRACURRICULAR

SUPER SINGER 2024

Balajee Super Singer 2024 lit up the campus of Sree Balaji Dental College with musical energy and spirited participation. Organized by the Committee of Student Affairs and interns, under the guidance of Chairperson Dr. Nisha, Registrar Dr. Bhuminathan, and Dean Dr. Kannan, the event featured 50+contestants across six audition rounds. Finalists Parvathy, Simantinii, Sri Swathi, Miduna, Simrita Sri, and Jyotsna delivered powerful performances in the Grand Finale on March 28. Chief Guest Jen Martin graced the occasion. Jyotsna Gayathri was crowned winner, with Sri Swathi and Parvathy–Miduna as runners-up. A true celebration of talent and unity.

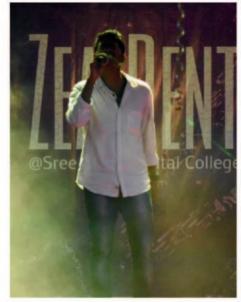

ZEALDENT CULTURAL EVENTS

ZEALDENT Cultural Events brought a vibrant blend of creativity, talent, and enthusiasm to the campus of Sree Balaji Dental College and Hospital. Organized as part of the annual cultural celebrations, the event featured a wide array of performances including dance, music, drama, fashion show, and fine arts. Students from all years participated with great spirit, making it a colorful and energetic celebration of campus life. The event fostered camaraderie, self-expression, and healthy competition, while highlighting the diverse artistic talents of the student community. ZEALDENT 2024 truly captured the essence of cultural unity and youthful exuberance.

PLEDGE FOR A DRUG-FREE TAMIL NADU

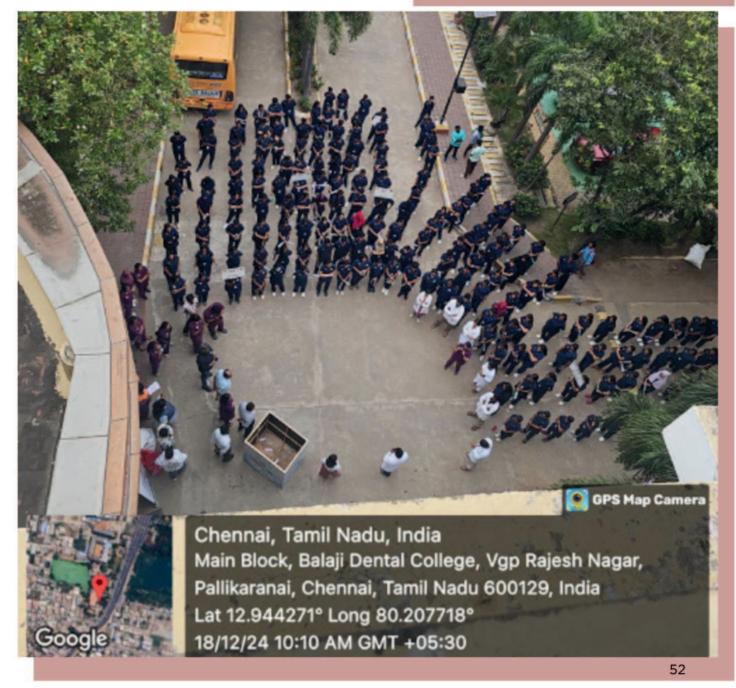

On August 12, 2024, students of Sree Balaji Dental College and Hospital joined Hon'ble Chief Minister Thiru M.K. Stalin in taking a pledge to support a "Drug-Free Tamil Nadu." The event featured impactful skits, elocution competitions, and awareness activities aimed at educating the public about the harmful effects of drug abuse. Special appreciation was extended to Dr. Anita, Head of Public Health Dentistry, along with her dedicated team and the Committee of Student Affairs, for their tireless efforts in organizing the event. Their commitment played a key role in promoting social responsibility and community engagement among students.

SUCCESSFUL ANTI-PLASTIC DRIVE

On December 18, 2024, an impactful Anti-Plastic Drive was held, encouraging participants to reduce plastic waste. The event raised awareness about the harmful effects of plastic and promoted eco-friendly alternatives. It was a successful initiative, uniting the community for a cleaner environment.

WORLD NO TOBACCO DAY 2024 – THE GREAT AWARENESS CYCLE RALLY

On the occasion of World No Tobacco Day (May 31st, 2024), Sree Balaji Dental College and Hospital organized "The Great Awareness Cycle Rally", aimed at promoting public awareness about the harmful effects of tobacco consumption.

Flagged off by Former DGP Mr. Sylendra Babu IPS, an inspiring athlete and passionate advocate for social wellness, the rally saw students and staff cycling through Chennai city to spread the message of a tobacco-free society.

The event emphasized:

- · The health hazards of tobacco,
- The importance of early cancer screening, and
- Offered free tobacco de-addiction counselling and diagnosis services.

This impactful initiative reflects the institution's strong commitment to public health advocacy and social responsibility.

