Proudly presents

INTERNATIONAL WEBINAR

"CLINICO-PATHOLOGICAL CORRELATIONS"

Speaker:

Prof. Dr. Rajaram Gopalakrishnan BDS PhD
Director, Division of Oral and Maxillofacial Pathology,
School of Dentistry, University of Minnesota, USA

Prof. Dr. Raj Gopalakrishnan, Director, Division of Oral and Maxillofacial Pathology, School of Dentistry at the University of Minnesota is a diplomate of the American Board of Oral and Maxillofacial Pathology. Dr. Gopalakrishnan is also a fellow of the American Academy of Oral and Maxillofacial Pathology. In 2023-2024 Dr. Gopalakrishnan was the President of the American Academy of Oral and Maxillofacial Pathology.

Dr. Gopalakrishnan obtained his dental degree from Madras Dental College, University of Madras, Chennai, India and completed specialty training in Oral and Maxillofacial Pathology and PhD in Pathobiology from The Ohio State University. Following that he completed postdoctoral training at University of Michigan and has been at the University of Minnesota since 2002.

Dr. Gopalakrishnan participates in a surgical oral pathology practice (University Oral Pathology Laboratories) and has maintained a research lab investigating mechanisms that regulate early invasive phenotype in oral cancer.