HELMET AWARENESS RALLY - 2024

Tambaram City Traffic Police, in partnership with Sree Balaji Dental College and Hospital, organized a impactful "Helmet Awareness Rally" to promote road safety and helmet use among riders. The rally featured 100 motorcycles with 200 riders, including pillion riders, participating enthusiastically to spread the crucial message of helmet safety. This event aimed to raise public awareness about the importance of wearing helmets to reduce head injuries and fatalities in road accidents. The collaboration highlighted a shared commitment to creating safer roads and encouraging responsible riding habits within the community. The rally was a significant step toward improving traffic safety awareness.

CARRYING HOPE: SERVING CLEFT WARRIORS BEYOND CAMPUS

Children's Day celebrations at our Cleft and Craniofacial Centre were made even more special with Dr. Rela as our chief guest. It was heartening to witness the remarkable changes in the lives and functions of our patients. With over 800 patients receiving treatment through our charitable cause and more than 200 surgeries completed, we viewed ourselves as being on a journey of Godly service. A big congratulations to our dedicated Cleft Team for their hard work and commitment to transforming lives.

CELEBRATIONS ON CAMPUS

A blend of academic excellence and national pride marked through meaningful observances.

ACADEMIC & INSTITUTIONAL OBSERVANCES

Oral Medicine Day

NATIONAL & SOCIAL CELEBRATIONS

FUNDED RESEARCH AND ADVANCEMENTS

The Department of Cleft Orthodontics led by Dr. Badri, Dr. Manoj, Dr. Subhiksha, and Dr. Karthika, is dedicated to advancing cleft care through innovative research, patient-centered treatment, and community outreach. With over INR 7 crores in funding from national and international bodies, the team is actively engaged in groundbreaking research to improve orthodontic techniques and patient outcomes. Their holistic, interdisciplinary approach ensures comprehensive care for cleft patients, while their outreach efforts raise awareness and educate the broader community about cleft conditions and early intervention.

CENTER FOR ORAL CANCER PREVENTION AWARENESS AND RESEARCH (COCPAR)

The Centre for Oral Cancer Prevention. Awareness, and Research (COCPAR) at Sree Balaji Dental College, led by Prof. (Dr.) K.M.K. Masthan, Prof. (Dr.) N. Aravindha Babu, and Dr. Vidya Rani, is a Centre of Excellence focused advancing oral cancer research. prevention, and awareness. Equipped with state-of-the-art technology supported by internal (BIHER) and external (DST/DPT) funding, COCPAR emphasizes early detection, tobacco cessation counseling, and comprehensive care for individuals at high risk of oral cancer. The team conducts national conferences and workshops while contributing to high-impact research on oral cancer markers. pre-malignant conditions, and targeted therapies. COCPAR is committed to developing cost-effective diagnostic tools improving the prognosis for oral cancer patients, aspiring to become a national and global leader in oral cancer research.

HUMAN GENETICS RESEARCH CENTRE (HGRC)

The Human Genetics Research Centre (HGRC) at Sree Balaji Dental College, established in 2010 and upgraded in 2018 with DST-FIST support, focuses on advancing molecular genetics research, particularly in oral health. The centre collaborates with universities to study genetic polymorphisms, mutations. biomarkers linked to oral diseases and related conditions like Type 2 diabetes and cardiovascular disease. HGRC also provides professional training through workshops, hands-on programs, internships for students in dental, medical, and biomedical fields, emphasizing molecular techniques for disease prognosis and research.

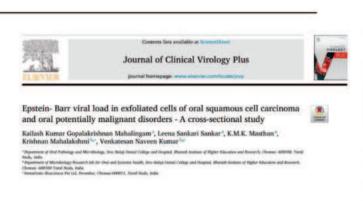

RESEARCH LABORATORY FOR **ORAL-SYSTEMIC** HEALTH (RLOSH)

The research team at the Oral-Systemic Health Laboratory is dedicated to advancing the understanding of the intricate link between the oral microbiome and systemic diseases. Led by Dr. K. Mahalakshmi as Director and Dr. K. Padmavathy as Co-Director, the team strives to promote excellence in research, focusing on the growing connection between dentistry and overall health. As changes in the oral cavity are often the first indicators of systemic health conditions, the laboratory's work is essential in enhancing early diagnosis and patient care. With a vision to explore the oral-systemic connection, the research team collaborates closely with the faculty from the Department of Microbiology and the faculty of Dentistry. This interdisciplinary approach fosters quality research, knowledge sharing, and innovation. The team's mission is not only to investigate the oral microbiome's role in systemic diseases but also to contribute to improved healthcare outcomes through collaborative efforts.

Salivary Interleukin-6 - A pioneering marker for correlating diabetes and chronic periodontitis: A comparative study

Anitha Balaji et al. Indian J Dent Res. 2017 Mar-Apr. Free article

Show details

Full text links 66 Cite

Abstract

Background: Periodontitis is a chronic inflammatory disease which is multifactorial. Diabetes mellitus (DM) is one of the major systemic factors to influence the severity of chronic periodontitis. Numerous inflammatory markers are produced in the course of the disease which is secreted in saliva too. This study evaluates the salivary concentrations of interleukin-6 (IL-6) in periodontitis patients with type 2 diabetes.

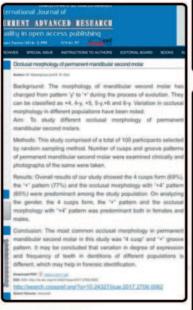

Materials and methods: Whole saliva samples were collected from eighty patients who were

Oral manifestations in hypertensive patients: A clinical study

Prashant Kumar, KMK Mastan, Ramesh Chowdhary, K1 Shanmugam

Journal of Oral and Maxillofacial Pathology 16 (2), 215-221, 2012

Aim

The aim of this work was to determine the frequency and nature of oral manifestations in a hypertensive patient.

Materials and Methods:

The study sample consisted of 465 known hypertensive patients, between the age group of 20-80 years of which 250 patients were males and 215 were females. 105 were between the age group of 1-40 years, 136 in 41-50 years, 110 in 51-60 years, and 114 in 60 and above year of age. Data were statistically analyzed Student's t-test.

Postgraduate students from the Departments of Oral Pathology, Oral and Maxillofacial Surgery, and Pedodontics have made the institution proud by securing prestigious awards at various national conferences. Their outstanding scientific presentations and active participation in academic sessions earned them top recognitions, highlighting their commitment to research and excellence in dental science. These accolades reflect the rigorous training, mentorship, and encouragement provided by the faculty and the leadership of Sree Balaji Dental College and Hospital. Such achievements reinforce the institution's growing presence in national academic forums and its mission to foster innovation and scholarly contributions in dentistry.

NATIONAL RECOGNITION FOR ACADEMIC EXCELLENCE AT PG CONVENTION

We proudly congratulate Dr. Dhivyadharahini for winning the Best Paper Award at the India National Convention held at DY Patil Dental College, Pune. Her achievement stands as a testament to her dedication. academic brilliance, and the high standards upheld by Sree Balaji Dental College and Hospital. This national-level recognition brings great pride to the institution and motivates fellow postgraduates pursue to excellence in research and presentation. Wishing her continued success and blessings in all future endeavors.

INTERNATIONAL RECOGNITION AT INVISALIGN CONFERENCE – GOA 2024

It was a proud and prestigious moment for the Department of Orthodontics as Dr. Anupriya, our postgraduate student, was selected to orate at the Invisalign International Conference held in Goa. Representing the institution on the Grand Dias among speakers from across the Asia-Pacific region, she showcased exceptional academic and clinical excellence.

This remarkable achievement highlights the department's commitment to nurturing talent and encouraging global academic engagement.

INVISALIGN -UNIVERSITY PAPER

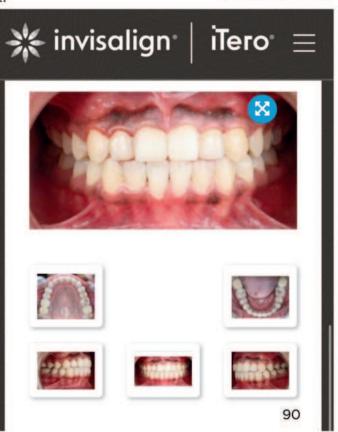

We are proud to announce that Dr. Rajeswari, our Orthodontics Postgraduate student, has achieved a remarkable milestone. Her clinical case has been selected for the prestigious Invisalign Global Gallery

— a distinction awarded to only 1,911 cases out of 16 million treated worldwide. Notably, only 18 cases from India have ever been featured, and Dr. Rajeswari becomes the first postgraduate student from India to receive this honor. This recognition not only highlights her clinical excellence but also brings pride to our institution on a global platform. Congratulations on this historic achievement!

FINAL YEAR STUDENTS SHINE AT INTERNATIONAL DENTAL SYMPOSIUM

Congratulations to our talented final-year students, Lesley and Rudra Pranav, for securing First Place in the Poster Presentation under the category of Conservative Dentistry & Endodontics at the International Research Symposium hosted by Thai Moogambigai Dental College.

Their achievement highlights the academic excellence and research potential nurtured within our institution. We are proud of their success and commend their dedication and innovation in clinical research.

INTERNATIONAL RECOGNITION AT ICOI – BANGKOK

We are proud to announce that Dr. Mohan Sateesh, Postgraduate in the Department of Periodontology, has been awarded Mastership at the International Congress of Oral Implantologists (ICOI).

He presented a scientific paper at the ICOI Conference in Bangkok, marking a significant international academic achievement.

This accomplishment reflects the dedication and excellence of Dr. Mohan and the Department of Periodontology. Congratulations on reaching this remarkable milestone!

SBDCH WINS BEST DENTAL COLLEGE AWARD

File no. T-20018/44/2020-NCD National NCD Division Directorate General of Health Services Ministry of Health & Family Welfare

> Nirman Bhawan, New Delhi 28th October 2024

To

The Secretary, Dental Council of India
